

## Memberships for Graves-Pierce Complex

### Purchasing a Membership

Annual memberships follow the university's fiscal year, which is Sept. 1 to Aug 31. If a yearly membership is purchased after Sept. 1, the price will be prorated to reflect how many months remain in the fiscal year. Please call extension 8279 with any questions.

To purchase a gym membership, pay the fee (rates below) at the Cashiers' Office on the second floor of the Briscoe Administration Building, then take the receipt to the Recreational Programs Front Desk (Graves-Pierce Building, Main Floor) to have an ID card made. If paying with cash or check, you can pay directly at the Graves-Pierce Building/Rec Dept. Front Desk. On your first visit the front desk staff can make your ID cards and give you a tour of the facility. **New Rates for FY 2025**

\*Family is defined as spouse/children. Spouses will need to provide proof of marriage (marriage license, pre-printed checks etc.) upon request.

Children can be authorized by presenting a birth certificate or adoption paperwork upon request. Anyone over the age of 21 will be required to purchase their own individual membership. A SR student may not include a parent or other individual in their membership without proof that the parent is the student's legal dependent. The one-day guest pass provides daily access to all of our facilities for non-members.

\*\*SRSU reserves the right to change the hours or services without prior notice. We are closed on major holidays, and hours are typically reduced when students are not on campus. By purchasing your membership, you are agreeing to this change in hours as part of your membership.

All members and guests must have a liability form on file in order to utilize the gym. These can be found on our website or at the Graves-Pierce Front Desk.
