9. "Collusion" means the unauthorized collaboration with another person in preparing written work offered for credit.

12. “Falsification of Data” means the representation, claim, or use of research, data, statistics, records, files, results, or information that is falsified, fabricated, fraudulently altered, or otherwise misappropriated or misrepresented.

All academic dishonesty cases may be first considered and reviewed by the faculty member. If the faculty member believes that an academic penalty is necessary, he/she may assign a penalty but must notify the student of his/her right to appeal to the department chair, the dean and eventually, to the Provost and Vice President for Academic and Student Affairs before imposition of the penalty. At each step in the process, the student shall be entitled to written notice of the offense and/or of the administrative decision, an opportunity to respond, and an impartial disposition as to the merits of his/her case. The decision of the Provost and Vice President for Academic and Student Affairs shall be final.
In the case of flagrant or repeated violations, the Vice President for Academic and Student Affairs may refer the matter to the Dean of Students for further disciplinary action. No disciplinary action shall become effective against the student until the student has received procedural due process except as provided under Interim Disciplinary Action.

Suspended, Expelled, and Dismissed Student Restriction
No student who has been suspended, expelled or dismissed for disciplinary reasons from a component of the System shall, during the period of discipline, be eligible to enroll at any other System component. The registrar of a component is authorized to make an appropriate notation on the student’s transcript to accomplish this objective and to remove the notation when the student’s disciplinary record has been cleared.

ADMINISTRATION OF DISCIPLINE PROCEDURE
The Dean of Student Life shall have primary authority and responsibility for the administration of student discipline at Sul Ross State University and for investigating allegations that a student has violated System and/or University rules and regulations, or specific orders and instructions issued by an administrative official of the University. Any action taken is subject to review by the University president and the Board, and either of whom may approve, amend, or disapprove any action taken by the Dean of Student Life. The Dean of Student Life may designate an appointee to carry out disciplinary functions.

The Dean of Student Life or his/her appointee hereto referred to as officer, will investigate the alleged violations. During the investigation, if the student is available, the officer will give the student an opportunity to explain the incident. If the officer concludes that the student has violated a System or University policy, the officer will determine (but not assess) an appropriate disciplinary penalty.

The officer will discuss his or her findings and his or her determination of an appropriate penalty with the student, if the student is available, and in any case will provide the student an opportunity either to accept or reject the officer’s decision.

1. Administrative Disposition. If the student accepts the officer’s decision, the student will so indicate in writing and waive his or her right to a hearing. The officer may then assess the disciplinary penalty. If the student does not accept the officer’s sanction but does accept the officer’s decision of guilt, the student may appeal to the administrative official who is the next highest person in the chain of command. By appealing to the next highest administrative official, the student waives all right to a formal hearing with the Disciplinary Hearing Committee.

2. Disposition through a Formal Hearing. If the student does not execute a written waiver of the formal hearing process and disputes the facts upon which the charges are based, such charges shall be heard and determined by a fair and impartial committee, hereinafter called the Disciplinary Hearing Committee. The Committee consists of five (5) members of the University faculty and two (2) students. The students shall be nominated by the Student Government Association Senate and selected by the President for one-year terms. Faculty members are selected by the President and serve three-year rotating terms. The President also selects a faculty member of the Committee to serve as chair for a one-year term.

Such charges shall be heard and determined by the Disciplinary Hearing Committee or by the Provost and Vice President for Academic and Student Affairs, but not by both.
FORMAL HEARING PROCEDURES
The Dean of Student Life or a designated appointee initiates the formal hearing process after meeting with the student by preparing a written statement of charges, a statement of the evidence supporting such charges, including a list of witnesses and brief summary of the testimony to be given by each, and sending notification of such charges and statement to the accused student by certified mail, return receipt requested, addressed to the address appearing in the office of Admissions and Records, or by hand delivery of said document with the student signing a receipt.

Except in those cases where immediate interim disciplinary action has been taken under authority of Interim Disciplinary Action, the accused student shall be given at least five (5) class days written notice by the Dean of Student Life or a designated appointee of the date, time, and place for a formal hearing and the names of the current Disciplinary Hearing Committee members. When immediate interim disciplinary action (such as interim suspension) has been taken, hearings will be held under the procedures set forth below but will be held as soon as practicable within twelve (12) class days after the disciplinary action has been taken unless otherwise agreed to by the student.

Upon a hearing of the charges, the University representative has the burden of going forward with the evidence and the burden of proving the charges by the greater weight of the credible evidence. The hearing shall be conducted in accordance with the procedures adopted by the University that assure both parties (University representative and the accused student) the following minimal rights:

1. Both parties will exchange lists of witnesses, expected testimony, copies of documents to be introduced, and notice of intent to use legal counsel, at a reasonable time prior to the hearing. Each party shall have the right to appear and present evidence in person and to be advised during the hearing by a designated representative or counsel of choice. Each party shall limit its presentation to relevant evidence. The accused student must attend the hearing if the student desires to present evidence. If the student fails to appear, the hearing may proceed.

2. Both the University representative and the accused student shall have the right to question witnesses. The accused student may question witnesses with the advice of his/her designated representative or counsel. All questions shall be limited to relevant evidence.

3. The hearing will be recorded. If either party desires to appeal the finding, a copy of the recording will be produced at the expense of the party appealing the finding and both parties will be furnished a copy for appeals purposes only.

Students Right to Challenge Impartiality
The accused student may challenge the impartiality of the Hearing Officer or a member of the Disciplinary Hearing Committee at any time prior to the introduction of any evidence. The Hearing Officer or member of the Committee shall be the sole judge of whether he or she can serve with fairness and objectivity. In the event the challenged member of the Hearing Committee chooses not to serve, the Provost and Vice President for Academic and Student Affairs will choose a substitute.

DETERMINATION of HEARING (Penalties)
The hearing officer or hearing committee shall render a decision to both parties as soon as practicable as to the guilt or innocence of the accused student and shall, if necessary, assess a penalty or penalties. These penalties, which are not exclusive but may be imposed together with other penalties, include, but are not necessarily limited to:

1. Verbal or Written Warning – The student is notified that he or she is in violation of university policies and that additional violations may result in more severe disciplinary sanctions.
2. Requirement that the student complete a special project that may be, but is not limited to, writing an essay, attending a special class or lecture, or attending counseling session. The special project may be imposed only for a definite term.

3. Cancellation of Residence Hall or Apartment contract.

4. Disciplinary Probation imposed for a definite period of time which stipulates that future violations may result in discipline suspension.

5. Ineligibility for election to student office for a specified period of time.

6. Removal from student or organization office for a specified period of time.

7. Prohibition from representing Sul Ross in any special honorary role.

8. Withholding of official transcript or degree.

10. Restitution whether monetary or by specific duties or reimbursement for damage to or misappropriation of University, student, or employee property.

11. Denial or non-recognition of a degree.

12. Suspension of rights and privileges for a specific period of time, including access to electronic network facilities and participation in athletic extracurricular or other student activities.

13. Withdrawing from a course with a grade of W, F, or WF.

14. Failing or reduction of a grade in test or course, and/or retaking of test or course, and/or performing additional academic work not required of other students in the course.

15. Suspension from the University for a specified period of time. During suspension, a student shall not attend classes, participate in any University campus activities, or be allowed on any campus property.

16. Loss of or ineligibility for student grant or loan.

17. Expulsion from the University. A student who is expelled from the University is not eligible for readmission to the University or to any other Texas State University System institution.

18. Dismissal from the University. A student, who is dismissed, is separated from the University for an indefinite period of time.

19. Recording sanctions in Subsections 5.9(9), (11), (13), (14), (15), (17), and (18) may be made on a student's permanent transcript. The University may maintain confidential records of all other sanctions and may consider any prior sanction received by a student in assessing a subsequent sanction. The University shall develop a procedure for expunging those records not transcribed on a student's permanent transcript within a reasonable time not to exceed five (5) years after the student ceases to be enrolled.

A student who, by a preponderance of the evidence, under the Rules and Regulations, Texas State University System, is found to have illegally possessed, used, sold or distributed any drug, narcotic, controlled substance, or drug
paraphernalia including residue, whether the infraction is found to have occurred on or off campus, shall be subject to discipline, ranging from mandatory, university or college approved counseling to expulsion. Students for whom there is a reasonable suspicion of involvement with drugs or controlled substances will be required to submit to an appropriate drug test administered by the University’s Coordinator of Health Services or other qualified university official. Mitigating or aggravating factors in assessing the proper level of discipline shall include, but not necessarily be limited to, the student’s motive for engaging in the behavior, disciplinary history; effect of the behavior on safety and security of the university or college community; and the likelihood that the behavior will recur. The university will exercise their right as a result of being found guilty of a violation of the drug policy and placed on probation to perform random drug tests on students at any time during the probation. If at any time the student is found to test positive for any illegal drugs, the student will be suspended per the duration above. A student who has been suspended, dismissed, probated, or expelled from the university shall be ineligible to enroll at any other Texas State University System university during the applicable period of discipline. The registrar is authorized to make an appropriate notation on the student’s transcript to accomplish this objective and to remove the notation when the student’s disciplinary record has been cleared. A second infraction for a drug-related offense shall result in permanent expulsion from the University and from all other institutions in The Texas State University System.

**APPEALS**

Neither party may appeal if the Dean of Student Life or a designated appointee or the Disciplinary Hearing Committee determines that the allegations against the accused student are true, but the only punishment assessed is verbal or written warning. In those cases, the determination of the Dean of Student Life or a designated appointee or the Disciplinary Hearing Committee is final. However, in all other cases, either party may appeal. If the hearing officer has been an appointee designated by the Dean of Student Life, the appeal will be made to the Dean of Student Life. If the Dean of Student Life has been the hearing officer or if the Disciplinary Hearing Committee has made the determination, the appeal will be made to the Provost and Vice President for Academic and Student Affairs. Written notice of appeal must be received by the Dean of Student Life, or, as appropriate, by the Provost and Vice President for Academic and Student Affairs within five (5) business days after the decision.

An appeal is not simply a rehearing of the original case. An appeal must be based on:

1. Whether or not a fair hearing was afforded. A fair hearing includes notice of the alleged misconduct, and an opportunity to present evidence;
2. Whether or not the sanctions levied were appropriate to the offence;
3. Whether or not the finding was supported by the evidence; and/or
4. Whether or not there is an introduction of new evidence that was not available at the time of the hearing.

Both parties, at the discretion of the Vice President or Dean, may submit oral or written arguments to support their positions. In order for the appeal to be considered, the appealing party must submit all necessary documentation, including written arguments when appropriate, to the Vice President or Dean within five (5) business days after giving notice of appeal. The Vice President or Dean may approve, reject, or modify the decision. The Vice President or Dean also has the option of remanding the matter to the original hearing officer or hearing committee for reconsideration. The appeal office shall respond to the appeal within ten (10) business days after all the documentation was received and all testimony was heard, or he or she may postpone a decision for good cause.

**Review of the Provost and Vice President for Academic and Student Affairs**
The Vice President may review any disciplinary case and may approve, reject, modify the decision or remand the matter to the original hearing officer or committee for reconsideration.

President's Right to Review
The President may review any disciplinary case, and approve, reject, or modify the decision or remand the matter to the original hearing officer or hearing committee for reconsideration.

Board of Regents’ Right to Review
The Board of Regents retains the right to review any disciplinary action and approve, reject, or modify the decision or remand the matter to the original hearing committee for reconsideration.

Interim Disciplinary Action
The Dean of Student Life, the Provost and Vice President for Academic and Student Affairs, or the President of the University may take immediate interim disciplinary action, including suspension, pending a hearing against a student for violation of a rule and regulation of the System or of the university at which the accused is a student when the continuing presence of the student poses a danger to persons or property or an ongoing threat of disrupting the academic process. In the event that the interim disciplinary action includes suspension, the University official involved shall, as soon as possible, notify the President and the Vice Chancellor and General Counsel of such action.

Civil Proceedings
Every student is expected to obey all federal, state, and local laws and is expected to be familiar with the requirements of such laws. Any student who violates any provision of those laws is subject to disciplinary action, including expulsion, notwithstanding any action taken by civil authorities on account of the violation.

Sul Ross State University provides equal educational opportunities for all students and equal employment opportunities for all applicants and employees and otherwise fosters an environment free of racial intimidation, humiliation, and harassment. Racial harassment, as defined herein, is expressly prohibited.

1. Racial Harassment is defined as extreme or outrageous acts or communications that are intended to harass, intimidate, or humiliate students, faculty, staff or visitors on account of race, color, or national origin and that reasonably cause them to suffer severe emotional distress. No student, faculty, or staff employee may engage in racial harassment of any person on the Sul Ross campus or in connection with a University-sponsored activity.

2. No student, faculty or staff person may use authority granted by state law, by System rule, or by University policy to deprive any person of his or her civil rights on the Sul Ross campus or in connection with a University-sponsored activity.

3. If a violation of this policy is committed on campus and/or in connection with a University-sponsored activity because of the race, color, or national origin of any person directly harmed by such violation, the violator’s discriminatory purpose will be treated as an aggravating factor for the purpose of determining the appropriate penalty.

2. In determining whether alleged conduct constitutes sexual harassment, the University shall construe any act or omission within the totality of the circumstances, such as the nature of the sexual advances and the context in which the alleged incidents occurred. Each determination shall be made from the facts on a case-by-case basis.

3. The University may not dismiss a complaint once registered with an appropriate authority until the University has resolved the case. However, the
University may take appropriate disciplinary action for any sexual harassment occurring in the employment or academic environment even in the absence of an individual complaint. Disciplinary action may consist of action up to and including termination of employment or, in the case of students, expulsion from the University or from the System.

The University has adopted a policy statement and procedures prohibiting sexual harassment and requiring prompt and appropriate corrective action for a violation of this policy and relevant federal and state laws on sexual harassment. Students being considered for employment at the University must be in good academic and disciplinary standing, enrolled at least half time, and making satisfactory progress towards a degree. A student who has been admitted on probation and is employed will not be eligible for employment for more than one additional semester unless the academic probation is removed. A student will be relieved of his/her employment responsibilities at the time he/she receives a disciplinary penalty or probation or deferred suspension and will not be permitted to hold a position on campus until all disciplinary sanctions have been lifted.
A student placed on academic probation at the end of a semester in which he/she has been employed will not be eligible for employment for more than one additional semester unless the academic probation is removed or upon approval by the Counseling Center at the request of the department employing the student. This request is to be submitted to the Counseling Center who will review the student’s status and make a recommendation for or against continued employment. A recommendation for continued employment shall include an academic progress plan (contract) signed by the student and a counselor. It is the intent of the Counseling Center to assist the student in overcoming his/her probationary status and achieve the desired G.P.A.
