**Anti-Discrimination Statement**

No person shall be excluded from participation in, denied the benefits of, or be subject to discrimination under any program or activity sponsored by Sul Ross State University on any basis prohibited by applicable law, including, but not limited to race, color, national origin, religion, sex, age, or disability, sexual orientation, or gender identity.
History of the University (APM 1.01)

Sul Ross State University, located in Alpine in Brewster County, was created by an act of the 35th Legislature in 1917 as a state normal college to train teachers. Named for Lawrence Sullivan Ross, Governor of Texas from 1887 to 1891 and President of Texas A&M College from 1891 to 1898, the institution was the successor to Alpine Summer Normal School. The bill creating the institution provided that the residents of the town would provide land, water, and utilities for the college and housing for the students. This condition was met, and following a delay occasioned by World War I, the Legislature in 1919 approved $200,000 for buildings and equipment. Construction proceeded, and under the presidency of Thomas J. Fletcher, Sul Ross State Normal College began operations in the present Dolph Briscoe, Jr., Administration Building on June 14, 1920.

Seventy-seven students enrolled in the summer of 1920. They studied education and liberal arts subjects leading to teaching certificates and junior college diplomas. In 1923, the Legislature changed the name of the institution to Sul Ross State Teachers College, and advanced courses leading to baccalaureate degree was awarded in the summer of 1925. In 1930, course work at the graduate level was initiated, and the first master’s degrees were awarded in 1933. By 1985, 10,925 bachelor’s degrees and 4,862 masters’ degrees had been conferred.

Under the leadership of President Horace W. Morelock from 1923 to 1945, the curriculum was expanded, additional academic buildings and dormitories were constructed, the college was admitted into membership in the Southern Association of Colleges and Secondary Schools, and enrollment increased to approximately 500 students. A decline in enrollment during World War II threatened the continued operation of the college but was offset by the establishment of a successful U.S. Navy pilot training program and a Women’s Army Corps Training School on campus, bringing more than 1,500 military trainees and officers to Sul Ross.

Following the war, the return of veterans increased the annual enrollments and prompted the expansion of the curriculum. Richard M. Hawkins became president in 1945, and the college was reorganized into divisions of the Fine Arts, Language Arts, Science, Social Science, Teacher Education, and Vocations. Then in 1949, in recognition of the broadened mission of the institution to prepare students for a variety of careers and occupations, the name was changed to Sul Ross State College.

The enrollment grew to more than 1,000 in 1960 and to over 2,000 in 1970. During the presidencies of Bryan Wildenthal and Norman L. McNeil between 1952 and 1974, the academic programs continued to be strengthened; new fine arts, physical education, science and range animal science buildings and a new library were constructed; and several new degree programs were begun. In 1969, the Legislature again changed the name of the institution, this time signifying full state university status by the name – Sul Ross State University. The 1970s were years of stable or declining enrollments caused by the opening of several new colleges in West Texas. The general education requirements were revised; new degree programs were added in criminal justice, business administration, and geology; in 1973 an off-campus study center was established on the campus of Southwest Texas Junior College in Uvalde to provide opportunities for residents of the thirteen county Middle Rio Grande region. With campuses in Uvalde, Del Rio, and Eagle Pass citizens of the area can pursue courses of study leading to one of eleven undergraduate or seven graduate degrees in education, liberal arts, or business administration. The Legislature appropriated more than $10,000,000 to renovate and modernize the academic buildings; and personnel changes brought to the University a new generation of faculty, consisting, in 1983, of approximately 100 persons of whom 74% held the doctorate.
Early in its history, Sul Ross became the cultural and educational center for the mountainous, remote Big Bend region. The state-supported Museum of the Big Bend was established in the 1930s as a depository for materials which depict the multi-cultural society and history of the Big Bend region, and in 1976, the Archives of the Big Bend in the Bryan Wildenthal Memorial Library was organized to provide a permanent depository and research facility for regional manuscript collections.

Now into its second century, the University promotes scientific research in biology, geology and range animal science, with particular emphasis on Chihuahua Desert studies. The Rio Grande Research Center engages in research into water conservation in the Rio Grande basin. The Borderlands Research Institute focuses on Range and Wildlife Management improvements. Through the University’s Center for Big Bend Studies, research and educational activities are conducted in the historical, cultural, and economic development of the Trans-Pecos region and adjacent areas in Mexico and New Mexico. The Outdoor Summer Theatre of the Big Bend performs for hundreds of visitors each year, and musical productions and athletic events are popular attractions. The University was a founding member of the non-scholarship American Southwest Conference and was the birthplace of the National Intercollegiate Rodeo Association.

The Sul Ross State University Rio Grande College, an upper-level component of the University, offers junior, senior, and graduate work in selected programs in Del Rio, Eagle Pass, and Uvalde and is headquartered on the campus of Southwest Texas Junior College.

All of these activities complement the educational programs of the University, which in 2005, included 30 undergraduate major fields and 20 graduate fields, involving approximately 1,800 students on campus and 1,000 in the Rio Grande College. The governing body of the University is the Board of Regents, Texas State University System.

Mission Statement
The ultimate goal of higher education is to produce graduates who will be effective leaders in their chosen professions, valued members of their communities, and responsible citizens of the world.

As a coeducational, comprehensive, public institution of higher education offering certificate programs and associate, baccalaureate, and master’s degrees, the mission of Sul Ross State University is to include the following structure in all of its academic programs:

1. From the core curriculum, students will acquire a common set of intellectual, physical, and aesthetic experiences designed to foster a broad appreciation for the human experience. Graduates will be expected to demonstrate the critical thinking skills, oral and written communication skills, and quantitative literacy that will be required for them to become effective leaders. Moreover, graduates will possess the in-depth knowledge necessary to either enter professions that are related to their areas of specialization, to achieve advanced levels of professional development or to enter and successfully complete graduate programs of study.
2. As part of their education, students will develop qualities of good citizenship, including an appreciation for and commitment to performing their work conscientiously; learning to recognize, respect, and understand cultural diversity; and learning to recognize the implications of what they believe. Most importantly, they will acquire the skills and techniques which enable them to engage in self-learning, and a spirit of intellectual curiosity leading to independent and purposeful life-long learning.

In order to guarantee that this mission is carried out in the spirit of the goals of higher education, Sul Ross State University has three major functions:

1. **To enable optimal teaching and learning** through quality faculty and staff, exceptional facilities, technology, and instructional resources, and effective student support services;

2. **To support research** which advances knowledge, enriches teaching, encourages professional development, and utilizes the distinctive environment of the Big Bend and Middle Rio Grande areas of Texas;

3. **To serve as a resource for enrichment** of the cultural, intellectual, social, and economic life of citizens of the region.

**University Symbols**

The University has adopted several symbols, which are widely used in both official and unofficial capacities:

1. The University’s colors of scarlet and grey are worn by members of athletic teams, cheerleaders, and supporters. The University also uses these colors in brochures, décor, and other appropriate contexts.

2. The mascot of the University athletic teams is the Lobo, an animal native to the western United States. Graphics featuring the lobo are widely used for athletic events, items sold in the University Bookstore, etc.

3. The University’s cattle brand, the Bar SR Bar, a longtime symbol of the University, was registered in 1922. It is most visible in the white rock formation on the east side of the campus. It is used in any situation where a simple graphic image is needed to identify the University or its interests.

4. The official symbol of the University is the Sul Ross seal, a circular graphic containing the words “Sul Ross State University” and “Alpine, Texas” around the outer edges of the circle. In the center of the seal is the Bar-SR-Bar brand graphic overlaid in front of a torch. The symbol of the torch is typically used to signify the light of wisdom, awakening and enlightenment. At the base of the torch is a five-pointed star representing Texas. Branches to either side of the torch and Bar-SR-Bar brand are suggestive of those from the State Seal of Texas: which are a live oak branch (representing strength) and olive branch (representing peace).

5. The University seal, cattle brand, Lobo graphics and other symbols are protected as registered trademarks. Use by non-university groups, individuals, or an entity requires written permission of the University president.
ABSENCES
An absence is defined as non-attendance in fifty minutes of class; for example, non-attendance in a one and one-half hour class will constitute one and one-half absences and non-attendance in a three-hour class will constitute three absences. An absence due to participation in an official University activity is considered to be an authorized absence.

When a student has to miss a class due to an authorized University activity, it will be the responsibility of the student to notify the instructor of the class in advance. The department responsible for the authorized University activity will also notify the instructor(s) through the Student Life Office by providing a “Team/Group Travel Authorization” to the office. Instructors will give student participating in an authorized University activity the opportunity to make up class work, including tests, within a reasonable time and at the convenience of the instructor.

General absences will no longer come through the Student Life Office. General absences include those calls of death in the family, car troubles, illness, etc. The student is responsible for contacting each faculty member directly. It is up to the faculty member to decide how the absence will be treated.

ADDING OR DROPPING COURSES
Through the End of Late Registration
Graduate post-baccalaureate students may add or drop classes using LoboOnLine (Banner Self Service) through the end of late registration. One or more courses (but not all) may be dropped. (Dropping all classes constitutes a withdrawal from the University).

Undergraduates must return to their advisor to make schedule changes through late registration. The advisory may assist you in making the change through LoboOnLine or you may use the Schedule Change Form. Either option requires you to see your advisor.

If a registration or schedule change requires action by Enrollment Services (override for course pre-requisites, closed sections, etc.), you must utilize the Schedule Change Form. For those at distance that are unable to come to campus for the necessary signatures, the Email Request Process may be used.

After Classes Begin
During the late registration period: An addition of hours to any current course load will increase the bill. There is no charge for dropping a course after classes begin. A complete withdrawal after classes begin does incur a financial obligation.

After Late Registration: All drops after late registration ends must be processed using the online drop form or at the Enrollment Services Room 100 of the Lawrence Hall between the hours of 9 a.m. to 4 p.m. Students may drop classes through the last day to drop/withdraw from the university listed in the official academic calendar. A student will not be allowed to drop a course after these dates.
After the 12th Class Day: Courses dropped after the 12th class day in a fall or spring semester or the 4th class day in a summer semester will be assigned a grade of a “W”. Be advised that students that begin an undergrad program in 2007 or thereafter are subject to the six (6) drop rule.

APPLICATION FOR GRADUATION
All forms may be obtained from the dean of the appropriate school. A fee of $30.00 by deadline is required or $55.00 after deadline. You may pay this fee at registration or at the Center for Enrollment Services located in Lawrence Hall (LH100). A student is expected to submit an application for graduation during the semester preceding the final semester of enrollment. Students who are not able to complete degree requirements as planned will need to resubmit the application during the semester or summer term in which they expect to graduate and a $5.00 diploma insert fee. The University Calendar should be consulted for a specific deadline for applying to graduate.

CHANGE OF ADDRESS
If you have changed an address or phone number maintained by the University, you must notify the Center for Enrollment Services in writing at once. The student is held responsible for any communication from any University office sent to you at the last address given to the Center for Enrollment Services.

CLASS ATTENDANCE
Regular class attendance is important to the attainment of the educational objectives of the University. Each instructor will keep class attendance records, and the instructor’s policy on class attendance will be explained at the beginning of the semester or term.

The instructors may, at their discretion, drop a student from a course when the student has a total of nine absences. A student who is dropped from a course for excessive absences will be notified in writing by the Center for Enrollment Services after the drop has been approved by the Provost and Vice President for Academic and Student Affairs. Any student dropped for excessive absences will receive either an “F” or a “W” depending upon the faculty member’s discretion.

Sul Ross allows students who are absent from classes for the observance of a religious holy day to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence. The student notifies the instructor of each class scheduled on the date that the student would be absent for a religious holy day. Arrangements must be made with the instructor five working days in advance, and any examinations or assignments must be completed within five working days after the religious holy day.

Distance Ed (Web-course) Non-Participation Statement
Policies in effect for on-campus, traditional classroom instruction courses also apply to students enrolled in distance education courses, including Web-based and ITV courses. The University allows a maximum of 20% absences in a course before an instructor may drop a student for excessive absences with a grade of “F”. In distance education courses, this policy is interpreted as non-participation; once a student has been documented as non-participating for more than 3 weeks of inactivity during a long semester or 1 week of inactivity during a summer session, the instructor may drop the student from the course with a grade of “F”. Non-participation and inactivity may include not logging on to the course, not submitting assignments or participating.
in other assigned activities as scheduled, not communicating with the instructor by
phone or email, and/or not following the instructor’s participation guidelines stated in
the syllabus.

DEGREE PLANS
All students must have degree plans on file with their advisors. This is usually done
by the end of the sophomore year. The degree plan lists the courses students plan to
take to complete their degrees. The degree plan will be reviewed to make sure that all
requirements for the degree are met. The student, Department Chair and the Dean of
the School, should sign the degree plan. It is kept on file in the Dean’s office.

FERPA
FAMILY EDUCATION RIGHTS & PRIVACY ACT -OFFICIAL NOTICE
The Family Educational Rights and Privacy Act (FERPA) of 1974, also known as the
Buckley Amendment, afford students certain rights with respect to their educational
records. They are:

1. The right to inspect and review the student’s education records within 45 days
   of the day the University receives a request for access.

   Students should submit to a dean, director, head of the academic department, or the
   appropriate official, written requests that identify the record(s) they wish to inspect.
   The University official will make arrangements for access and notify the student of
   the time and place where the records may be inspected. If the University official to
   whom the request was submitted does not maintain the records, that official shall
   advise the student of the correct official to whom the request should be addressed.

   2. The right to request the amendment of the student’s education records to ensure
      that they are not inaccurate, misleading or otherwise in violation of the
      student’s privacy or other rights.

      Students may ask the University to amend a record that they believe is inaccurate or
      misleading. They should write the University officials responsible for the record,
      clearly identify the part of the record they want changed, and specify why it is
      inaccurate or misleading.

      If the University decides not to amend the record as requested by the student, the
      University will notify the student of the decision and advise the student of his or her
      right to a hearing regarding the request for amendment. Additional information
      regarding the hearing procedures will be provided to the student when notified of the
      right to a hearing.

   3. The right to consent to disclosures of personally identifiable information
      contained in the student’s education records, except to the extent that FERPA
      authorizes disclosure without consent.

      One exception, which permits disclosure without consent, is disclosure to school
      officials with legitimate educational interests. A school official is a person employed
      by the University in an administrative, supervisory, academic or research, or support
      staff position (including law enforcement unit personnel); a person or company with
      whom the University has contracted (such as an attorney, auditor, or collection agent);
      a person serving on the Board of Regents; or a student serving on an official
      committee, such as a disciplinary or grievance committee, or assisting another school
      official in performing his or her tasks.
A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Sul Ross State University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:
   Family Policy Compliance Office
   U.S. Department of Education
   600 Independence Avenue, SW
   Washington, DC 20202-4605

5. The right to obtain a copy of the Sul Ross State University’s Student Records Policy from the Office of the Registrar.

GRIEVANCES REGARDING GRADES
If you disagree with a grade you received, you should discuss it with the instructor of the course. If you are not satisfied with results of that discussion, make an appointment to discuss it with the Chair of the Department. If it is not resolved at that point, you should meet with the Dean of the School. Any grievance regarding a grade must be filed within one year of receiving the grade.

HOW TO FIGURE YOUR GRADE POINT AVERAGE

- A generates 4 grade points
- B generates 3 grade points
- C generates 2 grade points
- D generates 1 grade point
- F generates 0 grade points
- I generates 0 grade points (In-Progress. Used for non-completed course work)
- W generates 0 grade points (Withdrawal from university. No grade)
- WF generates 0 grade points (Is the same as an F and counts in attempted hours)

Grade point average (GPA) is calculated by adding semester hours attempted, adding grade points earned, and then dividing total grade points by total semester hours attempted. If a grade of “I” (incomplete), “NG” (no grade) or “PR” (progress) is assigned, the semester hours are not attempted and no grade points are generated and, therefore, such a course is not considered in calculating GPA. Example:

<table>
<thead>
<tr>
<th>Courses</th>
<th>Grade</th>
<th>Credit Hours</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>MATH 1315</td>
<td>A=4</td>
<td>3</td>

<td>D=1</td>
<td>1</td>
<td>1</td>
</tr>
<tr>
<td>PSY 1302</td>
<td>F=0</td>
<td>3</td>

</tr>
</tbody>
</table>
If you receive an incomplete grade (I) in a course, you have up to one year to complete the course, depending on arrangements you make with your instructor. The grade you receive for the course will be calculated into your GPA the semester you complete the course. You do not have to be enrolled the semester the course is completed. If you fail to complete the course by the agreed upon date, you will receive an “F” in the course.

The grade “PR” (progress) is given in the final thesis course when the student has not fulfilled the requirements of the course. You must re-enroll to earn credit.

**NAME CHANGE**

You may change the full legal name on your permanent academic record by completing a Change of Information form and presenting the Center for Enrollment Services with a copy of your birth certificate (to correct a spelling or proper sequence of your name, which had been used on your admission papers), a copy of your marriage license, a copy of your divorce decree (when a female student desires to discontinue the use of her married name and resume the use of her former maiden name), or a signed court order showing the authorized name change.

**SCHEDULE CHANGES**

See the University Calendar for the official dates for making schedule changes. Students wishing to drop/add a class during the first week of late registration need to use the Schedule Change Form and take it to the Center for Enrollment Services for processing. The change involving additional tuition or fees is not official until they are paid through the Cashier’s counter at the Center for Enrollment Services. A class schedule may be voided if any additional fees due are not paid. Students should complete any drop/add before 4:00 p.m. on the last day to make schedule changes.

Undergraduates must return to their advisor to make schedule changes through late registration. The advisor may assist you in making the change through LoboOnLine (Banner Self Service). For those at distance that are unable to come to campus for the necessary signature, the E-mail Request Process may be used.

1. Have your advisor approve the Schedule Change Form.
2. Take the form to the Financial Aid office to check your aid requirements.
3. Return the form to the Center for Enrollment Services for processing.
4. Pay any additional tuition and/or fees at the Cashiers’ Office if adding a course.

**SEMESTER GRADE REPORT**

Students can view and print their grades from Banner Self Service at [http://www.sulross.edu](http://www.sulross.edu). The Registrar no longer mails grades to students as standard practice.

**STUDENT DIRECTORY INFORMATION**

The following information is classified as Student Directory Information:

- Student’s name
- Local/Home/E-mail Addresses
- Major/Minor and year at the university
- Enrollment status (actual hours enrolled, undergraduate, graduate, etc.)
- Classification
16 -

- Degrees, Diplomas, Certificates received
- Extracurricular Activities
- Birth date and place of birth
- Weight, Height, and related information of athletic team member

The information listed above will be released by various campus offices periodically, or published in appropriate University directories unless the student requests in writing that specific information are withheld. Students who do not wish to have any of the above Student Directory Information published or released should complete the required form in the Center for Enrollment Services on the Alpine campus on or before the “last day for late registration and schedule changes” as listed in the Sul Ross State University calendar for the appropriate semester or summer term. This applies to all persons formerly enrolled at Sul Ross State University as well as those currently enrolled for course work offered on the main campus in Alpine or Rio Grande College.

The Center for Enrollment Services will publish official notice of the above policy. After the official notice has been published, the Center for Enrollment Services will inform the appropriate offices of the requests received.

Under the rules of the **TSIA**, all students enrolling in Sul Ross State University (SRSU) will undergo an initial educational assessment preferably before the first semester of college coursework. The results of the assessment will be used to provide evidence of college readiness or identify deficiencies in reading, writing, and/or mathematics. Students not meeting minimum requirements on an assessment instrument will be required to meet with a TSI advisor and establish an Individual Developmental Education Plan (IDEP).

A student that can provide other evidence of college readiness will not be required the TSI assessment. Students may be exempt if they can show:

- **ACT** – Composite score of 23 or higher with at least a 19 on the English test and/or math sections
- **SAT** – Combined verbal and math score of 1070 with a minimum of 500 on the verbal test and/or math test
- **TAKS** – Minimum score of 2200 on both the English and/or math sections with at least a 3 on the writing component of the 11th grade TAKS (for a period of 3 years from the test date)
- **Military Service** – Veterans and active duty personnel serving for at least 3 years preceding enrollment.
- **Transfer** – Transfer from a private or independent institution or an accredited out-of-state institution and has satisfactorily completed college-level course work in compliance with TSIA rules and regulations as determined by Sul Ross State University.
- **Certificate** – Enroll in a certificate program of one year or less (Level-One certificates, 42 or fewer semester credit hours or the equivalent) at a public community college, a public technical institute, or a public state college.
For additional information on who must participate in the Texas Success Initiative, prospective students should contact The Lobo Den, The Academic Center for Excellence, or the Career Services and Testing Office at Sul Ross State University.

- June 1 – prior to the second summer registration

Residential Living agreements are good for the entire academic year (August through May). Students enrolling in the spring semester will sign a Residential Living agreement for the spring semester only. Students who withdraw from the University will forfeit the $200 Housing Deposit and will be billed for any additional charges or damages incurred. Students who move out of Residential Living without proper authorization and remain enrolled in the university will not receive a refund of the deposit and all room, board and damage charges will remain on the student’s account.

Students must complete the checkout procedures with the Residential Living staff. The living quarters must be clean and the key must be returned. You will be assessed for any damages sustained during the occupancy period and/or for a cleaning charge if your room or housing unit is left unclean. Such charges will be deducted from your
housing deposit or unused housing payment. If charges exceed your deposit or unused payment, you will be billed for the remainder of the damage charge.

**Return of Financial Assistance Funds Due to Withdrawal**

As part of the withdrawal process, students are required to secure approval from the Financial Assistance office. As required by federal regulations, the Financial Assistance office will determine if the student must repay all or part of the aid awarded. Calculation of repayment is made at the time of withdrawal by determining the amount of aid the student was awarded, the amount of awarded aid the student earned, and ultimately the awarded aid the student did not earn that must be returned to the aid program(s).

The following steps are used to calculate the amount that must be returned to the aid program(s):

1. Determination of the withdrawal date.
2. Determination of the amount of aid the student earned. This is done by multiplying the % of the period of enrollment that has been completed (or 100% once the student completes 60% of the enrollment period) times the aid that was disbursed and/or could have been disbursed as of the date of withdrawal.
3. Determination of the amount of aid the student did not earn. This is done by subtracting the “earned amount” from the aid disbursed as of the date of withdrawal.
4. Determination of the amount of aid the University must return. This is the amount that is equal to the total institutional charges for the payment period times the percentage of the aid that was unearned.
5. Determination of the amount of aid the student must return. This is the amount that is equal to the aid received by the student for non-institutional expenses times the percentage of the aid that was unearned.

Special rules that apply to the return of the unearned aid include:

1. The University must return the amount of unearned aid that is equal to the total institutional charge for the payment period times the percentage of the aid that was unearned.
2. In order to satisfy the amount the University must return to the aid programs, a combination of the following resources may be used: aid not yet disbursed to the student, the student’s refund as determined by the official refund schedule as posted in the University Bulletin and an additional amount to be repaid by the student.
3. The student must return the balance of the unearned aid less the amount the University returned.
4. The student’s share of loans to be returned may be repaid in accordance with the terms of the loan.
5. The student’s share of the grants to be returned is divided in half.
6. Excess funds will be returned in the following order: Unsubsidized Federal Stafford Loan Program; Subsidized Federal Stafford Loan Program; Federal Perkins Loan Program; Federal PLUS Program; Federal Pell Grant Program; Federal SEOG Program; Other Title IV Aid; Other State Aid; and Miscellaneous Aid.

The policy to return funds due to withdrawal may be modified at any time without prior notice in order to comply with state and federal guidelines.

ACADEMIC ASSISTANCE

Academic Center for Excellence

432-837-8317 FAX

Even students with excellent grade point averages sometimes have difficulty understanding or fall behind in class. The key to overcoming these difficulties is prompt action! Be sure to let your instructor know if you are having trouble understanding the material. He or she may have time before or after class or during office hours scheduled to meet with students. Your instructor will appreciate your interest in keeping up with the material and you will be able to get caught up in time to move along with the rest of the class. If you continue having problems, you might consider working with a tutor. Your instructor can give you information on tutors and tutorial programs.

The Academic Learning Center (ALC) in Ferguson Hall, Room 213 offers tutoring in mathematics, reading, and writing. Tutoring is free to all SRSU students. When you go to the ALC, be sure to take your assignment sheet, your course syllabus, and your textbook so that the tutor can better assist you. All tutors are certified (or in the process of being certified) by the College Reading and Learning Association’s International Tutor Training Program.

In addition, Academic Enhancement Seminars are offered throughout each long semester. The seminars offer help in learning study and life skills necessary for success in the university environment. You can contact the Academic Center for Excellence (ACE) to learn of topics, dates, and times.

If you have missed class, you may want to ask another student for his or her notes. You should also let your instructor know any time you miss more than two classes in a row. He or she may let you make up the course work you missed and help you get caught up. Be sure to become familiar with each of your instructors’ attendance policy and try to avoid unnecessary absences.

If you are having difficulty with an individual instructor, you should first try to resolve the problem by discussing it with the instructor. If this is not successful, you should discuss the problem with the head of the department. If you feel that you are being discriminated against on the basis of age, race, color, sex, religion or national origin, refer to the “Student Grievance Procedures” listed in this handbook.

ADVISING

Lobo Den/Title V
LH 102, Box C-61
432-837-8982
432-837-8930 FAX

Entering college and becoming a successful student requires significant adaptations on the part of the student. Effective advisement can help students to adjust to university life and to learn effective self-management and decision-making skills. Academic advising is designed to assist in educational planning, including
clarification of career and educational goals, curriculum planning, and short-term course selection. The Lobo Den, located in Lawrence Hall, Room 102, is responsible for providing academic advisement and other related services to entering freshmen who do not declare a major, who are admitted on probation, or who do not meet TSI (Texas Success Initiative) requirements. The Lobo Den also clarifies University policies.

Another primary goal of the Lobo Den is to provide and ensure personal attention and assistance to students as they explore the various options available to them at SRSU. Advisement through the Lobo Den is directed toward assisting students in meeting the University’s General Education requirements for all students pursuing a baccalaureate degree. The office is available to facilitate referral to appropriate academic or campus life resources; to assist students in developing study skills and personal management strategies for academic success; and to provide support and advisement resources to faculty to ensure effective advising of students with declared majors.

ATHLETICS

Location: PPGC 100, Box C-17
432-837-8226
432-837-8234 FAX

The Sul Ross program of athletics is an integral part of the total educational program and is subject to the same aims, policies, and objectives as other University departments and programs. The primary purpose of attending college is to obtain an education and athletics are an important part of education and should contribute to the personal development of students. Sul Ross athletics emphasize amateur athletics and fair play with the total well-being of the student athletes in mind and also the equal opportunity for participation by both male and female members of the student body.

Intercollegiate Programs

Sul Ross State University has developed a competitive, well-rounded intercollegiate athletic program for both men and women. The program provides laboratory experiences for students desiring to become coaches and offers top intercollegiate competition for the student-athlete at Sul Ross.

The athletic program for men includes football, basketball, track and field, cross-country, tennis, baseball, and rodeo. Women compete in volleyball, basketball, track and field, cross-country, tennis, softball, soccer and rodeo. The Sul Ross athletic program is a member of the National Collegiate Athletic Association Division III (NCAA III), and the National Intercollegiate Rodeo Association (NIRA).

Athletic events are a lot of fun for spectators, too. Your student ID allows you free admission into all of these events. Most of the athletic facilities are located within walking distance of the main campus. Softball is played at Lady Lobo Field across the street from Jackson Field where football games and track meets are held. Baseball is played at Kokernot Field. Basketball and volleyball games are held in the Gallego Center and rodeos are held in the lighted covered arena known as the San Antonio Livestock Exposition, or S.A.L.E. Equine Center, about one mile east of the main campus. Sul Ross is also a member of the American Southwest Conference (ASC), Texas’ only grant and aid coeducational athletic conference. All scholarships in the ASC are awarded on an academic or need basis rather than according to the student’s athletic ability. This concept was developed in 1976 by Sul Ross and four other Texas colleges and universities that realized it was not financially possible for small schools to compete on an athletic scholarship basis. Sul Ross and ASC member schools,

Game Management Policy
This year’s athletic seasons are about to begin at Sul Ross State University. Administrators, coaches and student-athletes unite in this reminder to their fans to cheer for SRSU, not against visiting teams. SRSU competes under the direction of Division III of the National College Athletic Association (NCAA) in the West Division of the American Southwest Conference (ASC). This is a non-scholarship conference whose primary goal is to graduate student-athletes for future careers as coaches, teachers, and trainers, as well as numerous professional occupations not connected to athletics. The conference promotes high standards of ethical conduct, fair play, and student welfare.

Host institutions carry the responsibility for crowd control, security, and seating. Therefore, unsportsmanlike conduct by players, coaches, or fans can cause game penalties or in disciplinary action and suspensions against players, coaches, and the university. SRSU joins the Division III Commissioners Association’s and the Division III Student Athletic Advisory Committee’s “Be Loud, Be Proud, Be Positive” campaign and the NCAA’s “Respect – It’s the Name of the Game” program
in an effort to educate fans and to provide and enforce a game management policy that promotes good sportsmanship. Unsportsmanlike conduct includes, but is not limited to:

- Any person who strikes or physically abuses an official, opposing coach, player or spectator.
- Any person who intentionally incites participants or spectators to violent or abusive action.
- Any person who uses obscene gestures or profane or unduly provocative language or action toward officials, opponents or spectators. Don’t get personal in your comments about players, coaches, or officials. No profanity, vulgarity, racist, or sexist comments.
- Any person who engages in negative recruiting by making statements to a prospective student-athlete, parents, high school coach or other person interested in the prospective student-athlete that are not of a positive nature about another academic institution or its personnel.
- Any person who publicly is unduly critical of any game official, conference personnel, another member institution or its personnel.
- Whistles, air horns, or any artificial noisemakers that mimic officials or signals to start/stop play are strictly prohibited from all indoor and outdoor sporting events. Noisemakers (e.g., cowbells, horns, electric equipment, etc.) are not allowed in gymnasiums.
- Use of alcohol or tobacco products by spectators is also prohibited under NCAA and SRSU rules.

NCAA participation stresses character development of participants, enhancement of the integrity of higher education, and promotion of civility in society. Therefore, the fundamental values of respect, fairness, civility, honesty, and responsibility should appear not only on the playing fields and courts, but in the bleachers and in all activities connected with the athletics program.

Educating spectators is a critical first step and foundation for the success of the Division III Fan Sportsmanship Program. The commissioners stress that “Unless we define our expectations and share them with all constituencies, our energy will be largely spent on reaction and punishment. Instead, education focuses on getting out a consistent message up front to every institution in every conference across the country. It allows us to link arms and speak with the same voice in promoting an atmosphere of positive fan behavior.”

A reminder to fans to respect all student-athletes, coaches, and officials in intercollegiate athletics will be read over the loudspeaker at the beginning of each NCAA/ASC game.

432-837-8192 FAX

The Campus Activities Office is your source for information on campus events and student organizations at Sul Ross State University. The Campus Activities Office staff will help you immerse yourself in the Sul Ross State University community!

The reason you decided to attend Sul Ross was to receive an education leading to a college degree. As such, the primary focus of that educational process is your experience inside the classroom. Your involvement in life outside the classroom through student clubs or organizations is a natural complement to your life inside the classroom.

You are encouraged to become involved with one or more facets of Student Life at Sul Ross. Involvement in activities and organizations is a great way to meet people
and to provide balance in your rigorous academic life. Membership in a student organization also helps you learn valuable skills—budgeting, leadership, and organization and time management, to name a few. Interested in joining a student organization? Here’s where to look:

- A Club Fair is held at the beginning of the Fall semester. Many organizations (student, departmental and community) set up booths to share the purpose of the organization, display pictures and brochures describing the group’s activities, and distribute information regarding meeting times.
- Check *The Skyline* (the SRSU newspaper) for information regarding student clubs and activities.
- Watch SRSU Channel 12 (SRSU television station) for information. The campus station will keep you up-to-date on current events.

**STUDENT ORGANIZATIONS**

Sul Ross State University recognizes both the right of students to form groups having similar or common interests and the benefits that result from membership in such organizations. The following general rules and regulations apply to all student organizations and clubs registered with Sul Ross State University. Specific policies, rules and regulations, and procedures pertaining to student organizations are listed below.

**Definition, Composition, and Authority**

An organization, in which active membership is limited to Sul Ross State University students (recognizing that faculty and staff may also be members), may become a registered student organization at Sul Ross State University through compliance with established registration procedures. The organization may not suggest that it is acting with the authority of or as an agent of the University.

**Faculty and Staff Advisors**

Each registered student organization shall have a full-time Sul Ross State University faculty or staff advisor, whose name shall be provided to the Campus Activities Director as a part of the student organization registration process. The organization shall immediately report in writing any change in its advisor to the Campus Activities Director. Advisors to registered student organizations shall not have control of the funds and financial records of the student organization. Such control includes, but is not limited to, receipting of funds, check signing authority, authorization of expenditures, and preparing bank reconciliations. Advisors may not expend their personal funds on behalf of a student organization and request reimbursement.

**Disciplinary Action**

Any student organization is subject to disciplinary action or revocation of registration as a student organization for violation of a System or University rule or regulation or for failing to comply with the direction of a University official acting in the performance of his or her duties.

**Requirements for Registration**

As a condition to being a registered student organization or group, every registered student organization or group shall furnish to the Campus Activities Director at the beginning of each academic year an Organization Information Sheet listing the officers and other members who are authorized to speak for or represent the organization or group in its relations with the University and who are authorized to receive for the organization or group official notices, directives or information from the University. Each such list shall be current and accurately updated throughout the
year by the organization or group, and it shall be conclusively presumed that the
officers or members whose names are on the list most recently filed in the Campus
Activities Office are authorized to speak for and represent the organization or group
in its relations with the University and are authorized to receive official notices,
directives, or information from the University.
Except for national honor societies which require outside members, no registered
student organization or group may have any person as an active member who is not
either a student, a member of the faculty or staff of the University or retired faculty or
staff. Except pursuant to the provisions of the Facilities Use Rules by outside groups,
no organization or group, whether registered or not, may use any facility of the
University if it has as an active member any person who is not either a student,
member of the faculty or staff of the University or retired faculty or staff.

The University will maintain all accounts and financial records of registered student
organizations that are funded in whole or in part from University funds. Both the
advisor of such organization and a designated officer of the organization must
authorize any expenditure from the organization’s account. In special instances, when
a documented need exists, student organizations may receive permission to maintain
a bank account in an area bank for limited and special purposes. Only the President
of the University, upon written request and documentation, may grant this exception.
When an exception is granted, University personnel serving as advisors shall not have
control, including check writing authority, of the bank account or financial records
kept by the organization.

Registration Procedures
Procedures for registration of a student organization or group may be found in
the Handbook for Student Clubs and Organizations available in the Campus Activities
Office.

ACCESSIBILITY SERVICES
Sul Ross State University supports equal employment and educational opportunities for all persons. No person shall be excluded from participation in, denied the benefits of, or be subject to discrimination under any program or activity sponsored by Sul Ross State University on any basis prohibited by applicable law, including but not limited to race, color, national origin, religion, sex, age, or disability.
The University is committed to equal access in compliance with the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. The Accessibility Services Coordinator assists students with disabilities in providing academic programming accommodations.

Services available to all SRSU students include consultation, information and referral as well as personal counseling and academic advising. A student is eligible for disability services if s/he has been admitted to Sul Ross State University, have a documented physical or mental impairment that substantially limits one or more major life activities and have a record of such impairment. Qualified students with disabilities who need academic adjustments, auxiliary aids or services or other accommodations must register with the Accessibility Services Coordinator. It is the student’s responsibility to bring disability documentation with them to an appointment with the Accessibility Services Coordinator to discuss their individual needs at this time. Each request is considered on an individualized, case-by-case basis. As considerable time may be involved in obtaining complete and adequate documentation and arranging for qualified service providers, prospective and current students should request services in a timely manner, well in advance of the anticipated need.

Recent disability documentation from appropriate qualified professionals must be provided by the student to establish current functional limitations and the impact of the disability. Any recommendations for specific accommodations may be helpful in making determinations and these will be considered as part of the documentation review process. Documentation of disability status and other related information is handled in a confidential manner and is maintained in files separate from a student’s educational record. Both academic and non-academic accommodation requests are received by the Accessibility Services Coordinator. Requests involving non-academic accommodations such as University housing, physical access, etc. will be referred and processed through appropriate departments. Academic accommodations for which a student is eligible are outlined in letters to faculty members. It is the responsibility of the student to hand-deliver these letters and arrange to discuss their accommodations with faculty members. If requested, the Coordinator is available to facilitate communication between a student and faculty members regarding accommodations by meeting with the student and the faculty member. It is the responsibility of the student to inform the office in a timely manner if accommodations are not effective.

In compliance with applicable laws, unless Sul Ross State University can demonstrate that an academic requirement is an essential component of a degree or program, the University will make reasonable adjustments to requirements to ensure that the requirements do not discriminate against qualified students with disabilities.

If a student feels that s/he has been discriminated against based on disability, it is recommended that the student first attempt to resolve the issue directly with the individual or group suspected of discrimination. If this procedure is non-productive, a second step may be to seek assistance from the Accessibility Services Coordinator.

FINANCIAL AID
Center for Enrollment Services
Lawrence Hall Room 213, Box C-2
432-837-8050
432-837-8431 FAX
Do you need financial assistance to help pay for educational expenses while you are attending college? If so, the Center for Enrollment Services might be able to help. Various types of assistance are offered including grants, work programs, scholarships, and loans. For maximum consideration, submit all necessary documents at least three months before enrollment begins. May 1 is the priority deadline for fall aid. Annual completion of the Free Application for Federal Student Aid is required and this form can be done online. Additional documents may also be required to be certain to complete your file as early as possible.

**Scholarships**

March 1 is the annual application deadline for the majority of SRSU scholarships. Many scholarships are available to both new and returning students. Applications and scholarship guidelines are available on-line no later than January 1st prior the Fall Enrollment Period.

**Work Study Authorization**

Part-time campus employment can be found through the Federal College Work-Study Program or through institutional funds. Eligibility for the Federal College Work-Study Program is based on the annual results of the Free Application for Federal Student Aid. Notification of your eligibility will be sent to you through an award letter and/or by accessing the Financial Aid page of your Banner Self Service Student account.

Student workers in either program usually work an average of twenty hours per week and get paid once per month through the University payroll. Prior to working, you must have proof of work-study eligibility and clearance from the Human Resources office.

**Meningococcal Disease**

Meningococcus is the bacterium that causes Meningococcal disease, which involves septic shock and inflammation of the brain-spinal cord lining. Students attending classes or living on campus are at increased risk for infection. If the symptoms are not treated early, permanent disability or death may occur. On June 19, 2009, the Jamie Schanbaum Act (HB4189) became Texas law. This action amended Chapter 51 of the Education Code. Meningococcus immunization is required for first-time and transfer students less than 22 years of age. They must submit documented proof of meningococcal vaccination within the past five years and no later than the 10th day before the semester begins. New and transfer students are encouraged to contact their local medical provider or pharmacy regarding the meningococcal vaccination. Incoming students under 19 years old may check with their area’s Texas Department of State Health Services (DSHS) about availability of the meningococcal vaccination. Alpine’s DSHS region 10 facility is located at 205 North Cockrell, phone (432)837-3877.
On-Campus Care
The Student Health office is located in Morgan University Center, Suite 211. It is staffed by a registered nurse. Services include nursing assessments, minor treatments, over-the-counter medications, basic first-aid supplies, and wellness talks. There is no charge to students for these services.

Off-Campus Care
Students are responsible for the cost of medical and healthcare services not offered by the university. There is an agreement with the Alpine Medical Center (AMC) to provide limited out-patient care. This service is paid for by the student medical fee and is only available during active enrollment periods. The receptionist will request a valid Sul Ross ID as proof of eligibility for student care. The AMC is open from 8 a.m. to 5 p.m. Monday through Friday. On Saturday the hours are 8 a.m. to 11 a.m. and 1 p.m. to 3 p.m. Sports physicals are provided at no cost to athletes and must be scheduled in advance. The AMC is located at the corner of North 2nd Street and East Avenue E. For additional information or to make an appointment, contact the AMC at (432) 837-5505.

Emergency Services
Students are responsible for the cost of emergency care. Local ambulance service (EMS) is available by dialing 911. Medical emergencies are transported to the Big Bend Regional Medical Center (BBRMC), which is a level four trauma facility. Patients are usually flown out-of-town when a higher level of specialized care is needed. The Emergency Room physician chooses the method and source of transport as determined by a patient's condition. Students underinsured for air ambulance may contact BBRMC to inquire about air medical transport memberships. BBRMC is located along Hwy 118 North and is open 24 hours every day. Their phone number is (432) 837-3447.

Student Health Insurance
Domestic students are strongly encouraged to maintain comprehensive health insurance. Due to the university's remote location, having sufficient air ambulance coverage is crucial. International students must show proof of health insurance that is good within the United States. Helpful links are available on the student health webpage under www.sulross.edu, or call health services at (432) 837-8102.

**RESIDENTIAL LIVING**

Lobo Village8, Box C-53
432-837-8190
432-837-8291 FAX

The *Residential Living* program at Sul Ross State University is designed to be supportive of each student’s educational experience. Besides providing convenient
and cost effective housing arrangements, living on campus will give you a built-in opportunity to get acquainted with other students, be involved in campus life, participate in programs and activities, encounter challenging ideas, and develop new skills. Studies have shown that students living on campus are more likely to be successful in their college experience, advance more quickly, achieve a higher grade point average, participate in more social activities and have a more positive self-image than those living off campus.

**General Housing Policy**

Single undergraduate students who are enrolled for 9 or more credit hours in the long semesters (fall and spring) and 5 or more credit hours in the summer semesters must reside in the residence halls for the first two full academic years of their education.

**Exceptions to the policy may be made for student(s) who:**

1. Live at the established residence of their parent, grandparent or legal guardian within a 100-mile radius of the Sul Ross campus. Documentation must be presented regarding legal guardianship.
2. Are married. A marriage license or similar document must be presented to the Residential Living office.
3. Are veterans and have spent at least twelve months on active duty.
4. Are at least 21 years of age before the first class day of the academic year.
5. Are single parent(s) with dependent(s) living with them full time during the academic year.

Request for exemptions from the housing policy must be submitted in writing along with all supporting documentation by the first class day of the academic year. Any new student appealing for the spring semester must submit all necessary paperwork by the first class day of the spring semester. Off campus arrangements must not be made prior to receiving written notification from Residential Living that the appeal has been approved. The required forms to apply for exemption may be obtained from the Office of Residential Living.

A student who gives false information concerning housing will be subject to disciplinary action. A student found to be living off campus without approval would be required to return to on-campus housing. If this does not occur within 10 class days, disciplinary action will be taken and may include cancellation of class registration with no refund due.

Students residing in University housing are responsible for being aware of all policies and procedures as printed in the publication, The Residence Hall Handbook, the Housing Contract, and all housing policies outlined in this publication. Sul Ross State University is not responsible for theft or damage to personal property. Students are encouraged to purchase renter’s insurance.

**Applying for Campus Housing**

A $50 housing application fee (non-refundable) is required when students apply for housing. A $200 Housing Deposit must be paid before the student moves into the residence hall. A minimum of $50 is required to be added to the reservation list. This $50 will be applied to the damage deposit at check in. The remaining $150 must be paid prior to the start of classes and may be included in the student’s financial aid award. If the student does not occupy their on-campus residence as reserved, then any deposit paid will be forfeited. All students must sign a Residential Living agreement for the entire academic (Fall and Spring) year. Students entering in the spring will sign a Residential Living agreement for the Spring Semester only.
Students who move out of Residential Living before the contracted time has lapsed and withdraw from the university will forfeit the $200 Housing Deposit and will be billed for any additional charges or damage costs to the room. Students who move out of Residential Living without proper authorization and remain enrolled in the university will not receive a refund of the deposit and all room, board and damage charges will remain on the student's account. Students who fulfill the yearlong contract may request a refund of the Housing Deposit, less deductions for unnecessary wear and damage, at the completion of the required occupancy.

**Residence Halls**
Residence hall rooms are rented by the academic year. A meal plan is required and is included as part of the package price. Campus food service is provided in the Morgan University Center. All residence hall units are suite style rooms, where two student rooms will share a bathroom. Each residence hall houses 248 students. Each building has central air and heat; coinless operated laundry facilities, and is a smoke free environment.

**Efficiency Apartments**
The Efficiency Apartments provide housing to students who are 21 years or older and enrolled full time for each term. Each unit is fully furnished with kitchen appliances, bedroom furniture and a desk. Each building has central air and heat; coinless operated laundry facilities, and is a smoke free environment.

**Family Housing Apartments**
The Family Housing units are available to married couples, couples with children or single parents, who are enrolled full time each semester. These two bedroom units are furnished with living room furniture, bedroom furniture, kitchen appliances, washing machine and dryer. The rent includes the cable TV service, Internet connections, and all utilities, excluding telephone service.

Apartment rent begins when the key is issued and continues until the student moves out and the key is returned. Rent is calculated from the first day of one semester through the first day of the next semester, which will include holiday periods and semester breaks. Rent is due the first of each semester. If rent is not paid as scheduled, the resident may be asked to move out. These buildings are smoke free environments.

**Overnight Guest Housing**
Residence hall students may house same-sex guests in their rooms for limited periods (no more than three consecutive nights) at no additional cost. Residents may host one guest at a time and must be present during the time of the visit. The University reserves the right to withdraw guest privileges if a guest or host does not abide by University rules and regulations. An overnight guest housing agreement must be filed with the Residential Living Office.

Students who commute or take weekend classes, or family members who are visiting students, may make reservations on a space available basis to spend the night in the vacant rooms in the residence halls. Payment is to be made at check-in time, using check or money order (no cash or credit cards). Linens, towels, soap, toiletries, etc. are not provided so plan ahead. Reservations can be made by contacting the Residential Living Office at (432) 837-8190.

Check-in hours for guest housing are limited to the hours of 8:00 a.m. to 11:00 p.m. Keys and access cards should be returned to the Residential Living Office.
Visitation
In order to provide an atmosphere conducive to study, the residence halls maintain a visitation policy. All visitors will be escorted by their host while in the hallways, living areas, and rooms. A resident will be allowed no more than two visitors, at a time, and will be responsible for his/her guests’ conduct. Visitation is limited to certain hours for all on-campus housing. Sunday through Thursday the visitation hours are from 10:00 a.m. until 1:00 a.m. On Friday and Saturday the visitation hours are from 10:00 a.m. until 2:00 a.m. The escort policy is in effect at all times.

Residential Living Rules

- All weapons and ammunition are to be stored at UDPS and not in any University housing or vehicles parked on campus.
- Animals are not permitted on campus.
- Quiet hours are from 10:00 p.m. until 10 a.m. in and around all residential facilities.
- Illegal drugs are not tolerated.

Students are considered responsible adults and therefore accountable for how their words and actions may affect other students and the academic environment. Please contact Residential Living if you have a question or problem.

The Sul Ross State University Student Government Association is the University’s student government body. It is composed of a Legislative Branch, a Judicial Branch and Executive Branch. All Sul Ross students are members of the Student Government Association. The Student Government Association officers make up the Executive Branch and are elected in the spring of the year preceding their term of office.

The Legislative Branch of the Student Government Association is the Student Senate. Senators are elected at the beginning of the fall semester with one representative from each academic department and one for undecided majors. Four seats are “at large” and members of the freshman, sophomore, junior and senior classes fill two seats each. A member of the graduate class fills one seat. Information on the elections will be posted on bulletin boards and in The Skyline.

The Judicial Branch is composed of five appointed jurors, one from each class level. They are referred to as the Student Court and handle constitutional related disputes, appeals of decisions made by the Election Committee, complaints filed against registered student organizations and other matters.

The Student Senate meets once a week for a formal meeting. Meetings usually include committee reports, discussion of student concerns and updates on activities being planned, fund-raising and service projects. The Student Government Association office is located in the Morgan University Center Room 201. The phone number is 432-837-8198.
Participation in Student Government
Student government has no existence separate and apart from the University, and it shall have only such jurisdictions and shall exercise only such powers as the Board may now or hereafter delegate to it through the University President.

The constitution and bylaws of the student government are hereby approved to the extent that they are not in conflict with the provisions of these Rules and Regulations.

Mode of Amending the Constitution and Bylaws
The association in accordance with its constitution and bylaws may adopt an amendment to the constitution or bylaws of the student government, but the change shall not become effective until transmitted to and acted upon by the Dean of Student Life and the Provost and Vice President for Academic and Student Affairs and approved by the University President.

Amendment or Repeal by the Board of Regents
The Board of Regents shall amend or repeal any portion of the constitution and bylaws of a student government when, in the judgment of the Board, the interests of the University shall require it.

Amendment or Repeal by the President
The President shall have the power to amend or repeal any provision in the constitution or bylaws of the student government when, in the President's judgment, the interests of the University require it. The action by the President shall be subject to review under the provisions listed above.

Compensation by Student Government
All persons employed on salary or compensated for personal services in any manner by or under the direct supervision of the student government shall have the approval of the Dean of Student Life and shall be subject to prior approval by the President or a designated appointee both as to salary and as to qualifications. This authority shall not be exercised in a manner that would infringe upon the constitutionally protected rights of students.

Annual Financial Reports
The Dean of Student Life shall require the officially recognized student government to make available, on an annual basis, a complete financial report to the University business officer, and to make such special reports as may be called for by such business officer. A duplicate copy of each report shall be filed with the Dean of Student Life.

Rights and Obligations of Student Government
The student government shall be a recognized forum of student opinion.
1. When student government takes a position with reference to issues directly related to the University and its operations, it shall forward its recommendations to the Dean of Student Life and the President. This section shall not prohibit the student government from free expression of its position.
2. When student government takes a position on non-University issues, it shall make clear the fact that it does not speak for the University.
3. The student government may conduct polls, initiate petitions, and/or establish forums for debate or discussion, and said action shall be regulated only as to
time, place, and manner but shall be subject to the provisions of the Sul Ross State University Rules and Regulations governing Speech and Assembly.

4. Officers of the student government may so identify themselves when they express their personal views, but they shall then make it clear that they are not speaking for the University or for the student body; and they shall make it clear they are not speaking for the student government unless the legislative body of that government has authorized the statement in advance.

Stipends
The University may authorize the student government to grant fair and reasonable stipends to elected student body officers, provided such stipends are paid from student fees and are first authorized by a onetime referendum vote of the student body. Thereafter, stipends are subject to approval by the student government. The granting by student government of such stipends shall not establish an employer/employee relationship with the University, and the subject student officers shall not receive employee benefits from the University. The provisions above under Persons compensated by Student Government shall apply to the setting of the compensation of student body officers.

President’s Authority
While the student government will be granted freedom to exercise its constitutional rights, the University President necessarily has authority over all its activities, policies, contractual agreements, and financial matters provided said authority does not infringe on the free exercise of the constitutional rights of the students or the student government.

STUDENT ID SYSTEM
Student ID cards are issued to students at their first registration at Sul Ross State University. The ID card, which you must sign, is nontransferable and should be carried at all times. It is required for use the Library, picking up e-mail account information, the Computer Lab, entrance to all athletic events, entrance to University-sponsored functions, cashing personal checks, and for meal plans at the Morgan University Center Dining Area. Misuse, failure to present the ID card when requested by a University official, or loaning the ID card to another is cause for disciplinary action. The card must be surrendered upon withdrawal from the University.

Lost ID
It is the student’s responsibility to notify University Department of Public Safety immediately if their ID is lost. To replace a lost ID card, pay Cashier’s office a $5.00 replacement fee; present the receipt to UDPS, Briscoe Administration Building Room 100, for a new ID card.

STUDENT PUBLICATIONS
Opportunities to use or develop creative skills in writing, photography and artwork are available through involvement in any of the three student publications. Students, regardless of major, may gain experience in layout and design, news and feature writing, photography, and photo editing.

The Skyline, news magazine is produced biweekly during the fall and spring semesters by student staff. The magazine provides the university community with news concerning students, faculty and campus events as well as providing a forum for students to discuss ideas and express opinions. The magazine also provides a historical record of Sul Ross State University.
The Brand, yearbook is produced annually by student staff. The yearbook serves as the official historical document of Sul Ross State University, providing documentation in both writing and pictures of each academic year.

The Sage, the University’s award-winning literary magazine, showcases essays, short stories, poems, art and photography from the student body of Sul Ross State University. The magazine won the Texas Intercollegiate Press Association (TIPA) Sweepstakes Award for 1999 and 2000, along with numerous individual awards. The newspaper and yearbook are supervised by the Student Publications Supervisor who can be contacted at 837-8061 or in BAB 108. The literary magazine is supervised by the Languages and Literature Department in MAB 114.
The University Department of Public Safety (UDPS) maintains the safety and security of the entire campus and University community. UDPS Officers are commissioned Texas peace officers and are vested with all powers, privileges and immunities of peace officers in performance of their duties. Student should immediately report all crimes, traffic accidents, or other offenses that occur on campus to UDPS. The UDPS office may be contacted 24 hours a day by calling 432-837-8100. The office is open Monday through Friday, 8 a.m. to 5 p.m. to provide assistance to the University community. After hours and weekend calls are answered by the Alpine Police Department with them relaying the information to a UDPS Officer.

UDPS Officers have the authority to refuse to allow any persons having no legitimate business to enter any property under the control and jurisdiction of the University and to eject any undesirable persons from the property if they refuse to leave upon request.

CRIME PREVENTION

The University Department of Public Safety (UDPS), located in BAB 100, provides police services 24-hours a day, providing around-the-clock service to the campus community. The UDPS offers traditional police services as well as traffic and parking enforcement, criminal investigations, and crime prevention.

UDPS officers patrol the campus to assure a high level of good physical security. As a regular part of their assigned duties they look for any hazards such as defective lighting, unsecured areas, inoperative doors or locks, damaged sidewalks, and potential fire hazards. If you notice a safety or security problem on campus, please report it to the UDPS.

Students can help assume responsibility for their own personal safety and security of their personal belongings by taking some of the following precautions:

▪ Avoid walking alone. Travel in pairs and groups.
▪ Be aware of your surroundings and potential danger spots.
▪ Lock your doors and keep your windows closed at all times.
▪ Do not prop open outside doors to residence halls after hours.
▪ Report suspicious persons and circumstances.
▪ Do not give anyone the keys to your room, even temporarily.
▪ Do not leave valuables lying out in the open or in unlocked vehicles.
▪ Engrave your driver’s license number on all valuable property.
▪ Record the serial numbers and brand names of all property of value.
▪ Never leave your belongings unattended. Backpacks, books and purses can become easy targets.

Sometimes students do not report crimes because they do not want to get someone in trouble (especially if they know the offender). They think it will not happen again or that it is too much trouble. It is important to remember that every student has the right to a safe campus environment. In cases such as personal assault or sexual assault, reporting the crime can provide students with personal assistance and the needed evidence if they choose to file a formal criminal complaint. The UDPS can direct persons to appropriate agencies for incidents occurring off campus, University counseling services, and other services that are available. Remember, a victim of a crime or someone who reports that a crime is being or has been committed, does not make an offender to get in trouble, the act of committing a crime does.
STUDENT’S OBLIGATION UNDER THE LAW

Every student is expected to obey all federal, state, and local laws and is expected to be familiar with the requirements of such laws. Any student who violates any provision of those laws is subject to disciplinary action, including expulsion, notwithstanding any action taken by civil authorities on account of the violation.

Animals

The animal policy of Sul Ross State University is designed to minimize the threat of disease or harm to visitors, guests, and members of the University community. Therefore, animals may not be on campus or in University buildings except for the following conditions:

1. Disabled students requiring the assistance of a seeing-eye dog.
2. Used for academic studies in University controlled programs.
3. Used for intercollegiate rodeo, intramural rodeo, or rodeo physical education.
4. Owned and maintained by the President in his/her home.
5. Used by law enforcement agencies while in performance of law enforcement duties or education demonstrations.

The University Department of Public Safety will handle complaints concerning animals on the Sul Ross State University campus.

Bicycles, Skateboards, Roller Blades, Roller Skates, In-Line Skates, and In-Line Scooters

Bicycles are a very convenient (and inexpensive!) form of transportation for college students. Unfortunately, they are also easy targets for thieves.

Bicycles must obey all motor vehicle laws in regard to signs, signals and speed limits; at night must display lights in accordance with Texas State Law; shall not be ridden on sidewalks; shall yield right-of-way to pedestrians; shall be driven on roadways only and on the right side with the traffic flow; when in a group shall be driven single file; and should park in bicycle racks (keep secured in bicycle rack with chain/lock when not in use) provided, or out of the way of vehicles and pedestrians. Bicycle should not be chained to University property other than bicycle racks.

Skateboards, roller blades, roller skates, in-line skates, and in-line scooters may not be utilized anywhere on the Sul Ross State University campus including all sidewalks, parking lots, athletic facilities and buildings.

Changes

Sul Ross State University reserves the right to change any or all of these regulations as necessary. All changes will be published in the University newspaper, The Skyline, and the Faculty/Staff Newsletter. The Sul Ross State University Parking and Traffic Rules and Regulations are subject to approval by the Board of Regents, Texas State University System.

Crime Alerts

The University Department of Public Safety (UDPS) issues campus “Crime Alerts” promptly to the campus community upon the discovery of a crime that is determined to pose a threat to public safety on campus, or that are in the public interest. Crime Alerts are maintained at the UDPS office (Briscoe Administration Building Room #100) and are normally placed on the SRSU DPS website. The crime alerts are distributed to campus department to post in their respective areas of influence.
Current campus policy/practice that has been implemented in reference to Crime Alert Notifications to students, faculty, and staff includes multiple formats. When incidents are deemed to be an emergency that will affect the entire University Community and represent a serious or continuing threat to student and employees, the University may alert Faculty, Staff, or Students by other means that may include campus e-mail, posting on designated websites, through interdepartmental communications, building notification, through the campus phones, or by the Lobo Lookout emergency messaging system.

**Crime Prevention and Statistics**

The University Department of Public Safety (UDPS) provides the University with police services 24-hour a day, seven days a week. Sworn officers with full law enforcement powers and responsibilities, who are trained to enforce University rules and regulations along with federal, state and local laws, staff the department. Officers are responsible for a full range of public safety services, including all crime reports, investigations, medical emergencies, fire emergencies, traffic accidents, parking control, enforcement of laws, regulating alcoholic beverages/controlled substances/weapons, and all other incidents requiring police assistance.

UDPS officers constantly patrol the campus to assure a high level of security. Academic buildings are open to the public during the daytime and evening hours when classes are in session. Because of the number of people in and out of the buildings throughout the day and evening, every student must assume responsibility for his or her personal safety and the security of personal belongings. UDPS Officers are able to provide suggestions on simple precautions every student should practice.

Sul Ross State University follows the federal guidelines as outlined in Title II Crime Awareness and Campus Security Act, Section 204, Disclosure of Campus Security Policy and Campus Crime Statistics. UDPS compiles and reports crimes on a regular basis.

In compliance with the CLERY Act, campus crime statistics are available at the SRSU website or specifically located at SRSU UDPS website. A printed handout of the website information can be obtained upon request at the University Department of Public Safety office in Briscoe Administration Building room 100.

Sexual Assault, dating violence, domestic violence, and stalking reporting and prevention information can be obtained in the upcoming version of the “Annual Security and Fire Safety Report” at the UDPS office or UDPS Sexual offender information can be obtained at the Texas Department of Public Safety website [HYPERLINK "http://records.txdps.state.tx/soSearch/default.cfm"](http://records.txdps.state.tx/soSearch/default.cfm) or the UDPS office.

**Daily Blotter**

The University Department of Public Safety maintains a daily crime log at the UDPS office (Briscoe Administration Building Room 100) with the daily crime log information being placed on the UDPS website On a normal basis.

**Annual Security Report**

The UDPS maintains an Annual Security Report and Fire Safety Report at the UDPS office (Briscoe Administration Building Room 100) with the security and fire information being available also on the UDPS website,
Emergency Sirens
Sirens are installed throughout the city of Alpine for emergency alert notifications. The sirens are tested on the 1st Wednesday of the month at 6:00 p.m. The siren nearest to the University campus is by the Bealls department store (901 East Holland Avenue) which can be heard on the University campus. Person(s) should monitor the local radio station (KVLF 1240) or the television station for emergency information whenever the sirens are activated on times other than the test dates and times.

Employee's Health & Safety Manual
The Employee’s Health & Safety Manual is maintained by the University Department of Public Safety and is available on the SRSU DPS website or the UDPS office. The manual shows the overview of the University Safety Program, Emergency Preparedness, General Safety Awareness, and Emergency Telephone Numbers. Additional safety information for students, faculty, staff, and visitors can be obtained from the SRSU website.

Keys
Students who work for Sul Ross State University may be issued keys to certain facilities, provided that a completed Key Request form is submitted to the University Department of Public Safety by the respective department head/chair. The student must personally sign for the key at the UDPS office (Briscoe Administration Building Room 100). The student also must personally return the keys to UDPS upon termination of employment or withdrawal from the University.

If a student is to retain their keys at the end of semester an explanation in writing must be received from the respective department head/chair. A student must immediately inform the UDPS office. The student will be financially responsible for all debt incurred to replace locks and keys as a result of the lost key. At no time are keys to be turned in to anyone other than UDPS in BAB100.

Any items lost or found should be reported to the University Department of Public Safety (Briscoe Administration Building Room 100). UDPS keeps a list of recently lost or found items. Lost or found items placed into the UDPS storage facilities and may be returned to the owner upon the proper description of the item reported lost or stolen.

PARKING and TRAFFIC REGULATIONS
The operation of a vehicle on the Sul Ross State University campus is a privilege granted by the institution. Serious or excessive violations of these rules can result in the loss of this privilege as well as disciplinary action.

Sul Ross State University assumes no responsibility for the care or protection of any vehicle or its contents at any time while parked in any campus parking area. Any parked or unattended vehicle may be removed from campus and impounded at the owners’ expense if such vehicle in any way obstructs traffic, blocks parked cars, is abandoned, or creates a hazard to persons or property.

All vehicles driven on Sul Ross State University property must comply with all State of Texas Motor Vehicle Laws and with Sul Ross State University Rules and Regulations.

The University Department of Public Safety develops rules and regulations for parking and traffic safety on the Sul Ross State University campus. Recommendations
are subsequently reviewed by the University Executive Committee, and acted upon by the Board of Regents, Texas State University System.

All revenue collected by the University Department of Public Safety, largely from the sale of parking decals and fines, is used to maintain and improve parking and traffic safety on the University campus, including the paving of lots, the striping and lighting of lots, the posting of information signs for vehicles, pedestrians and drivers, and parking lot security.

Vehicle immobilization boots are used by the University Department of Public Safety for excessive citations, failure to pay fines, and consistent failure to comply with parking regulations.

**Vehicle Registration**

All vehicles operated on campus must be registered with the University Department of Public Safety upon arrival. Every full-time or part-time student, all faculty and staff who uses a motor vehicle on campus must pay a vehicle use fee of $20.00. This fee is valid for the fall, spring and summer sessions if purchased in the fall or spring. A fee of $11.00 is charged for summer sessions only if the person has not registered in preceding semesters. A second and subsequent vehicle may be registered for a fee of $6.00 each.

All vehicles must display a current registration decal that also serves as a parking permit, although possession of a parking permit does not guarantee a parking space.

Parking permits are not transferable. Permits should be removed from vehicles when validity expires or immediately upon change of ownership or disassociation from Sul Ross State University. Failure to do so may cause citations to be charged against the person to whom the decal was issued.

One or more of the following items or additional items of information will be needed when registering a vehicle:

2. Current Sul Ross State University identification card.
3. License plate number (year/make/color of vehicle).
4. Valid driver’s license.
5. Date of Birth/Social Security Number/University “A” number
6. Financial responsibility may be required.

**Permit or Decal Display**

The official Sul Ross State University parking permit (decal) must be displayed on the lower right side of the front windshield (passenger's side). Motorcycles without a windscreen should affix the decal to the front right fork.

Decals are to be permanently applied to the inside glass using the manufacturers adhesive. Decals are not to be applied to the vehicle by such means as use of tape or by partial application. Lost decals will be replaced only after repayment of the vehicle use fee.

In the event a windshield is damaged, present a repair receipt to the University Department of Public Safety and a new permit will be issued free of charge.

If a vehicle is to be operated on campus on a temporary basis, a temporary permit for a maximum of two (2) weeks must be obtained at the University Department of Public Safety office. The temporary permit is free of charge. Permits must correspond with the license plates for which the permit was issued.

Part 36), and shall be provided and made available to students, faculty, staff, and the general public for all university programs, activities, and/or services, and should not be blocked or otherwise made unavailable.

2. If it determined to be necessary to temporarily block or otherwise make unavailable any accessible parking spaces on the SRSU campus an adequate number of alternative accessible parking spaces will be provided in close proximity to the blocked/unavailable accessible parking, which provides comparable accessible parking on the shortest accessible route of travel to an accessible entrance or university program, activity or services.

3. If temporary, alternative accessible parking is provided, it will be accompanied by adequate signage that informs students, faculty/staff, and/or general public of the existence and location of said parking.

4. The use and/or reservation of all SRSU facilities must first receive review and approval/denial by the Director of the SRSU Campus Activities Office, by means of the completion of a Facility Use Request Form. 8. Vehicles shall not be used to tow a rider on roller skates, sled, bicycle, wagon or contrivance.

**Fines and Fees**

Parking Fines must be paid or appealed within ten (10) days from issuance to avoid a late penalty. Total amount of parking fines can be paid at the Cashier’s Office. Subsequent parking violations may result in vehicle impoundment at the owners’ expense and/or vehicle immobilization with a vehicle immobilizer. Failure to pay parking fines will lead to a hold on student records and delays the registration process.

The University reserves the right to impound or have impounded any vehicle that is parked in a manner dangerous to vehicular or pedestrian traffic, or in flagrant violation of University parking regulations. The vehicle owner shall bear all costs involved in such vehicle removal.

1. Administrative Fee: All fines must be paid within ten (10) class days to avoid a $5.00 late payment penalty.

2. Vehicle Use Fee: As required and explained in “Vehicle Registration.”
   a. Yearly decal beginning with fall semester $20.00.
   b. Summer decal, not previously registered $11.00.

Upon receiving the fifth unpaid citation, a letter will be sent to the violator giving the violator ten (10) class days to resolve the citations. If the citations are not paid or if the fifth parking citation is not appealed after ten class days, notification will be mailed to the violator stating the time and date all driving and parking privileges are suspended. To reinstate driving/parking privileges, the violator must contact the University Director of Public Safety or his/her designated representative. Vehicle immobilizers or impoundment will be used by University Department of Public Safety officers for excessive citations (5 or more), failure to pay fines, and/or suspension of driving/parking privileges if the vehicle is located on campus. A vehicle that is impounded will be at owner’s expense and will remain impounded until parking fines, towing and storage, and/or vehicle boot fees have been paid. Payment of parking fines and fees will be required to have the vehicle immobilizer removed.

Citations for violations of campus parking or Transportation Code need not be issued directly to owner/operator of a motor vehicle. Failure to receive a legally issued citation does not relieve the individual of responsibility for any fines resulting from the citation. A student’s transcript will be held for failure to resolve parking citations.

ADVERTISING ALCOHOL BEVERAGES & SALES IN UNIVERSITY PUBLICATIONS POLICY

Since Sul Ross State University is committed to a safe and secure campus and to preparing students for a productive future, the University will strive to provide opportunities for learning and growth in an environment free from the abuse of alcohol and other drugs. As part of our commitment, Sul Ross is a member of The President’s Leadership Group of The Center for College Health and Safety, funded by the Robert Wood Johnson Foundation. The primary goal of this prestigious group is to actively promote successful alcohol and other drug prevention efforts both on campus and in the larger community.

Sul Ross State University will accept advertising for the use and sale of alcoholic beverages when they are not prohibited by other organizations to which the University is subject and only when in the sole judgment of the University these advertisements do not promote excessive consumption but rather positively promote responsibility in the consumption of alcohol by University Community members. Advertisements will not be included in University publications or at University Sponsored events if the advertisements promote excessive consumption through such enticements as “happy hours,” “ladies nights,” “two-for-one promotions,” etc. Further, all advertisements must promote responsibility in the use of alcohol through the advocacy of such activities as “designated drivers,” “responsible consumption,” etc., or the inclusion of educational materials related to alcohol consumption.

This policy covers all university publications such as the student newspaper, The Skyline, athletic programs and events where other guidelines are not more restrictive, signs at events and postings on University bulletin boards and any other media event sponsored by the University or one of its recognized groups or student organizations. USE OF ILLEGAL DRUGS
A student who, by a preponderance of the evidence, under the Rules and Regulations, Texas State University System, is found to have illegally possessed, used, sold or distributed any drug, narcotic, controlled substance, or drug paraphernalia including residue, whether the infraction is found to have occurred on or off campus, shall be subject to discipline, ranging from mandatory, university or college approved counseling to expulsion. Students for whom there is a reasonable suspicion of involvement with drugs or controlled substances will be required to submit to an appropriate drug test. Mitigating or aggravating factors in assessing the proper level of discipline shall include, but not necessarily be limited to, the student’s motive for engaging in the behavior, disciplinary history; effect of the behavior on safety and security of the university or college community; and the likelihood that the behavior will recur. The university will exercise their right as a result of being found guilty of a violation of the drug policy and placed on probation to perform random drug tests on students at any time during the probation. If at any time the student is found to test positive for any illegal drugs, the student will be suspended per the duration above. A student who has been suspended, dismissed, probated, or expelled from the university shall be ineligible to enroll at any other Texas State University System university during the applicable period of discipline. The registrar is authorized to make an appropriate notation on the student’s transcript to accomplish this objective and to remove the notation when the student’s disciplinary record has been cleared. A second infraction for a drug-related offense shall result in permanent expulsion from the University and from all other institutions in The Texas State University System.

CAMPUS VISITORS
Non-members of the University community, who have not been duly invited nor authorized to use University facilities, who repeatedly visit or spend a large portion of their time on the University campus, are not welcome and will be asked to leave. Loitering, by non-members of the University community, in the facilities of the University or on the University campus, substantially interferes with the normal activities of the University.

Non-members of the University community are required, while on the campus, to observe and comply with the rules and regulations adopted by the University and/or Board of Regents. Non-members of the University community are also required, while on the campus, to identify themselves upon the request of a University official or University Police or other law enforcement officer in the performance of his or her duty.

The University campus is not a sanctuary and any person who violates any state law shall not be protected or given any preferred status in the eyes of the law by reason of the fact that the violation occurred on the University campus or by reason of the fact that the violator is a member of the University community.

When it appears to the President, or any University official, including the University Department of Public Safety, who have been authorized and designated by the President to maintain order, that any non-member of the University campus has violated, on the campus, any state or federal law or any University rule or regulation, such person or persons may be ordered by such official or member of the University Police to leave the University campus, and should the University see fit, charges may be filed against such person or persons. The President may make due application to any court for injunction or other judicial relief in regard to the threatened or actual violation of any of the above-mentioned rules and regulations.
COMPUTER UTILIZATION POLICY

The following is a list of rules for all Computer Resource Center, commonly called the Computer Lab. None of the rules is meant to be complicated or restrictive. They are, however, meant to make the Lab available to everyone interested in using the facility.

1. Sul Ross students, faculty, and staff with current Sul Ross IDs may use the Computer Lab during the scheduled Lab hours.
2. Reference material may be checked out from the Lab Consultant on duty. Sul Ross IDs will be left with the Consultant until the reference material is returned.
3. Intentional abuse or misuse of the computer facilities so as to cause damage, program disturbances, or harassment to other persons is not allowed. Computer equipment and accounts are to be used only for the purpose for which they are assigned and are not to be used for commercial purposes.
4. Sul Ross State University enforces all copyright laws. All of the software in the Computer Lab is copyrighted. Therefore, copying software is not permitted. Users may not duplicate any copyrighted software brought into the Computer Lab. If a backup copy is needed, the Lab Consultants will assist in the procedure.
5. All of the preceding rules also apply to users accessing the Computer Lab remotely.

Violation of these policies will be dealt with in the same manner as violations of other University policies and may result in disciplinary review by the Dean of Student Life. In such a review, the full range of disciplinary sanctions is available including the loss of computing privileges, dismissal from the University, and legal action. Violations of some of the above policies may constitute a criminal offense.

A Note About Online Safety: In an effort to ensure that you are protected against identity theft, harassment, stalking, and other dangerous or annoying criminal activity, the University asks you to think twice before posting any personal information on a social network site such as Facebook or any other social network. Extreme caution should be exercised before sharing details of your private life, including pictures, phone numbers, birthdates, and home addresses. While these venues are great connections to your friends and classmates, they are also commonly accessed by sexual predators. Use common sense if posting information on these types of sites and don’t open yourself to victimization. Realize that, once entered, your personal information becomes public property, and there is no way to tell who has viewed your file.

DEFINITIONS

A student is one who is currently enrolled at Sul Ross State University. These policies and regulations will also apply to any prospective or former students who have been accepted for admission or readmission to Sul Ross State University while such individual is on the campus of the University.

The “campus” of Sul Ross State University is defined as all real property owned and/or controlled by the University.

DEMONSTRATIONS, PUBLICATIONS, POSTERS

Reasonable and nondiscriminatory rules and regulations as to time, place, and manner have been promulgated by the President of the University or a designee to authorize student, faculty, staff, and their registered organizations to petition, distribute publications, post signs, set up booths, and/or peacefully demonstrate on the
University campus. Such regulations prohibit any activity that would interfere with academic or institutional programs.

1. No group or person, whether or not a student or employee, shall publicly display, distribute, or disseminate on the University campus any petition, handbill, or piece of literature, work, or material that is obscene, vulgar, or libelous, or that advocates the deliberate violation of any federal, state, or local law. Literature may not be distributed where the manner or form of said distribution constitutes disorderly conduct, disrupts classroom discussion, impedes the maintenance of public order, or constitutes a danger to the person distributing or disseminating the material or to any group or individual.

2. For the purposes of Use of University Facilities, advocacy means addressing the group for imminent action and steeling, bolstering, or bracing it to such action as opposed to the abstract espousal of the moral propriety of a course of action.

3. Any group or person, whether or not a student or employee, demonstrating on campus shall adhere to the provisions of Education Code, VII, Section 3.40, as cited in Assembly on University Grounds.

Posting Regulations

All posters, flyers, announcements, etc., must be approved and dated by the Campus Activities Office prior to posting. Items being posted on bulletin boards may not be larger than 11” x 17”. Banners or signs for hanging off the UC balcony may not be larger than 4’ x 4’ and must not cover air vents when hung. All posters, flyers, announcements, etc., must include the organization sponsoring the event and a contact number for the organization. Items may be posted for a maximum of two weeks and must be removed the day after the event.

Posters, flyers, announcements, etc., are to be posted on bulletin boards. Use of departmental bulletin boards is permitted only with the permission of the office to which it is assigned. Such bulletin boards will display a statement indicating the proper office to contact for permission to post items. Bulletin boards that do not bear a statement of assignment are available for general posting.

Posters, flyers, announcements, etc., are not to be posted on glass, brick, sheet rock, handrails, or other areas that may cause damage to property or cause a safety hazard. Distribution of flyers, leaflets or other printed material on automobiles in parking lots is strictly prohibited.

Any organization or individual failing to comply with this policy may lose the privilege to use University facilities, in addition to other disciplinary action. Items associated with off-campus entities may be posted at the discretion of the Campus Activities Director. Off-campus entities must also follow the above posting policies.

DRESS ON CAMPUS

The University assumes that the Sul Ross State University student is a mature person, aware of common standards of decency in the determination of acceptable wearing apparel. The student’s mode of dress is considered to be a matter of personal taste as long as common standards of decency imply recognition of the social obligation to the University community and the responsibility to dress in a manner that will not detract from the academic atmosphere of the library, classrooms, and other facilities.
DRUG PREVENTION PROGRAM

In accordance with the Drug Free Schools and Campuses Drug Prevention Program Certification, Sul Ross State University has adopted and implemented a program to prevent the unlawful possession, use, distribution or dispensing of illicit drugs and alcohol by its students and employees on school premises or as part of any of its activities. Sul Ross State University recognizes the importance of information about drug and alcohol abuse. Therefore provided here for the benefit of each student and employee are standards of conduct, and legal and disciplinary sanctions for unlawful possession or distribution of illicit drugs and alcohol abuse. Listings of area resources for drug/alcohol counseling, rehabilitation and re-entry are available in the office of Student Life (UC 211), the Human Resources office (BAB 110), the Library and various self-serve racks across campus.

A biennial review of this program will be conducted by Sul Ross State University to determine its effectiveness, to implement changes to the program if they are needed and to ensure that its disciplinary sanctions are consistently enforced.

Disciplinary Sanctions

Students

All students are expected and required to obey the law, to comply with the Rules and Regulations of the Texas State University System and Sul Ross State University and with directives issued by an administrative official in the course of his or her authorized duties. Students are expected also to observe standards of conduct appropriate for an academic institution.

Students who engage in conduct that is prohibited by the Texas State University System or Sul Ross State University Rules and Regulations or by federal, state or local law is subject to discipline; whether such conduct takes place on or off campus or whether civil or criminal penalties are also imposed for such conduct.

Illegal possession, use, sale or distribution of any drug, narcotic or controlled substance, on or off campus, will lead to disciplinary action. If a student is found guilty of a drug-related offense he or she is subject to discipline, ranging from mandatory, university or college approved counseling to expulsion. A second finding of guilt will result in permanent expulsion from the University and from all other institutions in the Texas State University System.

Employees

The unlawful use, possession, dispensing or distribution of drugs or alcohol will result in a disciplinary penalty of disciplinary probation, demotion, suspension without pay, or termination, depending on the circumstances.

Health Risks

Negative consequences may be exhibited through:

- Physical dependence (the body's learned requirement of a drug for functioning).
- Abuse of any drug or alcohol whether licit or illicit may result in marginal to mark and temporary to permanent physical and/or psychological damage, even death. Since many of the illicit drugs are manufactured and sold illegally, their content varies and may contain especially harmful ingredients or amounts.
- Psychological dependence (the experiencing of persistent craving for the drug and/or a feeling that the drug or alcohol is a requirement for functioning).

Regardless of the type of drug or alcohol utilized, a perceived need for the continued use is likely to ensue, resulting in dependence.
Dependence on drugs and/or alcohol alters the user's psychological functioning. The acquisition of drugs and alcohol becomes the primary focus of the drug dependent individual and often results in reduced job performance, and jeopardized family and other interpersonal relationships. Criminal behavior is frequently the means for financing a drug habit. Behavior patterns often include violence and assault, as the individual becomes increasingly drug/alcohol dependent. Social and psychological alienation and medical problems increase as the abuser becomes entrapped in drug/alcohol dependence.

Drug and alcohol abuse counseling and referral are available through the Counseling Center (CAC) office located in Ferguson Hall Room 112. Additional information, both on the effects of specific drugs and alcohol and drug counseling resources in the Alpine and Midland/Odessa areas, is also available through this office.

Legal Sanctions
Students and employees found in violation of any local, state or federal law regarding the use, possession or distribution of alcohol or other drugs (as defined by the Texas Health and Safety Code, Subtitle C. Substance Abuse Regulations and Crimes) will receive the full legal penalty in addition to any appropriate University disciplinary action as stated in this publication. The most common legal violations and their consequences are listed below.

**Admission to University Activities**

Sul Ross State University students, faculty and staff may use their ID cards as admittance to University events. University students who are currently registered pay a student activity fee based on the number of semester credit hours for which they are registered. The student ID card that is issued upon registration is all that is required for admission to University activities.

Family activity cards that admit spouses and children to events are available from the Controller’s Office located in BAB 204. Family cards are available to students, faculty and staff at no cost.

Any of these activity cards will provide the holder with admission to all athletic contests, University sponsored concerts, theater productions, Sully Productions/Student Programming Board activities, and a variety of other University functions and activities. The Sully Productions/Student Programming Board does have the authority on special occasions to charge admission to special functions. In this case, the activity cards would not allow the holder free admission to the activity, but would provide a reduced admission rate from that charged the general public. In addition, those activities which are sponsored by University student organizations with a fund-raising goal, may also subject the cardholder to pay an additional admission fee.

**Rental Rate Categories**

- a. A copy of the fee schedule is available in the Campus Activities Office. Additional fees such as technical, security, arena grooming, and other personnel may apply.

Events scheduled by University groups that jointly sponsor with a non-University group (non-profit or for profit) are subject to standard room rental charges for the category of the non-University group and are to be paid for by the University group. USE of KOKERNOT LODGE
Kokernot Lodge is a facility owned by Sul Ross State University. It is available only by reservation and in accord with procedures established in the policy statement. The purpose of this administrative policy is to establish procedures and guidelines applying to the use of Kokernot Lodge. These guidelines are in addition to the Facility Use Policy explained earlier in this handbook.

General Guidelines
1. Reservations. Groups wishing to use Kokernot Lodge should submit their reservation forms to the Campus Activities office, Morgan University Center Building Room 108, no later than five (5) full working days in advance of the use date. Confirmation of the availability of the Lodge can be made by telephone at 837-8191, anytime in advance. All special cases will be handled on an individual basis.
2. Safety Standards. The fire laws set (70) seventy for seated and eighty-five (85) for casual activities as the maximum capacity for Kokernot Lodge. It is the responsibility of the sponsoring organization to see that this is not exceeded.
3. Keys. The key to the lodge may be picked up in the Campus Activities Office the evening prior to the activity, the day of the activity or on Friday before the event (if it is being used on a weekend). The visiting group is responsible for securing the front and kitchen doors when leaving the lodge. The keys are to be returned on the first working day following the event. In the case that a key is lost, the visiting group will be charged for changing the locks on the Lodge, as well as for the cost of having new keys cut for the Lodge.
4. Access to the Lodge. All fences, gates, etc., around the Lodge are to be respected. There will be NO driving on the lawn around the Lodge.
5. Cleanup. It will be necessary for groups using the Lodge to clean up after their activity. Tables, chairs, kitchen sink, and counters, and the bar are all to be left
clean. All tables, chairs and other furniture are to be left in their original positions. Floors should be swept, and trash emptied from all containers (including those in the rest rooms) into the dumpster in the parking lot. Brooms, dust pans, etc., can be found in the storage room. All lights and ceiling fans are to be turned off. The grounds of the Lodge should be completely cleaned up. Unless special arrangements are made in advance with the Campus Activities, the Lodge and grounds must be cleaned before the visiting group leaves. Failure to clean the Lodge or grounds will result in a cleanup charge to the organization.

Equipment Use at Kokernot Lodge

1. Tables and Chairs. Tables and chairs are kept set up at the Lodge. Extra tables and chairs are in the storage room, and the visiting groups will have access to them. Any additional tables and/or chairs used are to be returned to the storage room and arranged in a neat and orderly manner so that there is easy access to either tables or chairs. The permanent tables and chairs are to be returned to their original positions.

2. The tables and chairs kept at Kokernot Lodge are NOT to be taken outside the building. If tables and chairs are needed outside, they must be checked out through the Physical Plant.

3. To reserve tables and chairs, arrangements must be made at least five (5) full working days in advance of the date of planned use.

4. Audiovisual Equipment. Due to the limited access of the Lodge, the only audiovisual equipment which will be checked out for use there must be portable enough to be carried by one person. The final decision as to what equipment can or cannot be checked out for use at Kokernot Lodge will be left to the Chief Information Officer.

Abuse of Use Privilege
Violations of the above rules for the use of Kokernot Lodge may result in the loss of the privilege of using it.

12. The advisors and officers of the sponsoring groups are responsible for the enforcement of the policy and controlling the amount of alcohol consumed to ensure an orderly crowd.

13. This policy applies only to Kokernot Lodge and does not in any way affect the alcohol policies already in effect for the remainder of the campus.

14. areas, alcohol signs, or other displays visible from outside your room or apartment.

8. Intoxicated individuals will be subject to disciplinary and/or legal sanctions under this policy. University staff will determine whether a person is under the influence of a controlled substance to the point of endangering themselves or others based on the behavior of the person at the time of the incident. University staff will not accept responsibility for intoxicated individuals in University housing.

President's Home
The President's home is regarded as a private residence, and the consumption and/or possession of alcoholic beverages on the premises of the home and the grounds defined as constituting a part of the President's home are governed by the same rules and regulations as apply to the consumption and/or possession of alcoholic beverages in any private residence or on private non-University related property.

FINANCIAL AID and SATISFACTORY ACADEMIC PROGRESS POLICY
Effective Date: Summer 2013

Lawrence Hall 100, Box C-2
Email: fa@sulross.edu

Federal regulations require Sul Ross State University to establish and apply reasonable standards of satisfactory progress for the purpose of receiving financial aid under the programs authorized by Title IV of the Higher Education Act. The Office of Financial Aid has oversight of student financial aid programs intended to help students achieve access to higher education and accomplish academic goals. Each aid recipient must maintain satisfactory academic progress in a course of study leading toward a degree or certificate. Financial Aid Satisfactory Academic Progress (SAP) is measured after each long semester.

Undergraduate Students

GPA
All undergraduate students:
- Must maintain a cumulative grade point average (GPA) of 2.0 to remain in good standing.
- Will be placed on Financial Aid Warning if their cumulative GPA falls below 2.0. Students on Financial Aid Warning are eligible to receive financial assistance but are cautioned to strive to improve their academic standing.
- The grade for a course is not calculated in the grade point average if the course is repeated and a passing grade is received. For repeated courses the final grade will be counted and all hours attempted, including repeated courses, will count toward the time limit below.

Undergraduate students on Financial Aid Warning will be placed on Financial Aid Suspension if they fail to achieve a cumulative GPA of 2.0 at the end of their semester of warning.

Completion
In addition to maintaining the overall GPA requirement, students must make reasonable progress toward their degree or certificate. All undergraduate students:
- Must successfully complete at least 67% of all hours attempted. Grades of F, W, PR, and I are not considered as satisfactory completion, but do count as attempted hours.
- Will be placed on Financial Aid Warning if their overall percentage of completion rate falls below 67%.
Undergraduate students on Financial Aid Warning will be placed on Financial Aid Suspension if they fail to achieve an overall completion rate of 67% at the end of their semester warning.

**Time Limits**
All undergraduate students are expected to complete their program of study within the following time frames:

Graduate students on Financial Aid Warning will be placed on Financial Aid Suspension if they fail to achieve a semester GPA of 3.0 at the end of their semester of warning.

**Completion**
In addition to maintaining the overall GPA requirement, students must make reasonable progress toward their degree or certificate. All graduate students:
- Must successfully complete at least 67% of all hours attempted. Grades of F, W, PR, and I are not considered as satisfactory completion.

Graduate students on Financial Aid Warning will be placed on Financial Aid Suspension if they fail to achieve an overall completion rate of 67% at the end of their semester of warning.

**Time Limits**
All graduate students are expected to complete their program of study within 54 hours attempted, after which they will no longer be eligible for financial aid.

**Financial Aid Suspension**
Financial Aid Warning is limited to one semester. A student who fails to meet the overall standards while on Financial Aid Warning will be placed on Financial Aid Suspension.
Appeal of Financial Aid Suspension

Students with special circumstances may appeal their Financial Aid Suspension in writing to the Financial Aid Appeals Committee. Forms are available in the Financial Aid Office. The Financial Aid Office may also be contacted for information on appeals filing deadlines. The decision of the Financial Aid Appeal Committee will be final. Appeals may be made based on:

- A death in the immediate family
- Serious injury or illness of the student or a member of the immediate family
- Improvement sufficient to meet required standards in hours and/or GPA while attending a subsequent semester at student’s own expense
- Special circumstances to be reviewed on a case-by-case basis. (Students on Financial Aid Suspension who have not attended college for at least one calendar year may appeal based on change of circumstances.)

A student whose appeal is granted will be reinstated on Financial Aid Probation and may receive financial aid for only one upcoming semester/term. A student on Financial Aid Probation must complete the probationary period with at least a 2.0 GPA (3.0 for Graduate) and complete 67% of all their coursework.

A student on Financial Aid Suspension whose appeal is denied may attend SRSU at his/her own expense, if eligible.

Financial Aid may be reinstated under the following conditions:

- The required cumulative GPA is attained; and
- An overall completion rate of 67% of hours attempted is achieved.

TEXAS PUBLIC EDUCATION GRANTS AND LOANS

Pursuant to Education Code, Chapter 56, the following guidelines approved by the Coordinating Board shall be utilized for awarding Texas Public Educational Grants, Emergency Tuition and Fees Loans, and Toward Excellence, Access, & Success (TEXAS) Grants by the universities in the Texas State University System.

In order to provide a program to supply grants and loans to students attending the colleges/universities under the governance of the Board of Regents, Texas State University System, each college/university shall set aside for the 1992-93 and subsequent academic years, not less than 15 percent nor more than 20 percent out of each resident and three percent out of each non-resident student’s tuition charge under Section 54.051 as provided by the General Appropriations Act for the applicable academic year. Of the funds set aside pursuant to this section, not more than 90 percent shall be used for Texas Public Education Grants and not more than 10 percent shall be used for emergency loans to students.

Criteria for Awarding Grants

1. Enrollment. Grants are to be made only to students who actually enroll in the term or terms for which the grant is awarded.
2. Need. Grants shall be based upon financial need of the applicant and may be used to aid students who may have demonstrable financial need but are ineligible for other aid programs.
3. Needs Analysis Procedures. Financial needs of students are to be determined by use of the application for student financial assistance. Although the University, in its discretion, may consider factors not covered by the “needs
based” financial assistance programs. In such case, the University must state in writing the reasons for its decision.

4. Separation of Funds. Funds set aside from resident student tuition charges may be used only for grants to resident students. Funds set aside from nonresident student tuition charges may be used only for grants to nonresident students. After the end of the sixth class week of each semester, the University may transfer any excess funds set aside from tuition paid by resident or nonresident students to the fund set aside for grants awarded to the other class of students. Priority for awarding grants from any excess funds set aside from tuition paid by resident students shall be given to resident students.

5. Transfer of Funds. Any or all of the funds set aside for making Texas Public Education Grants may be transferred to the Coordinating Board, to be used for matching federal or other grant funds for awarding to students at the University provided such amounts can be equally matched by funds held by the Coordinating Board and further provided unencumbered funds transferred are returned upon request of the University president.

6. Full Use of Funds. At the end of a fiscal year, if the total amount of unencumbered funds that have been set aside under this program by a University, together with the total amount of unencumbered funds transferred by the University to the Coordinating Board, Texas College and University System, exceeds 150 percent of the amount of funds set aside by the University in the fiscal year, the University shall transfer the excess amount to the Coordinating Board for the purpose of awarding scholarships as provided by law to students at other universities.

7. Scholastic or Disciplinary Probation. Returning students who are not maintaining satisfactory academic progress and all students on disciplinary probation may be ineligible for grants.

Criteria for Awarding Institutional Loans

1. Eligibility. Loans are to be made only to students accepted for enrollment as a regularly admitted student and/or enrolled in good standing and maintaining satisfactory progress in a program leading toward a degree. Students paying tuition on a basis other than semester credit hours have the same eligibility criteria and loan terms as students paying tuition on the basis of semester credit hour loans. Students in default on other student loans are ineligible.

2. Need. Borrowers must evidence a need for the loan by submitting a loan application stating the purpose and amount of the loan requested, and the method of repayment.

3. Emergency Loans. Eligible student borrowers shall be assisted in obtaining emergency loans based on the order in which their applications are received.

4. Maximum Loan Amount. The maximum loan amount per student for each semester shall not exceed the tuition, fees, and room and board charges assessed for the semester in which the student is enrolling. The University may deduct the students’ unpaid indebtedness, penalties, and late charges from the loan proceeds and apply them to this indebtedness.

5. Promissory Note. Each loan must be evidenced by a promissory note, which must be executed prior to the disbursement of funds. The University may require a borrower to secure a cosigner who evidences ability and willingness to repay in the event the borrower defaults.

6. Interest. The University may charge interest on these loans at an annual rate not to exceed five percent. In lieu of an interest bearing promissory note, the University may collect a loan origination fee for each loan, with such origination fee not to exceed an amount equal to the maximum amount of interest that could be charged for the loan. Appropriate truth-in-lending statements shall be executed.
7. Repayment. Except as provided in the two following sections, borrowers will have a maximum repayment period of 90 days from the date of execution of the promissory note. The repayment schedule should allow for three equal installments within the 90-day period or a term note payable 90 days from the date the promissory note was executed. The length of the borrower's enrollment will determine repayment of loans for summer sessions proportionately.

8. Deferred Repayment. A resident of Texas for tuition purposes, upon a finding by the University that such individual would be deprived of an education due to a lack of financial ability may defer repayment of the loan as allowed by law and in accordance with guidelines adopted by the Texas Higher Education Coordinating Board.

9. Forgiveness of Loans. The University will forgive loans in accordance with guidelines adopted by the Texas High Education Coordinating Board for the determination of extreme financial hardship and other instances in which the public interest is served if a loan is forgiven.

MEDICAL AMNESTY POLICY
The Student Life office recognizes that the potential for disciplinary action may act as a barrier to students seeking medical assistance for them self or other students in alcohol or other drug-related emergencies; therefore, Sul Ross State University maintains a medical amnesty protocol. In these incidents, the primary concern is the well-being, health and safety of students.

Students needing medical assistance during an alcohol or other drug-related emergency will not face formal disciplinary action by the Student Life office for the mere possession or use of alcohol or drugs. The recipients of medical attention will avoid formal discipline action if they participate in a referral with the Dean Student Life within 5 days of the incident and comply with any recommendations made by the Dean. Additionally, the student(s) or a student organization seeking medical assistance for another person during an alcohol or other drug-related emergency will not face formal disciplinary action by the Student Life Office for the mere possession or use of alcohol or drugs. In order to acquire medical amnesty, these individuals or representatives from organizations may need to meet with the Dean of Student Life within 5 days of the incident and comply with any recommendations made by the Dean of Student Life.

Medical amnesty applies only to alcohol or other drug-related medical emergencies but does not apply to other prohibited conduct such as assault, property damage or distribution of illicit substances. In cases where an individual or organization fails to seek emergency medical assistance when it is clearly indicated, formal disciplinary action will be taken against the individual(s) or organization.

What does medical amnesty mean?
Medical amnesty is meant to ensure and protect the health and well-being of undergraduate students by allowing them to receive necessary medical attention in an alcohol or drug-related emergency without having formal disciplinary action on file. They will however, participate in counseling and alcohol and/or drug education programs.

In order to qualify for medical amnesty, the student must obtain medical attention at the time of the incident and must meet with the Dean of Student Life within 5 days of the incident and agree to comply with the conditions set forth by the Dean. If these
conditions are met, there will be no discipline case and the incident will become part of the student’s permanent record.

If the student does not follow these stipulations, she or he does not qualify for medical amnesty and is subject to the discipline process as provided by the Student Code of Conduct in the SRSU Student Handbook.

It is the expectation of the University that a student use the medical amnesty policy once; it is an opportunity for a student to learn from a mistake and avoid such mistakes in the future. Therefore, after the first incident, the availability of medical amnesty to the student is at the discretion of the Student Life office.

Medical amnesty may also apply to any student(s) or student organization(s) that help a student in need to receive medical attention. This will allow students who may also have been drinking to care for their friends without worry of facing a potential discipline process for themselves. Students and organizations that assist those in need may also have to meet certain conditions for medical amnesty, but they will not be charged under the Student Code of Conduct.

Students and organizations that help others seek medical assistance are not limited to one use of the medical amnesty policy, as they should always feel empowered to help those in need.

MISSING PERSON POLICY

Policy #808:
Sul Ross State University Department of Public Safety exercises diligent care in the conduct of missing person inquiries and investigations

Discussions:
The effectiveness of statewide or National Crime Information Center (NCIC) communication networks depend on accurate and prompt entry data from local agencies that use these resources. This is especially important in missing person’s cases. To ensure system effectiveness, it is also important to cancel entries when the missing person is located or assistance is no longer required.

Telecommunications operators making entries use their best efforts to place accurate and complete information into the system without unreasonable delays.

Definitions:
• **AMBER Alert** - Program is a voluntary partnership between law-enforcement agencies, broadcasters, transportation agencies, and the wireless industry, to activate an urgent bulletin in the most serious child-abduction cases. The goal of an AMBER Alert is to instantly galvanize the entire community to assist in the search for and the safe recovery of the child. Requirements for activation vary by state.
• **SILVER Alert** – Similar to the AMBER Alert; however, is used for seniors with Alzheimer’s disease, dementia or other mental disabilities – in order to aid

INVESTIGATION FORM
DELETION FORM
Procedures General Guidelines – Missing Persons:
The following guidelines apply to missing person’s cases:

1. Officers receiving missing person’s reports collect and evaluate information (pictures, descriptions, last seen data, and likely places to frequent, etc.) and investigate possible leads provided by the reporting person.

2. In situations involving missing juveniles, the investigating officer should take immediate action to confirm that the youth is missing (i.e. search of the residence, check schools, friend’s homes, local stores, parks, etc).

3. An entry/deletion form is completed to establish that missing persons are entered into the statewide or National Crime Information Center systems and subsequently deleted once located.

Missing Persons – Receiving a Telephone Call:
Officers receiving a missing person notification utilize the following procedures:

1. Interview the reporting person and evaluate the information received.
   a. If the information fits the following criteria (one or a combination of items may surface in the discretion of the officer) for a mission person, complete an initial missing person’s report. The criteria is:
      i. Person has not followed an established routine;
      ii. Person has not been heard from or seen in the last 24 hours;
      iii. Person left a child unattended or themselves is a juvenile;
      iv. Person has been despondent, depressed, or under stress recently;
      v. Person is physical or mentally disabled or has some form of dementia (senility, Alzheimer’s, etc.);
      vi. Reporting person is reasonably justified to suspect foul play; and
      vii. Other similar issues.
   b. If the information does not fit the criteria for a missing person, offer referrals to the person reporting the incident. If in doubt, always make a report.

2. Investigations and reports should include detailed information concerning last known location, associates, habits, locations frequented, clothing descriptions, etc. Investigating officers should determine the circumstances leading up to the disappearance and obtain a recent photograph of the missing person, if available.

3. Submit the initial report and completed statewide or National Crime Information center entry/deletion form to the appropriate official for review.

4. After review and approval, the reviewing authority forwards the report and the entry/deletion form to a certified statewide or National Crime Information Center operator or the Communications Center.

5. Operator receiving these documents enters the information into the system. A copy of the entry printout is attached to te other documents submitted.

6. Operator making the entry submits all the stated documents to the proper investigative authority for further follow up investigation.
Missing Persons Entries:
A missing person record may be entered into the statewide or NCIC for a person of any age for the following reasons:
1. Missing person is under proven physical/mental disability or dementia, thereby possibly subjecting self or others to personal and immediate danger.
2. Circumstances surrounding the missing person indicate a non-voluntary abduction or kidnapping.
3. Report regarding the missing person is declared un-emancipated.
4. Person is reported missing after a disaster.

Proper Documentation:
When a person is declared missing, proper documentation verifying that fact is established. Examples of acceptable documentation are:
1. Missing person’s report, prepared as a result of investigation by a law enforcement officer.
2. Written statement from a physician or other authoritative source, which verifies a missing person’s physical/mental disability.
3. Written statement from a parent, guardian, next of kin, or other authoritative source advising that the missing person is in danger or that their disappearance was not voluntary.

Missing Persons – Deletions
When a missing person is located or information received requiring a state or National Crime Information Center deletion, the following procedures are followed:
1. Officer locating the missing person or developing information that requires a deletion is responsible for completing the deletion process.
2. Reporting person or the family of the missing person is contacted and informed of the information obtained.
3. Officer locates the initial report and complete the state or National Crime Information Center deletion form attached to the report. If the initial report is unavailable, the officer prepares a separate deletion form.
4. Officer submits the deletion form to a certified state or National Crime Information Center operator for deletion from the system.
5. Communications operator receiving notification that the missing person has been located or that the investigating officer wants to clear or cancel the person, follows state or National Crime Information Center guidelines and clear the entry from the system.
6. Once the entry has been deleted, the operator attaches a deletion print out to the submitted documents to be returned to the officer assigned to the investigation.
7. The assigned investigative officer signs the deletion form after reviewing the case circumstances and submits the form to the appropriate supervisor who also signs the deletion form. The officer completes a supplemental report detailing the information received that led to the deletion.
8. Once the missing person report is cleared, it is filed, along with all other documents, in accordance with Sul Ross State University Department of Public Safety policy on records.
Wilderness searches:
When circumstances indicate that the missing person may be “lost,” or located in a remote area and is injured or disoriented, the primary investigator, with approval of the Public Safety Director, may initiate a search effort. The agency serves as the lead agency in the search, and asks for support from other law enforcement agencies, fire, AMS and perhaps volunteer agencies as needed, depending upon the size of the search area and difficulty of terrain.

The Public Safety Lieutenant or his/her designee serves as the incident commander (IC) and operations are coordinated under the Incident Command System. The Incident Commander (IC) should be capable of:

1. Establishing objectives;
2. Establishing priorities;
3. Developing search strategies, objectives, and tactics;
4. Delegating responsibilities &
5. Communicating effectively.

The keys to successful wilderness searches are limiting the search area and then looking for clues to the subjects’ location. The Incident Commander (IC):

1. Considers intelligence from the initial investigation and attempt to determine the last known position of the search subject(s);
2. Assigns a number of patrols to monitor the outside perimeter of the search area. (Many search subjects have been located when they walk to a road or trail);
3. Assigns an investigator to check other locations where the subject(s) may be such as at home, at the home of acquaintances, bars, taverns, etc.;
4. Protects any clues or evidence, including scent trails, at the Last Known Position (LKP) from disturbance or contamination;
5. Assigns a small number of experienced/skilled persons9hasty team) to search the immediate area surrounding the LKP to look for evidence that may indicate direction of travel;
6. Requests a trained canine with handler to attempt to track and locate the subject;
7. Requests air reconnaissance assistance from law enforcement or civil aviation authorities;
8. Assigns an officer or qualified civilian to remain with the family or friends of the missing subject in order to communicate search efforts and to continued gathering information that may be clues to the subject’s location; &
9. Does not allow a large number of individuals to conduct a “grid search” until other, more effective search techniques have been exhausted. receiving missing person’s reports collect and evaluate information

STUDENT DEATH RESPONSE & REPORTING PROCEDURES

I. Purpose and Scope:
The death of a Sul Ross State University student is a tragic event for the family and friends of the deceased as well as a special loss for the general SRSU Community. When the death of a SRSU student occurs, whether on or off campus, it is incumbent upon SRSU officials and administrative offices to provide timely, caring, and professional assistance to the family and/or survivors of the deceased as well as provide support for those grieving in the SRSU Community.

A student death may require a range of actions from a variety of responders including SRSU Department of Public Safety officers, medical professionals, Dean of Students Office staff, Residential Life and Housing staff, and other pertinent SRSU officials and/or administrative offices. The specific types of actions provided by these responders will depend on whether the student death was the result of an accident, natural causes, a suspected suicide, a suspected homicide, or another type of emergency situation. Therefore, the purpose of this policy is to set forth the notifications that should occur immediately following the discovery of a student death, identify the general type of responses expected, but not prescribe the specific actions of those responding to the death.

II. Policy Statement:
The purpose of this policy is to establish a framework which supports a humane and caring response, identify a procedure which will ensure that proper notifications are made to the appropriate University administrative offices, and establish Dean of Students Office as the administrative office that is responsible for coordinating the University response and support in the case of a student death.

**SEXUAL ASSAULT/RAPE PROCEDURES**

We desire to have a community where there is trust and mutual respect. However, sometimes men and women engage in acts which betray this trust and respect. The Counseling and Accessibility Services offers programs on the awareness and prevention of sexual assault, and the promotion of healthy relationships.

Texas law defines sexual assault as: Penetration with any object by a man or woman against a man or woman without consent. Consent implies the specific communication of yes. Silence does not indicate consent. Consent is not based on what the subject is wearing, not based on reputation, but must be freely given. There are three categories of people who cannot give consent:

1. Children (Texas Penal Code defines a child as a person under 17 years of age who, for purposes of the sexual assault statute is not the spouse of the actor),
2. Persons under the influence of alcohol or other drugs (impaired, intoxicated, incapacitated), and
3. Persons who are mentally incapacitated. If consent is obtained by force, this invalidates the consent. Force includes threats, intimidation, emotional pressure and coercion.
Immediately following a sexual assault:

- **Go to a safe place.**
- **Call someone you trust.** You should not be alone.
- **Do not clean up.** It may be difficult to keep from cleaning yourself up, but if you do, you may destroy evidence that could be useful should you decide to report the assault to the police. Don’t wash up, douche, change clothes, eat, brush your teeth, go to the bathroom, or brush your hair. If you have already changed clothes, place them in a **paper** bag to preserve them for evidence. Even if you are not sure about reporting the assault, it makes sense to preserve the option of reporting until you make a final decision.

Within 24 hours of a sexual assault:

- **Secure medical consultation** regardless of your intent to report the assault.
  1. Medical staff can evaluate any injuries you may have suffered, screen for sexually transmitted diseases and pregnancy, and prescribe “morning after” emergency contraception. Such contraception can be used up to 72 hours after intercourse.
  2. Strongly consider securing your medical consultation from an S.A.N.E. (Sexual Assault Nurse Examiner) nurse.
  3. Consult with someone who can help you review your options for reporting a sexual assault.

In the days following a sexual assault:

- **Consult with a counselor.** Many survivors of sexual assault experience troubling emotions in the wake of the assault. Sometimes these emotions occur immediately after the assault and sometimes they occur later. It isn’t uncommon for survivors to experience shock, anger, helplessness, self-blame, shame, problems with eating and sleeping, difficulty concentrating, mood swings, irritability, denial and fear.

The administration of student discipline at Sul Ross:

- The Dean of Student Life shall have primary authority and responsibility.
- Focus is usually, but not always, upon behavior which occurs on campus property.
- Procedurally very different from a criminal proceeding.
- Disciplinary procedures and behavioral regulations are listed in this supplement under Student Conduct and Discipline.

Federal, state and local laws also apply to campus property.

Students can be subject to disciplinary action by the University and criminal proceedings by federal, state or local law enforcement agencies for the same offense.
- Any student who violates a University regulation or a federal, state or local law is subject to disciplinary action, including expulsion, notwithstanding any action taken by civil authorities on account of the violation.
The University shall notify students that:

• The institution will make changes in a victim's academic and living situation if reasonably possible.
• The University shall keep reports of sexual assault/rape and terms of their resolution confidential, to the fullest extent allowed by law.

Persons with knowledge of sexual assaults (whether as survivors or third party) should contact any of the resources below:

• University Department of Public Safety (432) 837-8100
• Counseling and Accessibilities (432) 837-8203
• Student Health Services (432) 837-8102

SEXUAL HARASSMENT OF STUDENTS POLICY

Sexual harassment, as in harassment on the basis of color, race, religion or national origin, is a violation of Title VII of the Civil Rights Act of 1964. All students, faculty and staff of Sul Ross State University are expected to refrain from any act that would constitute sexual harassment. Sexual harassment is a form of sexual discrimination and will be treated as such by the University. “Sexual harassment” is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or academic career.
2. Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions affecting the individual.
3. Such conduct has the purpose or effect of unreasonably interfering with an individual’s performance or creating an intimidating, hostile, or offensive employment or academic environment.
4. Some conduct containing sexual overtones may not rise to a level of sexual harassment. If these sorts of actions create an uncomfortable learning or living environment for students, there are other ways to address the problem. If this sort of offensive behavior should occur, and personal efforts to deal with the issue do not work, then the student should contact the Residence Life staff, if a resident, or the Dean of Student Life Office for help.

If you experience what you perceive to be sexual harassment you should, if possible, communicate to the offender that the behavior is unwelcome and must cease immediately. If this action fails or is deemed inappropriate, the offensive behavior should be reported to the Dean of Student Life. All such complaints will be reviewed and an attempt will be made to find an informal resolution. If an informal resolution cannot be achieved, you may file a formal grievance as included in Chapter 4, Section 4.07 of the Administrative Policy Manual, which is available in the Office of Student Life, the Library and department offices. The Dean of Student Life can help you file the grievance. To the fullest extent practicable, the University shall keep complaints of sexual harassment and the terms of their resolution confidential.

**SPEECH and ASSEMBLY**

**Definition**

Freedom of inquiry and discussion is basic and essential to intellectual development. However, these freedoms must be exercised in a manner that does not illegally derogate the rights of others or interfere with the academic programs and administrative processes of the University. The grounds of Sul Ross State University campuses are limited public forums, subject to such reasonable time, place, and manner restrictions, as the University president may impose for, see “Section: Time, Place and Manner Restrictions” and “Section: Clear and Present Danger” under the (Texas State University System).

**Off-Campus Speakers in University Facilities**

The freedoms of speech and assembly guaranteed by the First and Fourteenth Amendments to the United States Constitution shall be enjoyed by the students, faculty, and staff of the University with respect to the opportunity to hear off-campus or outside speakers.

If a registered campus organization is sponsoring a campus speaker, it has the responsibility of making clear the fact that the organization, not the University, is extending the invitation to speak and that any views the speaker may express are his or her own and not necessarily those of the System or of the University.

Students, faculty, staff and registered organizations campaigning for public office on behalf of candidates for public office must abide by provisions of this section.

Speakers to be paid from state funds to speak on the University campus shall speak in a facility that is open to the public. This subsection does not apply to classes, seminars, symposia, and conferences intended for the use and benefit of students, faculty, staff, and invited guests. No person may obstruct or lessen in any way the opportunity for the audience to see and hear the speaker. The number of students, faculty, staff, and guests may be limited to prevent a hazard to the safety of the audience.

Off-campus speakers who have not been sponsored or invited by a registered student, faculty, or staff organization or by the University administration shall be prohibited from speaking to groups in campus facilities and buildings unless the speaker is speaking to an off-campus organization that has been authorized to meet on the campus.

With the prior written approval of the University President, the University may, at its sole discretion, lease or rent space in the Morgan University Center or other appropriate buildings, or grounds for political rallies and meetings provided that space is made available to legitimate political candidates in a nondiscriminatory fashion and the rent for such space is based on a fair market value.

**Time, Place and Manner Restrictions**

While freedom of speech and assembly is encouraged, the law recognizes that there is no absolute right to assembly or to make or hear a speech at any time or place
regardless of the circumstances, content of speech, purpose of assembly, or probable consequences of such meeting or speech. The issuance of invitations to outside speakers shall be limited as follows:

1. A request to invite an outside speaker will be considered by the University only when made by a registered student, faculty, or staff organization. No invitation shall be issued to an outside speaker without prior written concurrence of the University President or a designee for scheduling of speaker dates and assignments of campus facilities.

2. Any speaker request shall be made in writing to the President or a designee by an officer of a registered student, faculty, or staff organization or by an administrative officer of the University, desiring to sponsor the proposed speaker not later than six (6) business days prior to the date of the proposed speaking engagement. This request shall contain the name of the sponsoring organization; the proposed date, time, and location of the meeting; the expected size of the audience; and the topic of the speech. Any request not acted upon by the President or a designee within five (5) business days after submission shall be deemed granted.

3. A request made by a registered organization may be denied only if the University President, or his authorized designee, determines, after proper inquiry, that the proposed speech will constitute a clear and present danger to the University’s orderly operation as defined in the section Clear and Present Danger.

4. Where the request for an outside speaker is denied, the sponsoring organization may appeal to the University President or a designee in writing within three (3) business days of the denial. A hearing will be held within four (4) business days following the filing of its appeal before an impartial board or administrator appointed by the President for a de novo consideration of the request. Such board or administrator shall make a recommendation to the University President whose decision shall be final. If the University President fails to decide the matter within seven (7) business days following the filing of the appeal, it shall be deemed granted, and the speaker’s invitation may be issued by the organization.

5. Where the request for an outside speaker is granted and the speaker accepts the invitation, the sponsoring organization shall inform the University President or a designee, immediately in writing of such acceptance. The University President or a designee, may, at his discretion, require that the meeting be chaired by a member of the administration or faculty and that a statement be made at the meeting that the views presented are not necessarily those of the University or of the sponsoring organization. By his/her acceptance of the invitation to speak, the speaker shall assume full responsibility for any violation of law committed by him/her while on campus.

Assembly on Component Grounds
Any group or person, whether or not a student or employee, and whether or not invited by a registered student, faculty, or staff organization, may assemble and engage in free speech activities on the grounds of the campus. However, the Component President or a designee may adopt reasonable nondiscriminatory Rules and Regulations as to time, place, and manner of such activities and may prohibit such activities if it is determined, after proper inquiry, that the proposed speech constitutes a clear and present danger as defined below (see next Section: Clear and Present Danger).
Clear and Present Danger
Proposed speech which constitutes a clear and present danger to the University’s orderly operation by the speaker’s advocacy (i.e., preparing the group addressed and steeling it to such action as opposed to the abstract espousal of the propriety of resort to force) may be prohibited. In determining the existence of a clear and present danger, the University President may consider all relevant factors, including whether, within the past five years such speaker has incited violence resulting in the destruction of property at any public institution or has willfully caused the forcible disruption of regularly scheduled classes or other educational functions at any such institution. There must be not only advocacy to action but also a reasonable apprehension of imminent danger to the essential functions and purposes of the University.

STUDENT GRIEVANCE PROCEDURES
No student of Sul Ross State University shall, on the grounds of race, color, national origin, religion, sex, age or disability, be excluded from participation in, be denied the benefits of or be subjected to discrimination under any University program or activity. The following procedures are to be used in resolving claims of discrimination.

Filing a Grievance
If you feel that you have been discriminated against on the basis of any of the conditions listed above, you may file a complaint with the appropriate University officer as listed below:

- Race, color, national or ethnic origin - Dean of Student Life
- Gender, including sexual harassment - Dean of Student Life
- Disability - ADA Compliance Officer
- Other - Dean of Student Life

The initial complaint should be discussed with the appropriate University officer within five class days of the occurrence of the action or condition giving rise to the complaint. Details should include the nature of the alleged discrimination, names of persons accused of discrimination, and relief sought. The officer shall explain the purpose of the procedures and gain insight into the nature of the complaint. If possible, the complaint should be resolved in an informal manner at this level involving only the parties affected by the complaint. Within five (5) class days of the original contact, the officer will inform you of the action to be taken.

In the event that the complaint cannot be resolved informally, the complainant shall, within five (5) class days, file a formal complaint with the University officer. The complaint shall consist of a more detailed written document and include:

1. Full details of the alleged discrimination;
2. Names of the person(s) accused of discrimination;
3. Times, dates, and places of the discrimination;
4. Names of any witnesses; and
5. Relief or action sought by the grievant.

Within three class days, the University officer will then contact the individuals alleged to have been involved in the discrimination, briefly outline the name and circumstances of the complaint, and request, within three class days, a formal written statement in response to the allegations. The grievance process has two major purposes:

1. To determine whether the policy, practice, or procedure alleged to be discriminatory is in fact a violation of federal, state, local or University policy related to discrimination; and,
2. To recommend, where appropriate, redress for the grievant.
The University officer will, within five class days of the receipt of the written responses from the individuals alleged to have been involved in the discrimination, conduct a hearing involving the grievant, any witnesses, and the respondents to determine the appropriate course of action. This hearing shall be closed to the public and the grievant may have an advisor present during the hearing.

To the extent that the University representative uses legal counsel for other than advisory purposes during the hearing procedure, the grievant shall be afforded the same opportunity. The University shall give the grievant notification of the intent to use legal counsel for other than advisory purposes at the time the grievant is notified of the hearing.

Within five class days after the hearing, the University officer shall notify the grievant, the respondents and the Provost and Vice President for Academic and Student Affairs of his/her decision and course of action to be taken. This notification shall be in writing.

**Appeals**

Either the grievant or the respondents may appeal the decision of the officer to the Provost and Vice President for Academic and Student Affairs within five class days of the receipt of the written notification. The Provost and Vice President for Academic and Student Affairs, after reviewing the circumstances, shall render a decision, in writing, within five class days of the receipt of the appeal.

After the above appeal processes have been exhausted, appeal may be made to the President of the University, whose decision on a grievance shall be final and binding on all parties.

Nothing in this procedure shall be construed to limit, terminate, or waive any right of a student to seek relief in a court of proper jurisdiction for any student grievance for which a remedy is provided under the laws of the State of Texas or the United States of America.

Time extensions at any step in this procedure may be allowed if mutually agreeable to both the grievant and the appropriate University officer.

**STUDENT RIGHTS & RESPONSIBILITIES**

All full- and part-time students are responsible for the information in this publication and for abiding by the University rules and regulations.

Every student is expected to obey all federal, state and local laws and is expected to familiarize him/herself with the requirements of such laws. During the investigation, if the student is available, the officer will give the student an opportunity to explain the incident. If the officer concludes that the student has violated a System or University policy, the officer will determine (but not assess) an appropriate disciplinary penalty.

The officer will discuss his or her findings and his or her determination of an appropriate penalty with the student, if the student is available, and in any case will provide the student an opportunity either to accept or reject the officer’s decision.

1. Administrative Disposition. If the student accepts the officer’s decision, the student will so indicate in writing and waive his or her right to a hearing. The officer may then assess the disciplinary penalty. If the student does not accept the officer’s sanction but does accept the officer’s decision of guilt, the student may appeal to the administrative official who is the next highest person in the chain of command. By appealing to the next highest administrative official, the student waives all right to a formal hearing with the Disciplinary Hearing Committee.

2. Disposition through a Formal Hearing. If the student does not execute a written waiver of the formal hearing process and disputes the facts upon which the charges are based, such charges shall be heard and determined by a fair and impartial committee, hereinafter called the Disciplinary Hearing Committee.
The Committee consists of five (5) members of the University faculty and two (2) students. The students shall be nominated by the Student Government Association Senate and selected by the President for one-year terms. Faculty members are selected by the President and serve three-year rotating terms. The President also selects a faculty member of the Committee to serve as chair for a one-year term.

Such charges shall be heard and determined by the Disciplinary Hearing Committee or by the Provost and Vice President for Academic and Student Affairs, but not by both.

**FORMAL HEARING PROCEDURES**

The Dean of Student Life or a designated appointee initiates the formal hearing process after meeting with the student by preparing a written statement of charges, a statement of the evidence supporting such charges, including a list of witnesses and brief summary of the testimony to be given by each, and sending notification of such charges and statement to the accused student by certified mail, return receipt requested, addressed to the address appearing in the office of Admissions and Records, or by hand delivery of said document with the student signing a receipt.

Except in those cases where immediate interim disciplinary action has been taken under authority of Interim Disciplinary Action, the accused student shall be given at least five (5) class days written notice by the Dean of Student Life or a designated appointee of the date, time, and place for a formal hearing and the names of the current Disciplinary Hearing Committee members. When immediate interim disciplinary action (such as interim suspension) has been taken, hearings will be held under the procedures set forth below but will be held as soon as practicable within twelve (12) class days after the disciplinary action has been taken unless otherwise agreed to by the student.

Upon a hearing of the charges, the University representative has the burden of going forward with the evidence and the burden of proving the charges by the greater weight of the credible evidence. The hearing shall be conducted in accordance with the procedures adopted by the University that assure both parties (University representative and the accused student) the following minimal rights:

1. Both parties will exchange lists of witnesses, expected testimony, copies of documents to be introduced, and notice of intent to use legal counsel, at a reasonable time prior to the hearing. Each party shall have the right to appear and present evidence in person and to be advised during the hearing by a designated representative or counsel of choice. Each party shall limit its presentation to relevant evidence. The accused student must attend the hearing if the student desires to present evidence. If the student fails to appear, the hearing may proceed.

2. Both the University representative and the accused student shall have the right to question witnesses. The accused student may question witnesses with the advice of his/her designated representative or counsel. All questions shall be limited to relevant evidence.

3. The hearing will be recorded. If either party desires to appeal the finding, a copy of the recording will be produced at the expense of the party appealing the finding and both parties will be furnished a copy for appeals purposes only.

**Students Right to Challenge Impartiality**

The accused student may challenge the impartiality of the Hearing Officer or a member of the Disciplinary Hearing Committee at any time prior to the introduction
of any evidence. The Hearing Officer or member of the Committee shall be the sole judge of whether he or she can serve with fairness and objectivity. In the event the challenged member of the Hearing Committee chooses not to serve, the Provost and Vice President for Academic and Student Affairs will choose a substitute.

**DETERMINATION of HEARING (Penalties)**
The hearing officer or hearing committee shall render a decision to both parties as soon as practicable as to the guilt or innocence of the accused student and shall, if necessary, assess a penalty or penalties. These penalties, which are not exclusive but may be imposed together with other penalties, include, but are not necessarily limited to:

1. **Verbal or Written Warning** – The student is notified that he or she is in violation of university policies and that additional violations may result in more severe disciplinary sanctions.

2. **Requirement** that the student complete a special project that may be, but is not limited to, writing an essay, attending a special class or lecture, or attending counseling session. The special project may be imposed only for a definite term.

3. **Cancellation** of Residence Hall or Apartment contract.

4. **Disciplinary Probation** imposed for a definite period of time which stipulates that future violations may result in discipline suspension.

5. **Ineligibility for election** to student office for a specified period of time.

6. **Removal from student or organization office** for a specified period of time.

7. **Prohibition from representing Sul Ross** in any special honorary role.

8. **Withholding of official transcript or degree.**

9. **Bar against readmission.**

10. **Restitution** whether monetary or by specific duties or reimbursement for damage to or misappropriation of University, student, or employee property.

11. **Denial or non-recognition of a degree.**

12. **Suspension of rights and privileges** for a specific period of time, including access to electronic network facilities and participation in athletic extracurricular or other student activities.

13. **Withdrawing from a course with a grade of W, F, or WF.**

14. **Failing or reduction of a grade in test or course, and/or retaking of test or course, and/or performing additional academic work not required of other students in the course.**

15. **Suspension from the University for a specified period of time.** During suspension, a student shall not attend classes, participate in any University campus activities, or be allowed on any campus property.

16. **Loss of or ineligibility for student grant or loan.**
17. Expulsion from the University. A student who is expelled from the University is not eligible for readmission to the University or to any other Texas State University System institution.

18. Dismissal from the University. A student, who is dismissed, is separated from the University for an indefinite period of time.

19. Recording sanctions in Subsections 5.9(9), (11), (13), (14), (15), (17), and (18) may be made on a student's permanent transcript. The University may maintain confidential records of all other sanctions and may consider any prior sanction received by a student in assessing a subsequent sanction. The University shall develop a procedure for expunging those records not transcribed on a student's permanent transcript within a reasonable time not to exceed five (5) years after the student ceases to be enrolled.

A student who, by a preponderance of the evidence, under the Rules and Regulations, Texas State University System, is found to have illegally possessed, used, sold or distributed any drug, narcotic, controlled substance, or drug paraphernalia including residue, whether the infraction is found to have occurred on or off campus, shall be subject to discipline, ranging from mandatory, university or college approved counseling to expulsion. Students for whom there is a reasonable suspicion of involvement with drugs or controlled substances will be required to submit to an appropriate drug test administered by the University's Coordinator of Health Services or other qualified university official. Mitigating or aggravating factors in assessing the proper level of discipline shall include, but not necessarily be limited to, the student's motive for engaging in the behavior, disciplinary history; effect of the behavior on safety and security of the university or college community; and the likelihood that the behavior will recur. The university will exercise their right as a result of being found guilty of a violation of the drug policy and placed on probation to perform random drug tests on students at any time during the probation. If at any time the student is found to test positive for any illegal drugs, the student will be suspended per the duration above.

A student who has been suspended, dismissed, probated, or expelled from the university shall be ineligible to enroll at any other Texas State University System university during the applicable period of discipline. The registrar is authorized to make an appropriate notation on the student's transcript to accomplish this objective and to remove the notation when the student’s disciplinary record has been cleared. A second infraction for a drug-related offense shall result in permanent expulsion from the University and from all other institutions in The Texas State University System.

EXPELLED FROM UNIVERSITY

A student who is expelled from the University is not eligible for readmission to the University or to any other Texas State University System institution.

DISMISSED FROM UNIVERSITY

A student, who is dismissed, is separated from the University for an indefinite period of time.

RECORDING SANCTIONS

Sanctions in Subsections 5.9(9), (11), (13), (14), (15), (17), and (18) may be made on a student's permanent transcript. The University may maintain confidential records of all other sanctions.

APPEALS

Neither party may appeal if the Dean of Student Life or a designated appointee or the Disciplinary Hearing Committee determines that the allegations against the accused student are true, but the only punishment assessed is verbal or written warning. In those cases, the determination of the Dean of Student Life or a designated appointee or the Disciplinary Hearing Committee is final. However, in all other cases, either party may appeal. If the hearing officer has been an appointee designated by the Dean of Student Life, the appeal will be made to the Dean of Student Life. If the Dean of Student Life has been the hearing officer or if the Disciplinary Hearing Committee has made the determination, the appeal will be made to the Provost and Vice President for Academic and Student Affairs. Written notice of appeal must be received by the Dean of Student Life, or, as appropriate, by the Provost and Vice President for Academic and Student Affairs within five (5) business days after the decision.
An appeal is not simply a rehearing of the original case. An appeal must be based on:
1. Whether or not a fair hearing was afforded. A fair hearing includes notice of the alleged misconduct, and an opportunity to present evidence;
2. Whether or not the sanctions levied were appropriate to the offence;
3. Whether or not the finding was supported by the evidence; and/or
4. Whether or not there is an introduction of new evidence that was not available at the time of the hearing.

Both parties, at the discretion of the Vice President or Dean, may submit oral or written arguments to support their positions. In order for the appeal to be considered, the appealing party must submit all necessary documentation, including written arguments when appropriate, to the Vice President or Dean within five (5) business days after giving notice of appeal. The Vice President or Dean may approve, reject, or modify the decision. The Vice President or Dean also has the option of remanding the matter to the original hearing officer or hearing committee for reconsideration. The appeal office shall respond to the appeal within ten (10) business days after all the documentation was received and all testimony was heard, or he or she may postpone a decision for good cause.

**Review of the Provost and Vice President for Academic and Student Affairs**
The Vice President may review any disciplinary case and may approve, reject, modify the decision or remand the matter to the original hearing officer or committee for reconsideration.

**President's Right to Review**
The President may review any disciplinary case, and approve, reject, or modify the decision or remand the matter to the original hearing officer or hearing committee for reconsideration.

**Board of Regents’ Right to Review**
The Board of Regents retains the right to review any disciplinary action and approve, reject, or modify the decision or remand the matter to the original hearing committee for reconsideration.

**Interim Disciplinary Action**
The Dean of Student Life, the Provost and Vice President for Academic and Student Affairs, or the President of the University may take immediate interim disciplinary action, including suspension, pending a hearing against a student for violation of a rule and regulation of the System or of the university at which the accused is a student when the continuing presence of the student poses a danger to persons or property or an ongoing threat of disrupting the academic process. In the event that the interim disciplinary action includes suspension, the University official involved shall, as soon as possible, notify the President and the Vice Chancellor and General Counsel of such action.

**Civil Proceedings**
Every student is expected to obey all federal, state, and local laws and is expected to be familiar with the requirements of such laws. Any student who violates any provision of those laws is subject to disciplinary action, including expulsion, notwithstanding any action taken by civil authorities on account of the violation.

RACIAL HARASSMENT

Sul Ross State University provides equal educational opportunities for all students and equal employment opportunities for all applicants and employees and otherwise fosters an environment free of racial intimidation, humiliation, and harassment. Racial harassment, as defined herein, is expressly prohibited.

1. Racial Harassment is defined as extreme or outrageous acts or communications that are intended to harass, intimidate, or humiliate students, faculty, staff or visitors on account of race, color, or national origin and that reasonably cause them to suffer severe emotional distress. No student, faculty, or staff employee may engage in racial harassment of any person on the Sul Ross campus or in connection with a University-sponsored activity.

2. No student, faculty or staff person may use authority granted by state law, by System rule, or by University policy to deprive any person of his or her civil rights on the Sul Ross campus or in connection with a University-sponsored activity.

3. If a violation of this policy is committed on campus and/or in connection with a University-sponsored activity because of the race, color, or national origin of any person directly harmed by such violation, the violator’s discriminatory purpose will be treated as an aggravating factor for the purpose of determining the appropriate penalty.
Procedures for redressing racial harassment complaints of students, faculty, staff or visitors shall be in accordance with published procedures established by the university. All complaints shall be considered informal until they are filed in writing. Student complaints should be directed to the Dean of Student Life.

Once a disciplinary penalty is imposed, the accused, whether a student or a faculty or staff employee, shall have his/her full right to invoke applicable appeal procedures according to existing University policies.

2. In determining whether alleged conduct constitutes sexual harassment, the University shall construe any act or omission within the totality of the circumstances, such as the nature of the sexual advances and the context in which the alleged incidents occurred. Each determination shall be made from the facts on a case-by-case basis.

3. The University may not dismiss a complaint once registered with an appropriate authority until the University has resolved the case. However, the University may take appropriate disciplinary action for any sexual harassment occurring in the employment or academic environment even in the absence of an individual complaint. Disciplinary action may consist of action up to and including termination of employment or, in the case of students, expulsion from the University or from the System.

4. The University has adopted a policy statement and procedures prohibiting sexual harassment and requiring prompt and appropriate corrective action for a violation of this policy and relevant federal and state laws on sexual harassment. This policy is outlined under the section Students Rights and Responsibilities on page 31.

**STUDENT DEBTS**

*Debts of Students or Organizations*

Neither the System nor the University is responsible for debts contracted by individual students or by student organizations. On the other hand, all students and student organizations are expected to conduct themselves honorably in all commercial transactions. Neither the System nor the University will assume the role of a

WHAT IS SUL ROSS

The following describes who Lawrence Sullivan Ross is.

LAWRENCE SULLIVAN (SUL) ROSS

Lawrence Sullivan (Sul) Ross (1838-1898) was a soldier, statesman and university president born in the Iowa Territory, on Sept. 27, 1838. The family immigrated to Texas in 1839 and settled initially in Milam County, where young Sul had his first encounter with hostile Indians, then for a period at Austin, where the older children attended school, and finally in 1849 at Waco.

Sul’s love for action and horses involved him in his first Indian fight while he was still a boy. Although his early ambition was to be an Indian fighter like his father, he recognized the value of education and enrolled at Baylor University in Independence, Texas, and then at the Wesleyan University in Florence, Ala., where he obtained his A.B. degree in 1859.

The summer of his junior year, while at home on vacation, the youth signed on with the United States Army as leader of a band of Indian auxiliaries from the Brazos Indian Reservation. During the ensuing campaign against the Comanche in Indian Territory in September and October of 1858, Ross nearly lost his life from a serious wound received in a battle at the Wichita Village near the site of present-day Rush Springs, Okla. He recovered enough to return to college and graduated the next summer.

Back in Texas, Ross joined the Texas Rangers and took part in the unsuccessful campaign of Middleton Tate Johnson against hostile tribes in the spring and summer of 1860, initially as a first lieutenant and later as captain of the Waco Company. Ross won the approval and trust of Gov. Sam Houston. In his defense of the frontier, Ross had the cooperation of regular troops, and his aggressive boldness in pursuing a Comanche raiding party in December 1860 resulted in the battle at the Pease River in which Cynthia Ann Parker was recovered, an exploit that gained him much popularity in Texas.

With the coming of the Civil War he resigned from the Rangers. He subsequently joined the Masonic order. He married Elizabeth Dorothy Tinsley, daughter of a Waco planter, on May 28, 1861. After acting as state peace commissioner to various Indian tribes, he enlisted in mid-1861 in the Confederate Army as a member of the Waco Company raised by his older brother, Peter F. Ross, which was incorporated into the Sixth Texas Cavalry.

First as major and then as colonel of his regiment, Ross took part in numerous western campaigns, including those of Pea Ridge, Corinth and Vicksburg. He was promoted to brigadier general in early 1864 and commanded the Texas Cavalry Brigade, made up of his former regiment, the Third Texas Cavalry, the Ninth Texas Cavalry and the Twenty-Seventh Texas Cavalry or First Texas Legion, for the remainder of the war. Under his able leadership, his brigade saw action in the Atlanta and Franklin-Nashville campaigns, although Ross was in Texas on furlough when his men surrendered at Jackson, Miss., in May 1865.

In 1873 the citizens of McLennan County elected Ross sheriff. In his two years in office he ended a reign of terror and helped form the Sheriffs' Association of Texas. He urged needed reforms and helped write the document that governs Texas today, the Constitution of 1876. Service as a constitutional delegate gave him experience in
public office and a reputation for honesty and ability. During the next four years Ross did not seek political office on his own, despite the willingness of his comrades to support him in a bid for the office of governor on the Democratic ticket. He did agree, however, to become a compromise candidate for the State Senate from the Twenty-Second District in the election of 1880.

As Senator, Ross made a record of solid achievement, but a reapportionment bill reduced his four-year term and he declined to run for reelection. Nevertheless, from the Senate it was an easy step to the governorship; by 1886 Ross's friends and supporters had persuaded him to enter politics on the state level, and he won easily on his first attempt. During his two terms (he was reelected in 1888 and served until 1891) the new Capitol was completed, the state attained new heights of industrial, agricultural and commercial growth, and state eleemosynary and educational institutions flourished.

Even more important, Ross's time in office was later considered one of exceptional good will and harmony. When he left the statehouse, he stepped immediately into the presidency of the seriously troubled Agricultural and Mechanical College of Texas (now Texas A&M University), a position in which he rendered his greatest public services. Under his presidency the number of students grew, many new buildings were built and public faith in the institution returned.

It was a blow to the university when President Ross died suddenly at his home in College Station on January 3, 1898. As an editorial written after his death stated, "It has been the lot of few men to be of such great service to Texas as Sul Ross." Sul Ross State University, in Alpine, is named in his honor.
