Informational Update - Turnitin

SRSU Instructional Services & SRSU Team Blackboard

New Turnitin Tool – Turnitin Feedback Studio

- Turnitin is one of the anti-plagiarism tools we have in TSUS-SRSU Blackboard (the other is SafeAssign).
- Turnitin LLC is ending support for an older version of the tool which was found under your "Assessments" menu and **was deactivated as of Monday, February 21, 2022**.
- You can still access assignments created in the old Turnitin tool, despite this change!
- The new, supported version, "Turnitin Feedback Studio", **has been available in our TSUS-SRSU Blackboard since August of 2021**, and can be found under your "Build Content" menu.
- Links to an SHSU informational video on this and other resources can be found in your Faculty Central area.
- **If you are comfortable using Safe Assign, there is no need to change.**
