Application for Texas Peace Officer Exemption

The official channel for University communication is a student's university issued email account. Students should expect all correspondence to be conducted through this method.

This sheet must be completed and signed by you, the student, in order for you to request an exemption. All blanks must be filled in, and all signatures are required. An application must be submitted for each semester requesting the exemption.

With few exceptions, state law gives you the right to request, receive, review and correct information about yourself collected on this form.

To be eligible for the exemption, Texas Peace Officers must:

- Be employed as a Peace Officer by the State of Texas or by a political subdivision of Texas
 - Apply for admission and be accepted
- Provide the Center for Enrollment Services proof of employment as a currently paid Peace Officer (required each semester in which the exemption will be used). *A letter from the employer on official letterhead, an email from your employer's official company email, or a recent two week pay stub will fulfill this requirement.*
 - Have a degree plan on file in the Criminal Justice Department for a BS in Criminal Justice
- Apply for the exemption at least one week before the last day of the institution's regular registration period for that semester
 - Be in compliance with the institutions financial aid satisfactory academic progress requirement

The date you submit your application will be used to determine the eligibility of courses. No more than 20 percent of the maximum student enrollment designated by the institution for a given law enforcement or criminal justice class may receive an exemption under this program (this will be determined on a first come, first serve basis).

Only undergraduate courses pertaining to the major requirement of criminal justice degrees are eligible for the tuition and laboratory fees exemption.

Not all tuition and fees may be covered by the exemption. Students are responsible for any additional tuition and fees that may not be covered.

I acknowledge that this form is completed with accurate information to the best of my knowledge, and that I have read all information on this form.
