QuickSearch Interface Update – Fall 2023

- Our vendor, EBSCO, announced a new interface to our discovery interface, QuickSearch.
- We plan on migrating to the interface by August 2023
- The interface brings new features like a personalized dashboard to save and organize research, new ways to refine, navigate, and share search results, and the Concept Map.

New Library Blackboard Tools – LibApps and EBSCO

- Blackboard tools are available in Blackboard for testing
- SRSU LibApps (Embed LibGuides, Databases)
- SRSU EBSCO (Embed resources like articles and eBooks)
- Tools can be found under the Build Content area

TexShare Databases Update

EBSCO resources provided by TexShare are expiring August 31, 2023.

New content available from Gale and ProQuest

A list of TexShare resources are available to view on the [TexShare Databases Guide](#)
