Listed below are several websites dealing with student safety:

**Campus Safety** - from the SRSU RGC website: This site deals with various forms of campus violence and provides numbers for local Sheriff, Police, and Fire Department in each site. See more at http://www.sulross.edu/page/1700/campus-safety

**The Southwest Texas Junior College Campus Police Department** - provides the University with security services 24-hour a day, seven days a week, on all three of Rio Grande College campuses. The Department is staffed by sworn officers with full law enforcement powers and responsibilities who are trained to enforce University rules and regulations along with federal, state and local laws. If, for any reason, you feel insecure with your surroundings or if you witness a crime taking place any of the on the RGC campuses, give them a call. If you want to see more information about the SWTJC Campus Police Department’s Crime Prevention and other policies go to this website - http://www.sulross.edu/sites/default/files//sites/default/files/users/docs/student_svc/handbook-07.pdf

The purpose of the Emergency Response Plan is to establish a response to natural and man-made emergencies. This response system is committed to supporting the welfare of its students, faculty, staff and visitors. It is designed to maximize human safety and the preservation of property with the goal of managing the emergency, restoring RGC to normal operations, and assuring responsive communication to all appropriate parties. This website addresses emergency procedures such as bombs and bomb threats, arson, assaults on individuals and groups, and ways to prevent hostage situations.
