La Frontera

Fellowship Mini-Symposium

Title V PPOHA

Summer 2024
PROGRAM

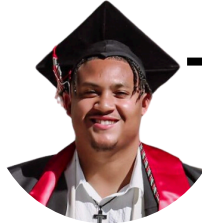

Sul Ross State University

Range & Wildlife Management

Emily Blumentritt , MS

"Bird watching is one of my favorite hobbies. Since I grew up near the coast, I have a special place in my heart for wetland ecosystems and wetland birds, but I love to be out in nature exploring the beauties of every ecoregion."

Supply Chain Management

Daylin Dunbar, MBA

"An interesting fact about me most people may not know is I love to travel. More specifically I'm addicted to cruising. I recently went on the biggest cruise ship in the world ICON of the Seas, and it was absolutely magnificent."

Biology

Andres Gomez, MS

"My hobbies consist of reading novels and playing chess, dominoes and poker. I would love to say that I have an amazing skill for cooking, maybe a bit spicy but still delicious."

English

Ycela Ortiz, MA

"Writing holds a very special place in my heart, and with it I hope to portray the everyday details of life as I see it. It still haven't the faintest clue of what I want to do with my life, but I figured that's okay. Because that's certainly a part of living."

Education & Instructional Technology

Alma Rodriguez, MED

" I enjoy reading self - development books and last year committed to reading one book a month. On my downtime I enjoy taking nature walks and journaling."

Natural Resources Management

David Tønnessen, MS

" Discovering birding changed my life and drove me towards spreading a love for nature and conservation, and also generated a passion for research. Now, I'm on a mission of making birding and science accessible and educational, and driving towards my eventual PhD."

Education & Instructional Technology

Paola Gutierrez , MED

" I am now a Kindergarten teacher. Being a teacher is something I always knew I wanted to be, but I aspire to one day help the education system from outside of the classroom."

Educational Leadership

Araceli Perez , MED

"My dream is to complete a Master's Degree in Educational Leadership and pursue a Doctorate degree in Education."

Health & Human Performance

Camryn Medina, MS

"I have a passion for fitness, health, & wellness .. Growing up I stayed active by participating in a multitude of different sports; (basketball, volleyball, competitive swimming, karate, golf, baseball, soccer, weight lifting). I love to cook and bake for myself, my family, and friends."

Range & Wildlife Management

Audrey Tauli , MS

"I have a huge love for being outdoors, including horseback riding and camping. I also love art, and am working on becoming a certified Scientific Illustrator. I enjoy drawing, painting, and digital illustration."
