A Member of the Texas State University System

Library Services for Rio Grande College

APM 2.27 (Replaces APM 6.08) (Revised 2/2013)

Sul Ross State University Rio Grande College, located on the campuses of Southwest Texas Junior College, works in a collaborative partnership with the libraries on the SWTJC campuses to provide services to its students. The SWTJC/RGC library has three separate locations and staff on each campus for student's convenience. This agreement involves purchase of relevant materials and other student related services by SR-RGC, as well as computer access to digital materials. Online resources from the Wildenthal Library on the SRSU-Alpine campus are readily available by personal computer, in labs on the RGC campuses or in the SWTJC/RGC. Additionally, the Wildenthal Library will provide materials from its collection upon request by RGC students. Depending on the nature of such materials they may be sent directly to the student via email or US mail, or to the SWTJC library for pickup and return.
