

PAYMENT OPTIONS FOR TUITION, MANDATORY FEES, ROOM AND/OR BOARD

Sul Ross State University offers two payment options, including one installment plan, for the payment of tuition, mandatory fees, room and/or board. Optional fees and deposits are due and payable at the time the service is rendered or contracted for. To qualify for the installment plan, a student must first apply all University awards, scholarships, loans (University, state or federal) and grants (University, state or federal) to the total amount due the University. The University will apply these monies to tuition and mandatory fees, and rent, room and/or board.

**NO BILLS WILL BE MAILED.** If on the installment plan, the student must sign at registration a promissory note which will contain a schedule of payment amounts and due dates. The full amount due plus the applicable fee may be paid at any time before the due date. The installment amount due is payable no later than 4:00 p.m. on the due date.

If not paid by the due date a late fee of \$15.00 will be assessed.

**A student who fails to make full payment of tuition and fees, including any incidental fees, by the due date may be prohibited from registering for classes until full payment is made. A student who fails to make payment prior to the end of the semester may be denied credit for the work done that semester.** If a room payment is late, the student will be referred to the Director of Residential Living. If a board payment is late, the student will be referred to the Dean of Student Life. Students are also subject to other actions outlined under Penalties for Failure to pay in the student handbook.

WITHDRAWALS

Students officially withdrawing from the University must pay all tuition, mandatory fees, room and/or board owed at the time of withdrawal. Students who fail to pay the amount due upon withdrawal may have their transcripts held and may not be eligible to re-enroll if their balance due is \$500 or more.

NON-PAYMENT OF TUITION and FEES

Students who have not paid the required tuition and fees either out of pocket or with financial aid **by** the last day of late registration of each semester may be dropped from all classes. Students who do not enroll in classes before the first class date of each semester will be charged a Late Registration Fee of \$125.

STUDENT APARTMENTS

Apartment rent is due and payable in full at the time of registration or may be made in installments each semester. The university will apply all financial aid to pay apartment charges for the entire semester, which will be posted to the student’s account on the first day of class. Installment plans are available each semester through the student dashboard. Students are also subject to other actions outlined under Penalties for Failure to Pay in the student handbook. All University awards, scholarships, loans (University, state or federal) and grants (University, state or federal) will be applied to the total amount due the University for that semester.
