Student Name: ___________________________ A#: ___________ Phone: ___________________________

Summer financial aid is available to assist you with your summer educational expenses. However, there is limited funding for some types of aid such as grants, work-study, and student loans (depending on your annual and aggregate loan limits). Since institutional funds are awarded on a first-come, first-served basis, it is extremely important you complete and submit your application as soon as possible. We will return any incomplete / unsigned forms for correction.

You need a 2019-2020 FAFSA on file – deadline to submit this application is June 30, 2020.

You must be a degree-seeking student at Sul Ross State University and enrolled in an eligible program. Transient students and non-degree/professional certification seeking students are not eligible for aid.

You must be enrolled at least half-time (six hours) to be considered for Federal and Institutional aid. This might also be true for some Pell Grant recipients. For Texas Grant Recipients, you must be enrolled in at least nine hours.

*Payment is due by the first class day of the semester, students who are not eligible for aid at the beginning of the Summer Term, but expect to receive aid at a point later in the Summer, may apply for a Short-Term Loan at your designated Financial Aid Office.

Failure on your part to report changes in your enrollment status may cause an inadvertent over award, creating a balance owed to the University. It is your responsibility to notify the Financial Aid Office of any changes in your enrollment status by submitting a Change Request Form.

Lastly, you must meet Satisfactory Academic Progress (SAP) standards. Please check your financial aid status via Lobo Online after May 14, 2020 to view your financial aid status.
