

LOBO PASS

SRSU's Password Management System

LoboPass - Managing Your Lobo Password & PIN

LoboPass allows current Sul Ross users to activate their accounts and manage password changes. There are two ways to log into LoboPass.

1. Using your Lobo ID and current password.

(Login on the left)

2. Using your A-Number and PIN.

(Login on the right)

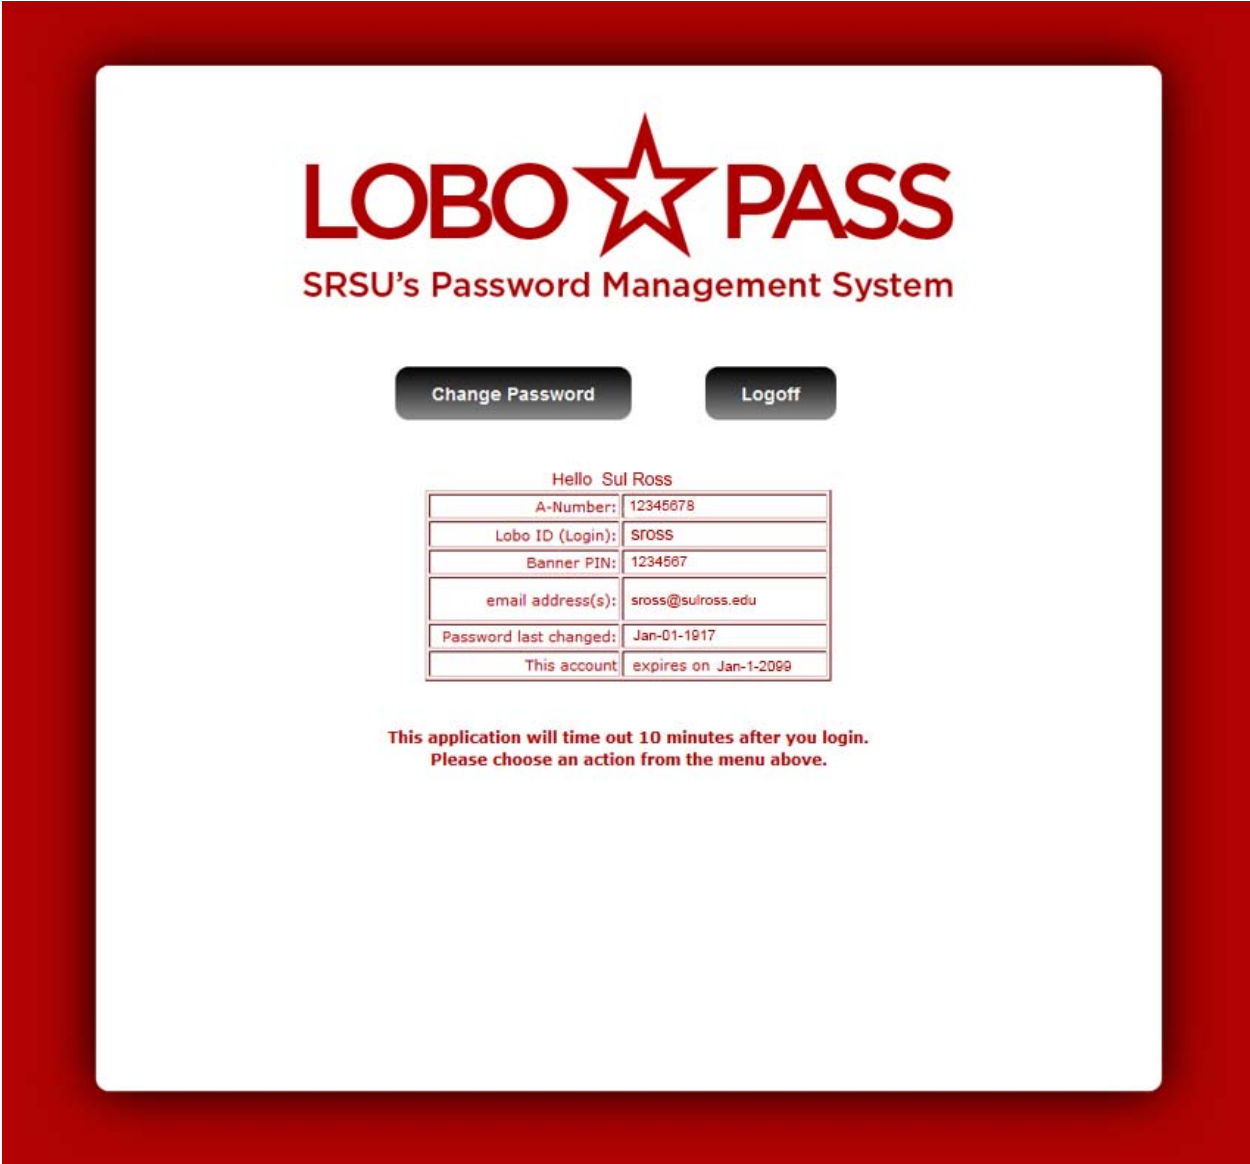

The screenshot shows the LoboPass login interface. At the top, it features the 'LOBO  PASS' logo and the text 'SRSU's Password Management System'. Below this, a message states: 'To use Lobopass, you MUST know either Your Lobo ID and current password or Your A-Number and PIN'. A prompt 'Choose your login method...' is followed by two login options. The first option has input fields for 'Lobo ID:' and 'Password:', with a 'Login' button below. The second option has input fields for 'A-Number:' and 'PIN:', with a 'Login' button below. At the bottom, there is a note: 'If you don't have your Lobo ID/password or your A-Number/PIN, contact the LTAC (Lobo Technology Assistance Center) at (432) 837-8888 or techassist@sulross.edu.' and a separate note: 'NOTE: You MUST furnish your A-Number and DOB for the LTAC to confirm your identity.'

If you don't know your Lobo ID or your A-Number contact LTAC @ 432-837-8888

NOTE: You MUST furnish your A-Number and DOB for the LTAC to confirm your identity.

Once logged into LoboPass, you're A-Number, Lobo ID, email address and other useful information is available on the screen below.

From this screen you can view your "Banner PIN" or select "Change Password".

The screenshot shows the user interface of the LOBO PASS system. At the top, the logo "LOBO PASS" is displayed in red, with a red star between the words. Below the logo, the text "SRSU's Password Management System" is shown. Two buttons, "Change Password" and "Logout", are positioned below the text. A user profile section displays the name "Hello Sul Ross" and a table of user information. At the bottom, a warning message states: "This application will time out 10 minutes after you login. Please choose an action from the menu above."

Hello Sul Ross	
A-Number:	12345678
Lobo ID (Login):	SFOSS
Banner PIN:	1234567
email address(s):	sross@suiross.edu
Password last changed:	Jan-01-1917
This account	expires on Jan-1-2099

The “Change Password” option sends you to the change password page:

Password: Very Weak
[Password Generator](#)

Confirm Password:

Submit Query

Password Hints:
[How to create a strong password](#)

The information on this page is divided into three parts, SRSU Password Rules, Changing password & Helpful Hints

SRSU Password Rules:

This table displays the rules that a password MUST meet before it will be accepted. Read the rules each time you change your password as the complexity requirements may change over time.

Changing Password:

This table is where you create your new password. Notice the meter to the right, it currently states “Very Weak”. As you begin typing your new password in the “Password” input box this meter will indicate how strong your password is. The stronger your password is the better. After you enter the new password you will need to reenter it in the “Confirm Password” input box. This is to make sure you have entered your new password correctly. There is a “Password Generator” if you would like have a password created for you. If you use the “Password Generator”, you still need to confirm your password as mention previously.
