The Forest Service is hiring student and recent graduate positions nationwide in forestry, timber, silviculture, natural resources, and more.

Recruiters will be available to answer questions at the annual Society of American Foresters (SAF) Convention, held virtually October 29-31. Applicants do not need to attend the conference to apply.

Visit us online at go.usa.gov/xGTHc for eligibility details, application tips, and job seeker webinars.

Trying to apply for a job, but can’t figure out USAJOBS? Forest Service recruiters have you covered! We'll walk you through signing up, setting up your profile, searching for jobs, and applying for positions.
JOIN THE FOREST SERVICE!

The USDA Forest Service is a federal land management agency that cares for more than 193 million acres of the nation’s forests and grasslands.

Interested in a job with the Forest Service? We’re hiring for several positions nationwide. Apply on USAJOBS.gov through November 2.

Forester
From planting seedlings to inspecting a contractor’s work, foresters provide the technical and professional expertise to evaluate the health of our forests.

Forestry Technician
Forestry technicians perform a variety of tasks like data collection, inventory, inspections, planting, pruning, thinning, and cutting.

Timber Sale Administrator
Timber sale administrators formulate and execute plans for development and management of the timber resources on a Forest Service unit.

And More!
The Forest Service is always hiring a variety of positions nationwide. Join our Job Seeker Database for details on future hiring events.

The Forest Service offers jobs across 10 regions in the United States. To learn more about each region, check out our national and regional meet & greet rooms on Thursday, Oct. 29 and Friday, Oct. 30:
