RE: Title IX Coordinator Reporting Requirements under Tex. Educ. Code § 51.253(a)

Under the Texas Education Code TEC, Section 51.253(a), the institution's Title IX Coordinator is required to submit a written report no less than every three months to the institution's Chief Executive Officer regarding reports received from employees who are required to report under the TEC, Section 51.252 regarding incidents of "sexual harassment," "sexual assault," "dating violence," or "stalking" as defined in the TEC, Section 51.251.

The attached report includes information received between September 1, 2022 through August 31, 2023

For the purposes of complying with the Title IX Coordinator reporting requirements under Section 51.253(a), Appendix A, Table 1¹ of the attached report includes information regarding:

- (1) The investigation of reports received from employees;
- (2) The disposition, if any, of any disciplinary processes arising from those reports; and
- (3) The reports for which the institution determined not to initiate a disciplinary process, if any.

To assist the Chief Executive Officer in complying with the Chief Executive Officer's reporting requirements under TEC, Section 51.253(c), Appendix A, Table 2 provides information on any disciplinary actions taken under TEC, Section 51.255.

To further assist the Chief Executive Officer in complying with the Chief Executive Officer's reporting requirements under TEC, Section 51.253(c), Appendix B is included as summary of Appendix A. The summary data in Appendix B is categorized based on the reporting requirements under TEC, Section 51.253(c). The reports received may be applicable in multiple reporting categories, and therefore, the summary data in the categories may not add up to the totals of other categories.

Note: Any additional reports received by the Title IX Coordinator that do not meet the required reporting criteria in TEC Sec. 51.252 have been omitted for the compliance purposes of this specific report.

¹ When identifiable, duplicate reports were consolidated into one case number and counted as one report in the summary data, and confidential employee reporting is noted by case number and as a sub-set to the total number of reports received.
