Inaugural Spring Research Symposium

Theme: Inquiry to Impact – Planting the Seeds of Undergraduate Research

TARGET EVENT DATE AND VENUE

April 7, 2027
9 AM – 3:30 PM
Fort Duncan Hall - EP

1. Proposal-First Format

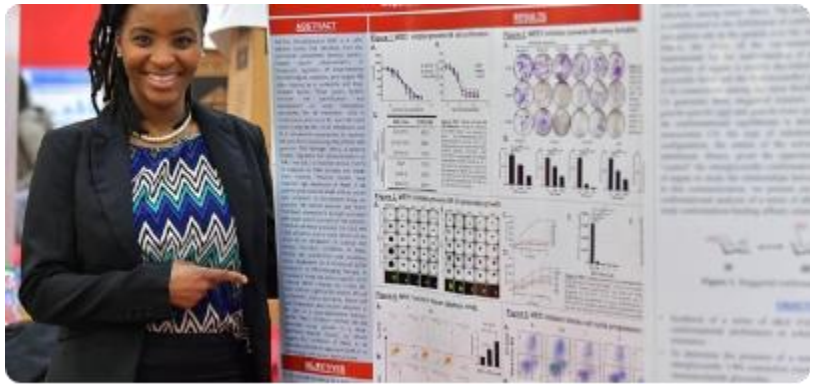

Focuses strictly on **Research Proposals** (The Question, The "Why", The Plan) to lower barriers and demystify academic inquiry for first-time student researchers.

2. Interactive Full-Day Agenda

Includes **Faculty Roundtables**, **Qualitative & Quantitative Workshops**, poster pitch sessions, and direct faculty mentorship.

3. Student Incentives & Seed Grants

Top proposals will receive incentives to execute projects over the following academic year, plus official **Undergraduate Research Fellow Certificates** and possible other incentives.
