Justin Coleman, Ph. D. .............................................. Assistant Professor of Psychology
The Texas State University System Board of Regents named Pete P. Gallego the 13th President of Sul Ross State University on June 4, 2020. Pete is the first alumnus to lead the University. As an Alpine native, Pete has always been involved in the community. His family ran a restaurant in town for 80 years. From these humble beginnings, Pete learned the values of hard work and public service. As with any restaurant, Pete’s job was to “do whatever needed to be done,” and he learned the value of hard work and public service.

After graduating from Alpine High School, Pete earned his first degree from Sul Ross State University in Political Science in 1982. In 1985, he earned a Doctor of Jurisprudence from The University of Texas School of Law in Austin. Immediately after, he began work in the Attorney General’s office in the states’ capital.

Pete ran for State House District 74 at the age of 27. He was sworn into his first term and began representing an area from El Paso through the Big Bend, Del Río, Eagle Pass and east to Uvalde. Pete served as a state representative for 11 terms, before running to serve a term in Congress, representing the area for a total of 24 years. He spent countless hours addressing needs of his constituents from those areas. He passed legal reform bills, helped those wrongfully convicted, supported education reform, and wrote the state budget through the 1990s and 2000s.

Pete never wandered too far from the Lobo pack. He has taught classes at the university through the years, even as the President, and keeps Sul Ross and the needs of West Texas in his priorities.

HISTORY OF SUL ROSS STATE UNIVERSITY

On April 4, 1917, the 35th Texas Legislature chartered Sul Ross State Normal School to be located in Alpine. Two days later the United States declared war on Germany, thus entering World War I. Construction of Sul Ross was postponed until after the war. The bill establishing Sul Ross required residents of Alpine to provide the land, water, and utilities for the school and housing for the students. Area residents recognized the importance of having a college in the region and met the conditions.

The first president, Thomas Fletcher, supervised the construction of what is now the Dolph Briscoe, Jr. Administration Building and the President’s Home, but resigned before the school opened. Under the leadership of Robert Marquis, the first classes began on June 14, 1920. The formal dedication of the school was on November 16, 1920. Sul Ross State Normal School was the successor to the Alpine Summer Normal School which had operated in the community for several years to train teachers. As the programs at the school changed and grew, the name changed to reflect the academic offerings.
In 1921, Victor J. Smith, a founding faculty member at Sul Ross State Teachers College in 1924, with the first baccalaureate degrees awarded in 1925. Courses leading to a master's degree were first offered in 1930 and the first master's degree was awarded in 1935. In 1949, the institution’s name was changed to Sul Ross State College, reflecting the broader degree programs. The school achieved full university status in 1969 as Sul Ross State University.

In 1973, Sul Ross began serving the Middle Rio Grande region of Texas with a University Study Center in Uvalde, which became the Uvalde Study Center and later the Uvalde Center. In 1995, the Texas Legislature recognized the University’s service to the Middle Rio Grande region by designating the Sul Ross instructional sites in Uvalde, Del Rio, and Eagle Pass as Sul Ross State University Rio Grande College.

Sul Ross State University now maintains four campuses: Sul Ross State University-Alpine, Sul Ross State University-Del Rio, Sul Ross State University-Eagle Pass, and Sul Ross State University-Uvalde. These four campuses serve as the primary institution of higher education in 19 Texas counties and along two-thirds of the Texas-Mexico border.

**HISTORY OF OUR BAR-SR-BAR LOGO**

Our Bar SR Bar is very unique in that it cannot be duplicated on a computer because the type in the logo is unique - it was hand drawn. It is not a font you can find on your computer. Another source of pride is that the Sul Ross logo is one of the most enduring logos in the country. Sul Ross is unique because we have had the same logo for nearly 100 years and Sul Ross is one of the few institutions that features its logo as a part of the University’s official seal.
ACADEMIC REGALIA

The academic costume worn at official functions today originated in the universities of the Middle Ages, when a warm gown and hood were useful to the scholar and cleric in unheated buildings. By modern times, the growth in the number of universities caused a great deal of confusion in academic regalia, and in 1894-95, a study commission sought to establish some consistency in practice. The American Council on Education subsequently affected more improvements in 1959-60. The mortarboard cap, which generally prevails in the United States, originated in Oxford. Cambridge, European universities, and some Latin American universities use other types of caps, which are legitimate for wear in any American processional when the individual holds a degree from one of these institutions.

Gowns are generally black, although some universities depart from this practice. The bachelor's gown is simple, with long pointed sleeves. The master's gown will have either long sleeves with narrow wrist openings or long sleeves with the arm emerging from the sleeve or about elbow length. The doctor's gown is fullest in cut; it has velvet panels down the front and around the neck, as well as three bars of the same material on the bell-shaped sleeves.

The hood indicates the level of the degree, the field in which it was given, and the institution that granted it. Degree level is indicated by length: The master’s hood is three and a half feet long and the doctor's hood is four feet long. The velvet trim on the exposed edge of the hood is three inches wide for the master's degree and five inches wide for the doctor's degree. The color of the trim indicates the field of study. A color, or color pattern, between the trim indicates the university granting the degree.

Hood trim colors indicate the following fields:

Drab (Light Brown) – Accounting, Business Administration, Commerce
Maize (Light Yellow) – Agriculture
White – Arts, English, History, Humanities, Literature
Light Blue – Education
Brown – Fine Arts
Purple – Law
Sage Green – Physical Education
Peacock Blue – Public Administration
Science Gold – Science
Gray – Veterinary Sciences

A graduating senior, who is a member of an honor society, may wear the official cord representing that society.

The honor societies and the cord colors are:
Alpha Chi (Junior/Senior Honor Society) - Green and Blue
The honor societies and the cord colors are: (cont.)
Alpha Psi Omega (Drama) - Blue and Gold
Beta Beta Beta (Biology) - Red and Forest Green
Delta Mu Delta (Business) - Purple and Gold
Delta Tau Alpha (Agriculture) - Forest Green
BACCALAUREATE GRADUATION
WITH SPECIAL RECOGNITION

Special recognition at graduation is provided to those undergraduate students who compile outstanding academic records. Graduates who have achieved academic excellence in Alpine receive a gold cord and Rio Grande College students receive a gold medallion. Both symbolize excellence and recognize graduates who demonstrate scholarly achievement.

Cum Laude, Magna Cum Laude, Summa Cum Laude

Degrees conferred Cum Laude, Magna Cum Laude, and Summa Cum Laude reflect an outstanding overall grade point average of graduating seniors. The distinction and corresponding grade point averages are:

- Cum Laude – 3.50 to 3.69
- Magna Cum Laude – 3.70 to 3.89
- Summa Cum Laude – 3.90 to 4.00

GOD BLESS AMERICA
God bless America, land that I love
Stand beside her and guide her
through the night
with a light from above
From the mountains to the prairies
to the oceans white with foam,
God bless America,
my home, sweet home,
God bless America,
my home, sweet home.

ALMA MATER
Where the rolling plains of Texas
End in mountains high
There's a land where glorious sunsets
Flame in peerless sky.

Refrain:
Ring! Ye Alpine hills with music
Joyous songs we'll raise.
Hail to Sul Ross University
Thee we gladly praise.
