

## Core Curriculum Tools in Banner

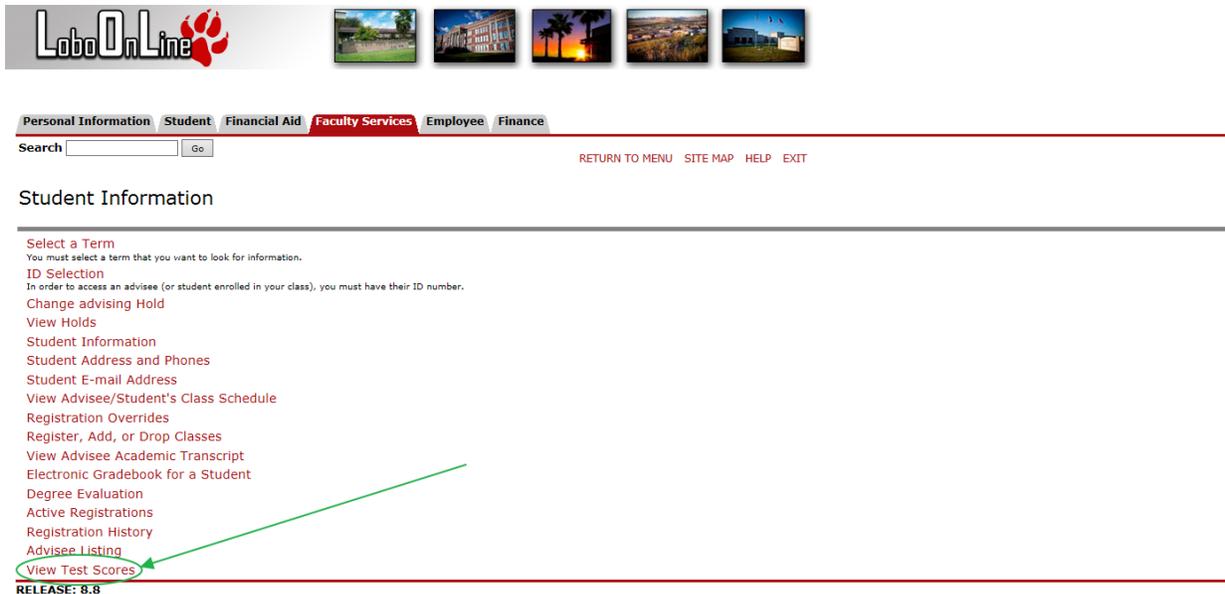

Texas law requires us to note a student's core status on any outgoing transcript. This is accomplished by an evaluation system in Banner. Banner evaluations reflect the OFFICIAL core status. It should match the Degree Works evaluation. Please report any discrepancies to the Registrar's Office.

Determine if the student is core complete.

### Faculty and Advisors – Self-Service

The easiest way to determine if a student is core complete or not is to view the Student's test scores in self-service:

From the Student Information Menu, select "View Test Scores."

The screenshot shows the Lobo OnLine Banner self-service interface. At the top, there is a navigation bar with tabs for Personal Information, Student, Financial Aid, Faculty Services (highlighted), Employee, and Finance. Below the navigation bar is a search field with a 'Go' button and a link to 'RETURN TO MENU SITE MAP HELP EXIT'. The main content area is titled 'Student Information' and contains a list of menu options. A green arrow points to the 'View Test Scores' option, which is circled in green. The 'View Test Scores' option is the last item in the list, followed by 'Adviser Listing' and 'RELEASE: 8.8'.
