

Camp Counselor - Summer 2017

CAMP HORTON / DR Horton Inc.

DR Horton Inc. is looking for Camp Counselors for our remote West Texas Children's Camp. The camp is one week long for six weeks from June 11th through July 30th, having a week break for the fourth of July. The camp offers horseback trail rides, ATV trail rides, swimming, canoeing, fishing, hiking, and competitive games, while focusing on learning good manners and life skills for boys and girls ages 9-13 years old.

As a counselor, your position is most important. You are a role model for the campers in every action, spoken word, and the way you carry the Camp Horton legacy. You will be engaging with the kids and building relationships with them through daily events, playing games, leading projects, and holding the kids to the same high expectations we hold ourselves to. We are about creating the ultimate environment where kids can just be kids, and we need great counselors to do that.

We have positions open for both Horseback and ATV Counselors.

Horseback Counselor responsibilities consist of but are not limited to:

- Managing 5-8 campers
- Feeding and checking water daily at 6:30 a.m. and 6:30 p.m.
- Gathering horses at 7:00 a.m. from pasture
- Properly grooming and tacking up horses
- Fitting campers with helmets and boots
- Teaching campers basic riding skills
- Leading campers safely on trail rides and small cattle drives
- Keeping barn, stalls and horse-holding areas clean
- Keeping camp staff informed of any issues with horses, equipment or facilities
- Keeping campers on schedule
- Participate in swimming, fishing, canoeing and all other events
- Assist in set-up, preparation, and clean-up of all camp events

ATV Counselor responsibilities consist of but are not limited to:

- Managing 5-8 campers
- Fueling up, checking fluids, checking tires and lining up ATVs daily at 7:00 a.m.
- Fixing basic tire leaks
- Fitting campers with helmets and goggles
- Teaching campers basic ATV riding skills
- Leading campers safely on trail rides
- Keeping camp staff informed of any issues with ATV's, equipment or facilities
- Keeping campers on schedule
- Participate in swimming, fishing, canoeing and all other events
- Assist in set-up, preparation, and clean-up of all camp events

Minimum Qualifications:

- 18-years-old
- High School Graduate; college preferred
- Pass State Required Background check
- Possess valid Driver's License
- Eligible to work in the United States
- CPR Certified (or capable of passing qualification prior to start date)
- Proven positive experience working with children
- Passion for working with children

Please send introduction letter and resume that includes experience and qualifications to
rcbussell@drhorton.com
