REQUEST FOR NG GRADE OPTION

Students who do not desire college credit for a course may elect to take the course under the designation “NG” (no grade). To take a course under the “NG” designation, a student must notify the Registrar during registration or prior to the 12th class day. The no grade option is intended primarily for nondegree students who wish to improve their personal knowledge of a subject without receiving college credit. Students choosing the “NG” designation pay the same tuition and fees as students taking the course for credit and consequently are entitled to participate in all class activities and to receive the same student services available to other students.
