### SRSU/SHSU Team Blackboard Spotlight: Overview on Respondus Campus Wide

**Ray Scheel, Assistant Director for Course Development at SHSU Online**, will present on **the Respondus Campus Wide tool** that, is used to create, manage, and easily publish tests to your Blackboard courses (thanks to our shared services agreement with SHSU). Ray will give an informational overview on exactly what utilizing Respondus Campus Wide will do for you while also covering what utilizing other Respondus tools with your online tests, such as the Respondus Lockdown Browser and Respondus Monitor, can do for your Blackboard test integrity and online proctoring purposes.

### To Have Respondus Campus Wide Installed on Your Computer (For PC/Windows Computers Only):

**FOR SRSU COMPUTERS:** Submit an OIT Helpdesk ticket to [techassist@sulross.edu](mailto:techassist@sulross.edu) asking that Respondus be installed on your SRSU computer. Include your SRSU computer's tag number. Faculty should be present for the installation as they will need to be logged in to their SRSU computer.

**FOR PERSONAL COMPUTERS:** Submit an OIT Helpdesk ticket to [techassist@sulross.edu](mailto:techassist@sulross.edu) asking that Respondus be installed on your personal/home computer. OIT Helpdesk will share an SRSU Sharepoint folder with the requesting faculty that has the Respondus installer and instructions.

### For Instructional Support on using Respondus Campus Wide, Respondus Lockdown Browser & Monitor

## **SRSU Instructional Services / Blackboard Update: Tim & Estella**

### **The Blackboard Retention Center**

The Blackboard Retention Center helps you discover which students in your course are at risk. Based on default rules and rules you create, students' engagement and participation are visually displayed, quickly alerting you to potential risk. From the Retention Center, you can communicate with struggling students and help them take immediate action for improvement.
