Administrator's Statement

88th Regular Session, Agency Submission, Version 1 Automated Budget and Evaluation System of Texas (ABEST)

756 Sul Ross State University

Sul Ross State University (SRSU) – designated as a Hispanic Serving Institution (HSI) by the U.S. Department of Education – was established as Sul Ross Normal College in Alpine in March 1917, though the first students didn't arrive until 1920. SRSU also serves the middle Rio Grande region, with campuses in Del Rio, Eagle Pass and Uvalde. SRSU's priority is to provide an affordable, high quality education to the citizens of the rural and underserved border regions of Texas.

Since 1995, SRSU has been recognized as one of the top 100 institutions for Hispanic students by Hispanic Outlook magazine. In 2018, Latino Leaders magazine included SRSU in its listing of the Best Colleges for Latinos, and The New York Times listed it 21st out of 369 public colleges with a 35% mobility rate – a measure of the likelihood that a student will increase their income twice or more over the course of their lives. Multiple industry rankings have identified SRSU one of the most affordable and best values in Texas higher education.

SRSU has found a niche as a provider of higher education opportunities for the residents of small rural communities in the somewhat isolated areas of Far West Texas, serving at-risk students in a high engagement, low stress, intimate campus setting, and underserved populations in the middle Rio Grande border region. High demand programs include Criminal Justice, education, agricultural and natural resource sciences, geology and business.

Enrollment

- o 1,367 (Fall 2021)
- o 393 Graduate students
- o 974 Undergraduate students

Ethnicity

- o 52.9% Hispanic/Latino
- o 34.3% White
- o 6.7% African American

Demographics

- o 38.3% First Generation
- o 21.1% Local (Brewster, Jeff Davis, Presidio counties)
- o 78.9% Non-local

Carnegie Classification

- o Master's Colleges & Universities: Larger Programs
- o Hispanic Serving Institution

Degrees/Colleges

- o 28 Undergraduate, 22 Master's
- Agriculture, Life and Physical Sciences/ Education and Professional Studies/Literature, Arts and Social Sciences

Support for at-risk traditional students

o Upward Bound

- o Talent Search
- o Gear Up

Grants to support Hispanic students

- o Developing Hispanic Serving Institutions Frontier Student Experience
- o Promoting Postbaccalaureate Opportunities for Hispanic Americans / Advancing Graduate Programs en la Frontera
- o Lobo Track for STEM students

Through the grant-funded McNair Scholars program, SRSU continues to provide support for gifted first generation, low income, underrepresented students who demonstrate promise for successful graduate study. Since 2008, Sul Ross State has enrolled over 150 McNair students. More than 50 have gone on to receive graduate degrees and there are currently 23 students enrolled in programs at not only Sul Ross State, but at the University of Texas, Oklahoma State, Texas Tech, Columbia University, Cornell University, Texas A&M and Antioch University.

Initiatives like those with Midland College, which focuses on recruiting STEM students through cooperative programming, and Andrews Independent School District, a teacher certificate program made possible by a paid private partnership, continue to show growth and success. SRSU is implementing a continuing education and professional development curriculum with the U.S. Border Patrol with the possibility of nationwide distance learning.

Through the work of the SRSU Small Business Development Center, the H. Joaquin Jackson Law Enforcement Academy, the Center for Big Bend Studies, the Museum of the Big Bend and the Archives of the Big Bend – all projects funded in part through non-formula appropriations – Sul Ross State has been able to facilitate economic development and assist with cultural preservation in the university's service area.

An adequate level of state investment is essential to providing a high-quality educational opportunity while maintaining affordability. SRSU is thankful for the support and leadership provided by the members of the Texas Legislature and the additional investments in infrastructure and operations. The performance-based allocation SRSU received from the Comprehensive Regional University fund is greatly appreciated and we look forward to its developing this funding source in future years.

EXCEPTIONAL ITEM REQUESTS Borderlands Research Institute Cost: \$6 million Description/Justification:

This special item provides support to leverage external funding to conduct much needed research in the region. The project not only provides a mechanism to train B.S. and M.S. students on research methodology and conservation practices, it allows us to ensure the sustainability of our diverse habitats and wildlife populations of West Texas. The Borderlands Research Institute conducts research on various wildlife species and their habitats in the Trans-Pecos, a region that boasts some of the most diverse flora and fauna in the world. The forestlands, shrublands and grasslands of area harbor a diversity of big game (mule deer, elk, bighorn sheep, white-tailed deer, javelina, black bear and mountain lion) and support a wealth of nongame animals including a significant migratory corridor connecting the Rocky Mountains to the Sierra Madres of Mexico and Central America. BRI provides critical information on ecologically and economically important wildlife conservation issues affecting Texas. As we discover practical solutions to natural resource management problems, we will share those solutions with landowners, resource managers and the citizens of Texas via publications, newsletters, seminars and workshops.

88th Regular Session, Agency Submission, Version 1 Automated Budget and Evaluation System of Texas (ABEST)

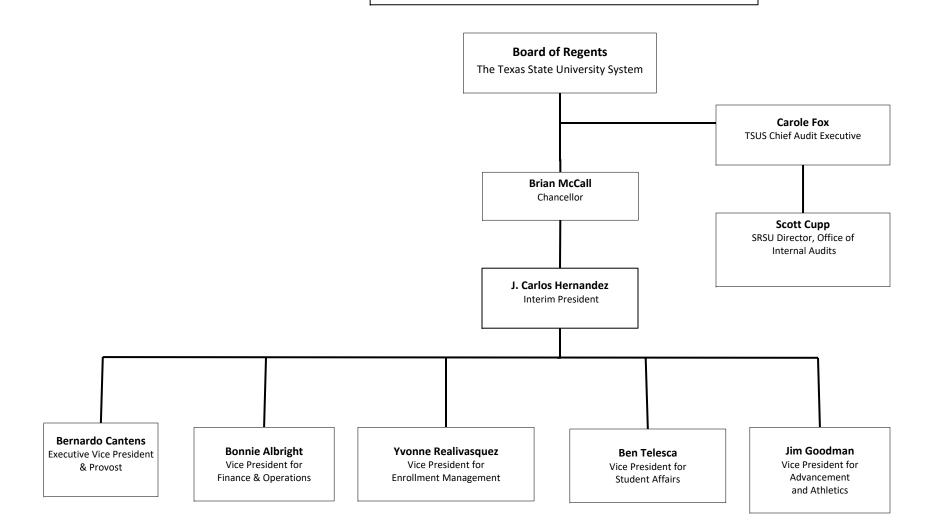

756 Sul Ross State University

Academic Program Development Support Cost: \$3 million Description/Justification:

Texas Higher Education Coordinating Board's Talent Strong Texas strategic plan challenges all state institutions of higher education to provide ever greater opportunities, career pathways and increased access to degree completion. SRSU is proud to be a contributing partner in this collaborative effort and to provide additional capacity through the development of high demand program areas that will prepare the Texas workforce for the 21st century. Even with the university's proven record of accomplishment, the goal of 60 percent attainment by 2030 will provide a number of challenges, including the ability to adequately meet the need in underserved program areas for high demand occupational fields.

Populations in the geographic areas we serve are expected to continue experiencing growth, and occupational trends indicate specific demand for nursing, healthcare administration, accounting, finance, cybersecurity/information assurance and education. SRSU has established programs in education and a relatively new, albeit small, nursing program. This funding will allow for the incremental development of robust capacity in the remaining occupational areas identified above.

SRSU ORGANIZATIONAL CHART

Functions:

President – Responsible for developing and maintaining efficiency with the university's resources to achieve the university's goals in accordance with the Board of Regents. FTE Supervision – 6

Executive Vice President and Provost – Responsible for all matters pertaining to academic programs of the university including Graduate Studies, Library, and Educational Resources. FTE Supervision – 221

Vice President for Finance and Operations – Responsible for all matters pertaining to the Finance, Physical Plant, Construction, Information Technology, Human Resources, Postal Services, Bookstore, and Food Services. FTE Supervision – 73

Vice President for Enrollment Management – Responsible for Enrollment Management, Financial Aid, Recruiting and Admissions. FTE Supervision – 22

Vice President for Student Affairs – Responsible for the operations and administration of Counseling, Residential Living, Health Services, Campus Safety, Campus Activities and Student Support Services. FTE Supervision – 19

Vice President for Advancement and Athletics – Responsible for Communications and Marketing, Advancement, Alumni, and Athletics. FTE Supervision – 25

STRATEGY DESCRIPTION AND JUSTIFICATION:

The Instruction and Operations Formula provides funding for faculty salaries, departmental operating expense, library, instructional administration, research enhancement, student services and institutional support. The funds are distributed on a weighted semester credit hour basis. The rate per weighted semester credit hour is established by the Legislature each biennium.

EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:

(1) - Formula funded strategies are not requested in 2024-25 because amounts are not determined by institutions.

| OBJECTIVE: | 1 Provide Instructional and Operations Support | | | Service Categori | ies: | |
| GOAL: | 1 Provide Instructional and Operations Support | | | | | |

This is a non-formula strategy that provides funding for salaries and other expenses for the following activities operated in connection with instructional programs: Science Analytical Laboratory, Agricultural and Natural Resource Science Meats Laboratory, and the University Ranch. These activities give students a hands-on experience in addition to the traditional classroom instruction thus better preparing students for entering the workforce.

EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:

This strategy has not previously received general revenue funding. The activity generated income is insufficient to fully fund these critical operations. In order to maintain the activities, Other Educational and General Income must be used to fund these programs.

STRATEGY DESCRIPTION AND JUSTIFICATION:

The Infrastructure Support formula distributes funding associated with plant-related formulas and utilities. This formula is driven by the predicted square feet for universities' educational and general activities produced by the Coordinating Board Space Projection Model. The portion of the formula related to utilities is adjusted to reflect differences in unit costs for purchased utilities, including electricity, natural gas, water and wastewater, and thermal energy.

EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:

(1) - Formula funded strategies are not requested in 2024-25 because amounts are not determined by institutions.

FULL TIME EQUIVALENT POSITIONS:

STRATEGY DESCRIPTION AND JUSTIFICATION:

This is a non-formula general revenue strategy that provides funding for the debt service tuition revenue bonds issued by the Texas State University System in 1993, 1998, 2002, and 2017 on behalf of Sul Ross State University. Proceeds from these bonds have been used to fund major repairs, renovations, and conversions to Lawrence Hall, Graves-Pierce Complex, the Wildenthal Library, Ferguson Hall, Gallego Center, Warnock Science Building, Turner Range Animal Science Center, the Centennial School, old university center, and campus infrastructure.

3.A. Page 18 of 41

| OBJECTIVE: | 1 Provide Operation and Maintenance of E&G Space | | | Service Categori | es: | |
| STRATEGY: | 2 Capital Construction Assistance Projects Revenue Bonds | | | Service: 10 | Income: A.2 | Age: B.3 |
| CODE | DESCRIPTION | Exp 2021 | Est 2022 | Bud 2023 | BL 2024 | BL 2025 |

EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:

The 73rd, 75th,77th, and 84th Legislatures provided authorization for the issuance of these tuition revenue bonds. Sul Ross State University's ability to meet its debt service requirements relative to these bonds is contingent upon funding for this strategy. If tuition must be used to fund this, an increase in GR appropriations will be needed to replace the other E & G income normally used to fund operations. As directed, funding for this strategy is requested at 100% of the actual debt service needs for 2020 and 2021.

| CODE | DESCRIPTION | Exp 2021 | Est 2022 | Bud 2023 | (1) BL 2024 | (1) BL 2025 |

Increasing student expectations and needs require the utilization and maintenance of quality facilities and infrastructure. This funding is critical to small institutions and particularly to SRSU – Alpine because our assignable space is above the space projected by the THECB space model and formula generated maintenance funding is insufficient. This strategy helps supplement the funding generated by the infrastructure support formula.

STRATEGY DESCRIPTION AND JUSTIFICATION:

To conduct historical, archaeological, and cultural anthropological research in the Big Bend and eastern Trans-Pecos region; to facilitate and encourage research within the region in these areas by students and scholars; and to disseminate findings from the program to the scientific community, students, and the general public through presentations, web exhibits, and publications, including an annual journal on the history and culture of the region. In addition, the CBBS develops and oversees anthropology classes at the university, maintains a regionally focused in-house research library that includes original primary documents pertaining to the archaeology of the region (established through donations), and conducts archaeological cultural resources management (CRM) or clearance projects for private firms and local, state, and federal agencies.

EXTERNAL/INTERNAL FACTORS IMPACTING STRATEGY:

Additional information for this strategy is available in Schedule 9, Special Item Information.

Foster small business success working cooperatively with the Small Business Administration through the University of Texas at San Antonio and to work with small business, and community clients, in an effort to enhance economic development in Brewster, Culberson, Jeff Davis, Loving, Pecos, Presidio, Reeves, and Terrell counties. All eight (8) counties are rural counties in the State of Texas. The BBRMSBDC strengthens the public service function of Sul Ross State University and strengthens the economic health of the eight (8) counties it serves. The BBRMSBDC is one of ten (10) centers in the South-West Texas Border Small Business Development Center Network and one among the thousand plus (1,000+) Small Business Development Centers across the United States.

The Texas Comprehensive Research Fund provides funding to promote increased research capacity at eligible general academic teaching institutions including those other than The University of Texas at Austin, Texas A&M University or any institution designated as an emerging research university under the Higher Education Coordinating Board's (THECB) accountability system.

Funding is to be expended for the support and maintenance of educational and general activities, including research and student services, that promote increased research capacity. A legislatively determined amount of funding is allocated based on the average amount of restricted research funds expended by each institution per year for the three preceding state fiscal years as reported to THECB.

DESCRIPTION / JUSTIFICATION:

Provides a mechanism to train B.S. and M.S. students on research methodology and conservation practices. Allows us to ensure the sustainability of our diverse habitats and wildlife populations of West Texas.

EXTERNAL/INTERNAL FACTORS:

Major Accomplishments:

Conducts research on various wildlife species and their habitats in the Trans-Pecos, a region that boasts some of the most diverse flora and fauna in the world. The forestlands, shrublands, and grasslands of the Trans-Pecos harbor a diversity of big game (mule deer, elk, bighorn sheep, white-tailed deer, javelina, black bear, and mountain lion), as well as support a wealth of nongame animals including a significant migratory corridor connecting the Rocky Mountains to Sierra Madres of Mexico and Central America. The Institute provides critical information on ecologically and economically important wildlife conservation issues affecting Texas. As we discover practical solutions to natural resource management problems, we will share those solutions with landowners, resource managers, and citizens of Texas via publications, newsletters, seminars, and workshops.

Consequences of not funding:

Is the only organization dedicated specifically to research on terrestrial wildlife species and their habitats in West Texas. Although sparsely populated, the rural economy of West Texas is dependent on revenues generated from agriculture, hunting, tourism, and other types of ecotourism (e.g., bird watching, hiking, and camping). These industries generate hundreds of millions of dollars in Texas and provide substantial benefits to businesses in an area that is economically deprived.

DESCRIPTION / JUSTIFICATION:

Populations in the geographic areas we serve are expected to continue experiencing growth, and occupational trends indicate specific demand for nursing, healthcare administration, accounting, finance, cybersecurity/information assurance and education. This funding will allow for the incremental development of robust capacity in the areas identified above.

EXTERNAL/INTERNAL FACTORS:

Major accomplishments:

Texas Higher Education Coordinating Board's Talent Strong Texas strategic plan challenges all state institutions of higher education to provide ever greater opportunities, career pathways and increased access to degree completion. SRSU is proud to be a contributing partner in this collaborative effort and to provide additional capacity through the development of high demand program areas that will prepare the Texas workforce for the 21st century.

Consequences of not funding:

Even with the university's proven record of accomplishment, given the size of our institution funding is not available to adequately meet the need in underserved program areas for high demand occupational fields.

B. Assessment of Attainment of HUB Procurement Goals

Attainment:

The agency attained or exceeded zero of five, or 0%, of the applicable statewide HUB procurement goals in FY2020. The agency attained or exceeded zero of five, or 0%, of the applicable statewide HUB procurement goals in FY2021.

Applicability:

The "Heavy Construction" category is not applicable to agency operations in either fiscal year 2020 or fiscal year 2021 since the agency did not have any strategies or programs related to heavy construction.

Factors Affecting Attainment:

Factors affecting attainment in procurement categories "Other Services" and "Commodities" is attributable to a limited number of certified HUB vendors in locations of the main campus and the branch campuses; Alpine (4), Uvalde (2), Del Rio (4) and Eagle Pass (3). The HUB vendors in these locations do not offer products and/or services in the primary Procurement Categories used by the University. Also lack of networking opportunities available due to COVID.

C. Good-Faith Efforts to Increase HUB Participation

Outreach Efforts and Mentor-Protégé Programs:

The agency made the following good faith efforts to comply with statewide HUB procurement goals per 34 TAC Section 20.284(d): During FY2020 and FY2021 Sul Ross State University participated in several matchmaking events including the 2021 SBDC/SBA Virtual Business Matchmaking Event and the UTSA Matchmaking 2021 Meeting to garner and solicit interest with HUB vendors for procurement opportunities. Sul Ross also participated in the 2021 Spot Bid Fair and provided several bid opportunities for HUB vendors at the event. Presentation given to the Greater Houston Business Procurement Forum (GHBPF) to

Date: 8/5/2022 Time: 5:47:43PM

Agency Code: 756 Agency: Sul Ross State University

provide information about the university and advised of the need for HUB vendor relationships the university. Sul Ross developed relationships with HUB vendor PDME and Summus for the purchase of office and medical supplies for the university.

HUB Program Staffing:

Describe the level of FTE staffing dedicated to increasing participation of HUBs. Also, identify and describe the activities of those FTE positions. Sul Ross State University currently has one designated HUB Coordinator who is responsible for monitoring and administering all HUB related activities at the university which includes but is not limited to reporting, providing assistance to departments to identify HUB vendors for procurement opportunities, coordinating all construction related HUB activities with Facilities Management staff on construction projects. In addition, Sul Ross State University has one full time purchasers dedicated to increasing business with HUB vendors and who aggressively participates in promoting the HUB program by monitoring purchases and advising departments of HUB vendors that can provide needed items/services. These FTEs work across both Sul Ross State University Alpine and Rio Grande College.

Current and Future Good-Faith Efforts:

Describe good faith efforts to meet HUB goals in Fiscal year 2022 and beyond. The agency should describe the agency's outreach efforts, HUB program staffing, and any other relevant information to describe efforts. Sul Ross State University will continue to participate in several matchmaking events to solicit for HUB vendors in the areas of need for the university. Sul Ross State University is in discussion with several vendors to sponsor a Mentor/Protege relationship and will also continue to participate in the Greater Houston Business Procurement Forum and other events to promote the universities HUB Program. Sul Ross State University will work with the SRSU Small Business Development Center and other area organizations to encourage HUB certification and university utilization.

| Archives of the Big Bend | | |
| 5 | 1000 | |
| (1) Year Non-Formula Support Item First Funded: | 1998 | |
| Year Non-Formula Support Item Established: | 1998 | |
| Original Appropriation: | \$50,000 | |

(2) Mission:

The mission of the Archives of the Big Bend is to collect, preserve, arrange, and make available for research purposes the recorded history and culture of the unique and diverse Big Bend region of far West Texas. The Archives of the Big Bend, housed on the second floor of the Bryan Wildenthal Memorial Library in Alpine, is an important and dynamic historical resource for the Sul Ross State University and Big Bend region communities. The collection scope includes the Trans-Pecos of Texas and the corresponding border area of northern Mexico. Holdings include manuscripts; records of businesses, organizations, and individuals; photographs; maps; oral histories; newspapers; books; and the University Archives.

(3) (a) Major Accomplishments to Date:

Since its inception in 1976, the Archives has collected more than 1.6 million leaves of manuscript material, along with numerous photographs, oral histories, maps, and other materials. From university students and faculty accessing resources for courses, to scholars and amateur researchers working to dig into and extend our regional history, the Archives are used extensively by a diverse and growing body of patrons. In 2019, the Archives of the Big Bend began digitizing archival collections, allowing for greater and remote access of materials. In 2021, Melleta Bell, Archivist for more than 35 years, retired. We have just hired a new archivist to oversee organization and processing of collections, new programs, a greater connection to university activities, and further digitization efforts.

(3) (b) Major Accomplishments Expected During the Next 2 Years:

In the next two years, with a new archivist on board, we will focus on the accessibility and management of holdings to allow more findability for patrons, both in-person and remotely through digitization. There will be a focus on inventorying and processing physical collections, as well as updating collection development, processing, and preservation policies. With the new organization of the Archives and Library as a part of the Division of Educational and Cultural Resources, greater collaboration is enabled with other departments and cultural repositories on campus and in the area. Better organizing our collections will make the archives easier for all to use. All stabilization is dependent on no additional funding cuts. In fact, reinstatement of funding for positions is needed to progress. Requests and visitations to the Archives are increasing and one archivist is not enough to assess, process, and preserve both the volume of backlog in collections and the increasing volume of requests for usage. We plan, within the next two years, to hire a University Archivist, to address university records management and make it possible for the Archivist of the Archives of the Big Bend to further oversee digitization and promotion of specialized resources.

Failure lo continue llmding would severely restrict access to and use or unique and invaluable re??ources tu studenl?? and to a patron base that includes the University, scholars, government officials, and the generJI public.

(4) Funding Source Prior to Receiving Non-Formula Support Funding:

None

(5) Formula Funding: None

(6) Category:

Public Service

(7) Transitional Funding:

Ν

(8) Non-General Revenue Sources of Funding:

The Archives receives donations from patrons occasionally. This Fiscal Year we received less than \$1000.

(9) Impact of Not Funding:

This item is not eligible for formula funding. Staffing would be curtailed and would halt operations. Failure to continue funding would severely limit research opportunities and access and use of unique and invaluable resources to students, faculty, scholars, government officials, and the general public.

| | | | |
| Big Bend Small Business Development Center | | | |
| (1) Year Non-Formula Support Item First Funded: | 1994 | | |
| Year Non-Formula Support Item Established: | 1994 | | |
| Original Appropriation: | \$100,000 | | |

(2) Mission:

The mission of the Sul Ross State University Small Business Development Center is to foster small business success. SRSU SBDC aims to create growth, expansion, innovation, increased productivity, and improved management for entrepreneurs through one-on-one, confidential, no-cost business advising from certified business advisors. These business advisors also provide training, technical assistance, advocacy, business research, resource information and coordination with the U.S. Small Business Administration and other community business support services. The Center matches clients and expertise helping to create jobs and grow the Texas economy. SRSU SBDC Certified Business Advisors conduct market research to help companies export Texas goods and services. The SRSU-SBDC serves many functions within higher education including community engagement, public service, applied economic projects and technology commercialization. The Center serves the small businesses and rural communities of Brewster, Culberson, Jeff Davis, Loving, Pecos, Presidio, Reeves, and Terrell. Our certified professionals work closely with small business owners to achieve success resulting in economic impact and development.

(3) (a) Major Accomplishments to Date:

The SRSU SBDC clients received valuable, one-on-one business advising during the time of the pandemic. The SRSU SBDC assisted 188 small business clients in 2021, created 63 new jobs, retained 185 jobs, had 1426 business starts and 925 business expansions and accessed \$4,246,865 million in business growth financing/investment. The SBDC client recovery successes demonstrate the resilience and resourcefulness that enabled our clients to grow their revenues, retain employees, and generate impressive state and federal taxes. For every \$1 invested in the SBDC, a return of \$7.61 was generated in state and federal tax revenue (ROI). Our client Eric Welch, owner of Oasis Tire Company was selected to represent the SRSU SBDC in the America's SBDC and Texas South-West SBDC Annual Reports highlighting the guidance provided by the SRSU SBDC with securing an SBA 7(A) Loan. SBDC "Small Business Management Program" is recognized in the service area as a premier program providing foundational knowledge in the start-up and scale-up of small businesses. The SBMP shifted to a virtual platform with topics related to starting a business, preparing a business plan, financial control, financial management, social media marketing, human resources, innovation, and legal issues. The program graduates approximately 100 small business owners and aspiring small business owners each year.

(3) (b) Major Accomplishments Expected During the Next 2 Years:

The SRSU SBDC will continue to provide the highest quality services to Alpine and the surrounding communities. Our services are a proven and efficient means of continued growth, expansion, innovation, increased productivity, and improved management for small businesses. These continuous activities result in improved performance of small business clients, greater economic growth, and full participation by women and minority-owned businesses, rural businesses, contractors, export businesses, and veteran-owned businesses. COVID-19 caused unprecedented damage to all small businesses throughout Texas and has negatively affected many small businesses with the loss of revenue and employees, reduced operations, or closure. The SRSU- SBDC will continue to provide tools and resources to help with recovery needs of small businesses by providing specialized services such as accessing and applying for loans and grants, protecting workplace employees and customers against health and safety threats, and exploring new markets. The Center will also assist small businesses in understanding and preparing for potential effects of sudden, natural, or manmade disasters and their impact on supply chains, operations, finances, payrolls, distribution, and sales of products. Small businesses will also be assisted with development of robust web integration, online sales and marketing, and cybersecurity protection.

(4) Funding Source Prior to Receiving Non-Formula Support Funding:

No prior funding source was available.

(5) Formula Funding: N/A

(6) Category:

Public Service

(7) Transitional Funding: N

(8) Non-General Revenue Sources of Funding:

Primarily federal grants (U.S. Small Business Administration) and some user fees from training activities.

(9) Impact of Not Funding:

SRSU SBDC would be unable to continue operations without this funding and would not have adequate resources to assist the thousands of small businesses facing the 5-year recovery time from COVID-19. This would hamper the State's economic recovery.

(10) Non-Formula Support Needed on Permanent Basis/Discontinu

Non-formula support is needed on a permanent basis to leverage the long-term funding from the U.S. Small Business Administration.

(11) Non-Formula Support Associated with Time Frame:

Center for Big Bend Studies

| (1) Year Non-Formula Support Item First Funded: | 1994 |
|---|----------|
| Year Non-Formula Support Item Established: | 1994 |
| Original Appropriation: | \$15,000 |

(2) Mission:

The mission of the Center for Big Bend Studies is to conduct historical, archaeological, and anthropological research in the West Texas region. This is accomplished by facilitating student and scholar research and disseminating this work to a broad professional and public audience through presentations, web exhibits, an annual conference, and academic publications, including an annual journal and several in-house publications. The Center also oversees anthropology courses at Sul Ross State University, maintains an in-house research library (established through donations), and has conducted archaeological, cultural resources management (CRM) projects for private firms and local, state, and federal agencies through contractual arrangements.

(3) (a) Major Accomplishments to Date:

In 2004 the Center launched the Trans-Pecos Archaeological Program (TAP) to address significant shortcomings in regional archaeological research, and has since completed 16 years of discovery. Since then the Center has learned much about the region's Indigenous inhabitants. Highlights include the discovery of the oldest earth oven (10,800 years old) in North America, the oldest maize use in Texas, and the recovery and sequencing of mtDNA from a 900 year old set of looted human remains, which were subsequently used to identify maternal lineages with modern living descendants in the region. The Center is in its fourth year of a research commitment with the University of Kansas (R1) focused on discovering the earliest presence of humans in the Big Bend region. Since 1994, the Center has recorded and documented thousands of prehistoric and historic sites, excavated over 80 and issued hundreds of publications in the fields of history and archaeology. The Center provides research findings to students and the general public through its publications, hosts an annual conference, and makes over 30 scholastic and public presentations to a wide array of organizations yearly. The Center has authored an extensive exhibit on La Junta archaeology for the Texas Beyond History website and is adding more content. Additionally, the Center holds a memorandum of understanding with the Mexican Instituto Nacional de Antropología e Historia for borderlands research collaboration.

(3) (b) Major Accomplishments Expected During the Next 2 Years:

The Center for Big Bend studies will expand its research and education initiatives in the next two years, focusing on the rich pre-Colombian and pre-Spanish history of the Big Bend region. A recently acquired federal earmark will directly assist with the hiring of three new post-doctoral research fellows whose focus will be building and expanding the Center's research and anthropological course offerings. The Center will remain actively engaged in archaeological research on several privately owned ranches, with committed excavations on two of the oldest sites in North America. In 2022 the Center will begin work on an outlier of the La Junta de los Rios known as Canta Recio, which is assumed to be related to Paquimé, a UNESCO world heritage site in Mexico. The Center's Director was recently assigned the role of tenure-track associate professor, and this newly acquired status will significantly enhance student engagement.

(4) Funding Source Prior to Receiving Non-Formula Support Funding:

General Use Fee

(5) Formula Funding: N/A

(6) Category:

Economic Development

(7) Transitional Funding:

Ν

(8) Non-General Revenue Sources of Funding:

Endow. Journal Grants/ Private Income Sales Contracts Gifts 17 \$21,119 \$10,524 \$349,500 \$216,136 18 \$14,500 \$9,000 \$375,000 \$220,000 19 \$15,000 \$10,000 \$350,000 \$225,000 20 \$12,000 \$12,000 \$415,500 \$237,000 21 \$9,088 \$6,790 \$205,000 \$244,145

(9) Impact of Not Funding:

This item is not available for formula funding. Without state funding, the Center would essentially be unable to function. State support for the Center provides the foundation and infrastructure upon which grants, contracts, and private donations are received. Without state funding, our ability to attract these external funds would be severely constrained, and the Center would likely cease to exist.

(10) Non-Formula Support Needed on Permanent Basis/Discontinu

N/A

(11) Non-Formula Support Associated with Time Frame:

N/A

(12) Benchmarks:

- 1. Make significant progress evolving TAP into Texas Big Bend Archaeological Initiative and Site Conservation Program
- 2. Use this momentum to overhaul the anthropology minor with the goal of building it towards a major that will draw students to SRSU.
- 3. Continue locating new sources of support via foundations and individual donations.
- 4. Host a successful conference, attracting a broader audience and quality presenters.
- 5. Begin publishing brief quarterly newsletters and regular email and social media updates
- 6. Increase publications, both in-house and in outside professional journals and books.

(13) Performance Reviews:

- 1. Increased attendance at the upcoming conferences, especially in student populations.
- 2. Increased anthropology/archaeology focused articles presented in the CBBS Journal.
- 3. Providing undergrad internships and engaging research associates in new programs.
- 4. Hire a highly qualified Research Director and build research team staff.
- 5. Investigate at least two new sites and conclude investigations in ongoing sites.
- 6. Publish in at least four well-respected scientific journals.

| (1) Year Non-Formula Support Item First Funded: Year Non-Formula Support Item Established: | 1994 1994 |

(2) Mission:

Original Appropriation:

The mission of the SRSU H. Joaquin Jackson Law Enforcement Academy (JJLEA) is to provide training and testing that ensures each cadet graduates with the demonstrated character, knowledge, problem-solving abilities, human relations, communication and physical skills necessary to meet the professional standards required of a peace officer. The JJLEA strives to prepare cadets mentally, morally and physically to advance into a field-training program, assume the responsibilities and execute the duties of a peace officer in society. The JJLEA provides continuing education and other services to the law enforcement community throughout West Texas. Strengthens both the teaching mission and the public service mission.

\$107,500

(3) (a) Major Accomplishments to Date:

The goal of the Sul Ross State University Law Enforcement Academy (LEA) is to provide the highest quality training possible for the 17-county region in West Texas. To accomplish this goal, we offer the Basic Peace Officer Course, mandated in-service training for licensed peace officers and county corrections officers, and provide specialized training in topics requested by area law enforcement agencies. We have been the only licensed academy between El Paso and Odessa, Texas, since 1994! Midland College offered its first cohort in Fort Stockton, Texas in 2019. The new administration of the SRSU LEA began in November of 2019, with three new Training Coordinators. A TCOLE compliance audit was conducted and passed in November 2019. The authorizing license was renewed in March 2021 for 5 years. The LEA offers a Basic Peace Officer Course annually; 40-hour a week classes on the Sul Ross State University campus in Alpine. The LEA also increased the number of training hours from the TCOLE mandated 720 hours to 790 hours. During the fiscal year 2021, the academy had 8 cadets successfully complete the Basic Peace Officer Course and 5 of these cadets passed the State licensing exam in their first attempt. The Criminal Justice Department has also created an option of completing 12 upper level credits of coursework, which provides needed credit to complete the bachelor's degree in Criminal Justice and the Law Enforcement Academy.

(3) (b) Major Accomplishments Expected During the Next 2 Years:

With the significant increase in federal law enforcement needs in the region, we expect the academy to benefit from an increasingly positive relationships with law enforcement agencies in the region. We will continue to offer an annual Basic Peace Officer Academy. We further anticipate offering further CEU courses to accommodate the needs of officers in the region. This in turn should relate to a steady increase in enrollment in the academy as the exceptional reputation of the academy continues to expand greatly.

(4) Funding Source Prior to Receiving Non-Formula Support Funding:

None

(5) Formula Funding: None

(6) Category:

Public Service

(7) Transitional Funding:

Ν

(8) Non-General Revenue Sources of Funding:

Academy Tuition 2020: \$25,350.00 2021: \$15,600.00

(9) Impact of Not Funding:

This item is not eligible for formula funding. The lack of funding would make it extremely difficult for the Big Bend law enforcement community. The distance to the next closest training provider places a strain on local law enforcement agencies making it difficult to both meet state training mandates and provide a safe environment for the communities they serve. Nearly 100% of cadets that graduate from the JJLEA are hired within the far West Texas Region and tri-county area of Brewster, Ft. Davis, Presidio.

| Institutional Enhancement | | |
| (1) Year Non-Formula Support Item First Funded: | 2000 | |
| Year Non-Formula Support Item Established: | 2000 | |
| Original Appropriation: | \$2,532,634 | |

(2) Mission:

This appropriation is to enhance institutional funding for existing programs, faculty salaries, and general university support. It allows improvement and strengthening of existing academic programs.

(3) (a) Major Accomplishments to Date:

Expenditures related to academic programs and academic infrastructure development are utilized from these funds. These include funding academic units, the Academic Center for Excellence (assisting students with academic difficulties, and improving retention and graduation rates), graduate assistants' support, information technology, faculty summer salaries, and the increasing costs of utilities for E&G facilities. Student retention initiatives are supported from these funds. Retention rates increased 1.8% from 2017 to 2019 at SRSU.

(3) (b) Major Accomplishments Expected During the Next 2 Years:

Continued support for academic programs are needed for education and training in our rural area. Distance learning initiatives and upgrades will be supported by this special item. Funds will also be used for enhancements to the recruiting and retention programs.

(4) Funding Source Prior to Receiving Non-Formula Support Funding:

Previous Special Item funding that was consolidated into this Strategy were Academic Research Support \$771,145, Academic Program Development \$438,023, General University Support \$219,674, Scholarships \$103,792.

(5) Formula Funding: None

(6) Category:

Institutional Enhancement

(7) Transitional Funding:

(8) Non-General Revenue Sources of Funding:

Non-GR Sources

(9) Impact of Not Funding:

This item is extremely critical to the well-being of the University and any reduction would have a significant effect on the University's programs and service particularly as they relate to personnel.

(10) Non-Formula Support Needed on Permanent Basis/Discontinu

Non-Formula Support is needed on a permanent basis to fund Instruction, Academic Support, Student Scholarships and Student Support Programs.

(11) Non-Formula Support Associated with Time Frame:

Non-Formula Support is not associated with a time frame.

(12) Benchmarks:

Included are funding academic units.

The Academic Center for Excellence aimed at assisting students with academic difficulties and improving retention and graduation rates.

(13) Performance Reviews:

Activities directly related to student support programs, academic programs and academic infrastructure development have been supported using these funds.

| Museum of the Big Bend |
|--|
| |
| (1) Year Non-Formula Support Item First Funded: 1972 |
| Year Non-Formula Support Item Established: 1972 |
| Original Appropriation: \$50,000 |

(2) Mission:

The Mission of the Museum of the Big Bend, a department within the Division of Educational and Cultural Resources, Sul Ross State University, is to serve and educate the public by collecting, preserving, exhibiting and interpreting the cultural, historic and natural materials that relate to the prehistory, history and cultural diversity of the Big Bend region of Texas and Mexico.

(3) (a) Major Accomplishments to Date:

On September 22, 2018, the Museum of the Big Bend launched a \$10 million capital campaign to build a 10,000 sq. foot Museum Complex building. Since that start, groundbreaking for the new building occurred in August of 2021 and construction on the new building has proceeded at a steady pace with major construction to be completed by the end of 2022. After the setbacks due to COVID, the Museum is now open Tuesday-Saturday, 10 am to 4pm and visitation has been excellent. In addition, the Museum began charging a nominal admission fee of \$5/person ages 12 and older and increased guided tours to \$10/person. The fee is waived for current SRSU students, faculty and staff and MoBB members and school groups. This has been an excellent source of much needed revenue.

(3) (b) Major Accomplishments Expected During the Next 2 Years:

The new Museum Complex Building will be named in honor of Emmett and Miriam McCoy and will open to the public in January 2023. Grand Opening plans for the new building are of significance in the Museum's history. The new building will have a large cultural event center that will be an anticipated additional source of revenue for the building. From the rental of linens to the actual space itself, the Museum sees this space as an evergreen stream of funding. Alpine does not have a space that can hold 125 seated diners for luncheons or dinners or 200 for conferences, at all, and/or in such a beautiful space as will be in the new building. The new building has an expanded Temporary Gallery space, that meets the requirements as outlined by the AAM Standard Facility Report, will be able to have works on loan from Museums and personal collections who have these same high expectation for loans. This will enable the Museum to bring experiences that it could not before to the Big Bend community. A designated exhibit space will showcase the SRSU Academic Departments; thus shining a light on the ongoing research conducted by faculty and students at Sul Ross. The new building will have additional collection storage area and the Museum will be considering adding more works from Early Texas artists and Mexican Folk Art to its collection. Sul Ross conducted a Summer Art Colony from 1932-1950, bringing some of the best artists to the area to teach.

(4) Funding Source Prior to Receiving Non-Formula Support Funding:

| (1) Year Non-Formula Support Item First Funded: | 1972 |
| Year Non-Formula Support Item Established: | 1972 |
| Original Appropriation: | \$25,000 |
| | |

(2) Mission:

The Mission of the Museum of the Big Bend, a department within the Division of Educational and Cultural Resources, Sul Ross State University, is to serve and educate the public by collecting, preserving, exhibiting and interpreting the cultural, historic and natural materials that relate to the prehistory, history and cultural diversity of the Big Bend region of Texas and Mexico.

(3) (a) Major Accomplishments to Date:

After the setbacks caused by COVID and the closure of the Museum, the Museum has reopened Tuesday-Saturday, 10 am – 4pm. Visitation and sales in the Museum Gift Shop have been robust. The Museum celebrated the 35th Trappings of Texas show and sale in September, 2021. We were able to host the Thursday night Preview Party and Friday Grand Opening Reception and Sale. We added the free event of Trappings artists on the front porch of the Museum which was very successful. In January, 2022, the Museum partnered with Rebecca Dodge and TexasView to bring the inaugural exhibit Texas As Art to the Museum. The exhibit utilized Landsat satellite imagery focused on the TransPecos region that highlighted the stare parks, historic areas, natural areas and wildlife management areas that are managed by TPWD. On April 22, the Museum in partnership with Robert E. McKee, II debuted Fred Darge Paints the Big Bend and Beyond. The exhibit focused on Darge' works created during the 1930s and 1950s in the Big Bend, New Mexico and Utah. The Museum held a series of presentations the following morning, April 23, titled Texas Art Roundup and then that evening recognized the importance of a heritage ranching family, the o6 Kokernot Ranch, during the 7th Heritage Dinner.

(3) (b) Major Accomplishments Expected During the Next 2 Years:

The Museum is anticipating a more robust 36th Trappings of Texas with the return of the Ranch Roundup Party, a major fundraising event for the Museum. The opening weekend of events for Trappings of Texas is scheduled for September 15-17 with the Ranch Roundup Party hosted by the Caldwell family at their Mitre Peak Ranch. The Museum will be holding a Grand Opening event in January 2023 for the unveiling of the new Museum building that is connected to the historic Museum building. The Museum will pursue the NEH Infrastructure and Capacity Building Grant to make much needed repairs and upgrades to the historic building. Improvements include a new HVAC and Security systems, replacement of decaying wooden window frames, creating a Texas Map Research Center utilizing the Yana and Marty Map Collection, improving the Museum's Education Room to make it more accessible to all ages and reimagining the permanent exhibit Big Bend Legacy. The Museum will embark on a fundraising campaign to increase staffing for the Museum. The Museum foresees the need to hire the following full-time staff positions: Assistant to the Director, Curator of Temporary Exhibits, Curator/Registrar of the Permanent Collection including the Yana and Marty Davis Map Collection, Education Coordinator. The Museum will be working with SRSU to create a Hospitality Certificate, hence creating an academic program with the University.
