Prerequisites (Unofficial transcripts are due with application.)

Course name	Course number	Semester*	Grade	Instructor's name
Structural Geology				
Sed/Strat				
Petrology/Petrography/ Lithology				

***If you are currently in a prereq, a written note from your instructor with current grade is due 3-2-26.**

Physical Fitness (medical approval required by 4-30-26)

I certify that by 4-30-26 I will return a physical examination form (provided by SRSU) signed by an MD or CNP that proves my physical ability to hike at elevations of 7,000-9,000 ft amsl on slopes of 10 to 30° carrying a ~40-lb backpack daily for 8-hour field days over a 5-week period in 90 to 110-degree temperatures. Failure to provide this form results in my losing my place in the course. Dishonesty on this form results in my losing my place in the course.

(Sign & date) _____

Once you are notified that you are accepted into SRSU Geology field camp 2026: If you are not a Sul Ross student, visit applytexas.org and apply as a transient student for Summer, 2026. Registration for all students is open later in the semester but this is the first step and you should have it done early. **Course dates are May 27 - July 1, 2026.**
